

## Mohammed runs In Good Weather

By JIM BECKER  
TOKYO (AP)—Mohammed is no a mudder.  
Mohammed Gam m o u d i, that is, the galloping Tunisian. He was doing fine at the Tokyo Olympics until it came up rain on Sunday.  
Then Mohammed didn't show up for the 5,000 metres. Funny thing, too. Everybody thought Mohammed was a good man in the water.  
Back in the 10,000 metres, when he finished a fine second, he almost stole the race on the last lap with a beautiful breakthrough.  
Here's what happened:  
Mohammed was running along in third place behind Ron Clark of Australia and Billy Mills of the United States.  
Mills started to pass Clark. Clark threw an elbow.  
"I turned around to apologize," Clark said, "and the Tunisian fellow went right between us like a swimmer. I thought he was doing the butterfly."  
Mills started to pass Clark. Clark threw an elbow.  
"I turned around to apologize," Clark said, "and the Tunisian fellow went right between us like a swimmer. I thought he was doing the butterfly."  
That set up the 5,000 and Mohammed won his heat in fine style. But that was on a sunny day.  
Sunday, when the gun sounded to start the 5,000, there were puddles on the track and a cold rain was pelting down.  
Definitely, an - Tunisian weather.  
So, no Mohammed.  
Everybody missed him.

Mohammed has been a favorite here ever since he showed up unannounced last year for the Olympic practice games and won the 10,000.  
Nobody knew who he was. They didn't even have a Tunisian runner.  
But now is turns out Mohammed is only a fair weather runner.

## Douglstown Awarded Ch'hip

FREDERICTON (CP)—The New Brunswick Baseball Association has awarded Douglstown Combined the Provincial Intermediate A Championship.  
Commissioner Roly McLennan said the award is disciplinary in being planned against the team for not appearing at the annual meeting of the association next May.  
"There is nothing in the NBBA constitution to cover the case. But I will make a recommendation," said the commissioner. McLennan said he would present his recommendation to the annual meeting of the association next May.  
Saint John and the Combines were scheduled to play the seventh game of their "Sunday series" Sunday at Douglstown, but the Mutuels did not put in an appearance. A spokesman for the Mutuels said Friday that unless the association ordered the game to be played on a neutral field "there would be no game."  
Mutual coach Eddie O'Toole said he would try to get in touch with McLennan to request a neutral field, but he (McLennan) was not available," said O'Toole.  
McLennan said the only report he had about the Mutuels' decision "was secondhand."  
Mutuals claim Douglstown fans threatened them after the sixth game in Saint John that ended in a sour note. "They threatened to slash our tires if we won," Douglstown's O'Toole said. "Furthermore, the Douglstown field is not fit to play on."  
McLennan said "Saint John should have notified the Douglstown management they would not play the game." Combine manager Charlie Driscoll claimed "we lost \$250 by not playing the game."  
"The Combines are arranging a Martine fight against Antigonish Bulldogs."

McLennan said if the Saint John club had a protest "they would have protested within 48 hours after the sixth game," said the commissioner.  
The series lasted five weeks with all games being played on Sunday. "We agreed to play only on Sunday, because Douglstown could not field a team any other day," said O'Toole. "We didn't complain—so they have no right to complain, now."
