HOLT lightning hay knife 20 inch blade 36 inches overall, in stock at Brace's.

CHURCH OF SCOTLAND, Summerside, Feb. 22, 11:00 a.m. Rev. H. F. MacEwen.

UNLOADING CAR Princess Sydney Coal at Carleton, Saturday and Monday. Edgar Hardy.

BEDEQUE RINK, Saturday night, Lippy Gaudet's, midweek hockey teams play at 7:30. Old-timers skate starting at 8:30. Admission 25 and 35 cents.

PARISH OF ALBERTON, Church of England, Evening Prayer and Sermon at 3 P.M. in St. Luke's, O'Leary and at 7:30 P.M. in St. Peter's, Alberton. Rev. J. R. McMahon, Rector.

VISITS WEST - Her many friends will be interested to know that Miss Dorothy Linkletter, popular school teacher of Linkletter Road, left recently on an extended visit to Western Canada.

FUNDAMENTAL BAPTIST CHURCH, Central Block, Rev. D. M. Fraser, Pastor. Services for Sunday, February 22nd, Central Block, 10:45 A.M. and Borden 3 P.M. Everyone welcome.

POLICE COURT - In Summerside Police Court yesterday morning a man from Victoria West, charged with driving while his ability was impaired, was fined \$50.00 and costs.—S.

ENGAGEMENT - Mr. and Mrs. J. Wilfred Lecky, Summerside, wish to announce the engagement of their daughter, Frances Anne, to F.O. Morris Dale Gates, son of Mr. and Mrs. S. W. Gates, Regina, Saskatchewan. Marriage to take place on March 14th.

ATTENTION Alberton and Vicinity. The dress carnival will take place on Monday, Feb. 23rd as scheduled unless Alberton hockey team meets O'Leary in playoffs on that date, when carnival will be held on Tuesday night.

LEAVING FOR OTTAWA - Chief Justice T. A. Campbell, accompanied by Mrs. Campbell, will leave for Ottawa today, where he will resume his duties as chief justice commissioner. Chief Justice and Mrs. Campbell expect to be absent from Summerside about one month.—S.

NEW LONDON PARISH, Church of England, Rev. R. W. Coupland, B.A., Rector. First Sunday in Lent, February 22, 1953. New London 11 a.m. Holy Communion; Burlington, 2:30 p.m. Evensong; Kensington, 10 a.m. Church School; 7:30 p.m. Evensong.

PHALANX CLUB MEETING - The regular meeting of the Summerside Phalanx Club was held last evening at Robson's Restaurant, and considerable business was dealt with. Arrangements were made regarding a hockey match to be played with the Charlottetown Phalanx Club next Wednesday at Charlottetown which will be followed by a bowling game on the same evening. The club also completed arrangements for games by two minor hockey teams sponsored by the club, which will be held in Kensington on Tuesday and Thursday afternoon. A sick committee was appointed composed of Ray Doyle, Bennett Jenkins, Windsor Corney. The meeting was presided over by Gerald Inman. The chairman for next meeting will be Gerald Warren. One guest, Clayton MacLellan, was present.—S.

Entertains Alberton Church Officials

The chairman, Henry Clarke, entertained the board of stewards of the Alberton United Church at the regular meeting on Thursday, Feb. 19 at 7 p.m. Following the blessings by Rev. A. R. Wallis, the complete board sat down to a delightful supper, which was followed by a full agenda of business. A special welcome was extended to Mr. P. A. Saunders as the new church treasurer to this, his first board meeting. Arrangements were made for the annual financial canvass. The board of stewards agreed to sponsor a congregational social in the near future with special invitations to the new families who have settled here recently. Mr. P. A. Saunders is the social convener. The hearty thanks of the meeting were extended to the hosts, Mrs. Weeks, and to Mrs. Wallis, who so kindly assisted her. Both Mrs. Weeks and Mrs. Wallis replied briefly.

