The Following Are Some of The Sound Economic Reasons Why It Pays To Shop At Ellis Bros.

- 1 No cost of parking meters or tickets.
  - 2 No, or very little office overhead.
  - 3 No disorganized buying. (a) 90% of our grocery and meat purchases are through the well organized "Save Easy" plan. (b) A large proportion of our Ladies Clothing, Men's Clothing, Hardware and Footwear, are bought directly from manufacturers. (c) Most of our Variety Goods come through the most efficient Variety "Set-up" in Canada.
  - 4 No large scale give-aways, such as cars, washing machines, etc. (occ. we promote small items in co-operation with a manufacturer).
  - 5 No refund at end of year. If a refund is paid back it must be collected through higher prices. We know through constant surveys that our prices range from 6% to 11% under some other places.
  - 6 No phone order delivery. As you are aware it costs about \$4,000 to \$5,500 per year to operate a delivery truck, which cost has to be added as a straight delivery charge or added into the price of the goods.
- 7 EXTRA LARGE FREE PARKING AREA**