S'side World Day of Prayer

The world day of prayer service was conducted in the Summerside Presbyterian Church yesterday afternoon with Mrs. J. S. Perry as leader and members of the various local Protestant churches participating. Mrs. Cleve Whalen was organist. The theme of the programme was "Walk As Children of Light" and had been prepared through the cooperation of African Christians. The following hymns sung were interspersed throughout: "Joyful, Joyful, We Adore Thee," "Lord of All Being Throned Ajar," "Let There Be Light," and "The Day Thou Gavest, Lord, is Ended." The quartet "For You I'm Praying" sung by Mrs. G. F. Cameron, Mrs. F. Bingham, Mrs. W. E. Forbes and Mrs. R. W. Wood was much appreciated. Mrs. Mark Gaudet, Jr., gave an interesting history of the promotion of the world day of prayer in Canada. The following special prayers were offered: Her Majesty, the Queen and for all those in authority over us, by Mrs. G. F. Cameron; for homes and families around the world, by Mrs. H. Crossman; for increased private and family prayer, by Mrs. B. Read; for followers of Christ around the world, by Mrs. C. D. Matheson; for non-Christians everywhere, by Miss Jean MacFadyen; for peace, by Mrs. W. F. Strong. The offering which was received by Mrs. H. Hall and Mrs. F. Moase will be sent to the Women's Inter-Council of Canada, who sponsored the programme.

Plan Vaccination For Tuberculosis In Summerside

Encouraged by the progress made in the control of tuberculosis in Prince Edward Island, plans are being made to provide the protection of BCG (Bacillus Calmette Guerin) vaccination to all residents of the town of Summerside. This vaccination increases resistance to the development of active tuberculosis disease by 75 per cent. It is hoped that co-operation from organizations and individuals will result in the simple procedure of (1) a chest X-ray for everyone in Summerside; (2) a tuberculin skin test; (3) a return visit 48 hours later to have this test read; and (4) those who do not react to the test are advised to be vaccinated with BCG. Dr. P. A. Creelman, director of the Division of Tuberculosis Control, in making the announcement yesterday, said he hoped sufficient co-operation would be received to begin this program early this spring. He said it was important for everyone to attend this clinic, particularly the elderly people. Individuals in this group are some of the most neglected about attending tuberculosis control clinics than are the younger people. Dr. Creelman met with the doctors of the Prince County Hospital about one week ago for the purpose of discussing this project. As a result of this meeting a committee of four: Dr. Gilbert Gallant (chairman), Dr. Austin Delaney, Dr. J. B. Downing, and Dr. W. B. Howatt was appointed to work with Dr. Creelman's department in this project, and to head up the campaign in Summerside. Yesterday morning Dr. Creelman and Dr. Delaney spoke to the students at their weekly assembly meeting in the Summerside High School, and outlined to them the purposes and advantage of the proposed tuberculosis control program. Summerside doctors will contact the various service clubs for the same purpose, and the Health Centre will contact other organizations in the town to inform them of the purpose of the campaign. It is expected that the program will first be carried out in the schools and then extended to the general public. Dr. Downing and St. Peter's have approved and co-operated in the completion of this program in their respective areas. Dr. Delaney, in speaking of this free offer made to the citizens of Summerside, said that great progress is being made in P. E. I. in regard to tuberculosis control, but there are still cases of tuberculosis being discovered.

Stock Market Up In Wake Of Budget

MONTREAL (CP) - Stock market prices moved ahead along a broad front today in the wake of Finance Minister Abbott's tax-cutting budget. Nearly all major sections showed advances. Canada Cement was up three points at 82, Consolidated Papers added 1-1/8 to 36-7-8 and Noranda was stronger by one point at 40. Other improvements were Dominion Textile, Abitibi, Bell, ceagras, International Nickel and Cocksouth. In mines, Steep Rock picked up 25 cents at \$9.25 while other gains were below 10 cents. Celta, Bouzau, Frohisher and Laville firmed. Western oils edged irregularly lower as Antone, New Pacalta, Western Homestead and New Continental slipped pennies. Industrial volume was \$8,900 shares and mines 663,700. KING'S LYNN, England (CP) - Sidney Woodhouse, 54, was surveying his ruined cottage in the Norfolk flood area when he was notified he had won \$5,000 in a football pool. "I'll use the money to find another house and help my son who lost all his furniture," said Woodhouse.

Sport Echoes From Prince County

The Freetown Royals are on their ruthless way to an eighth successive South Shore League championship. They're out in front of Summerside High School in their semi-final series by one game, and need only another victory to step into the final bracket with Cape Traverse. Can the Royals, led by the dashing, smashing Gord Cutcliffe stop them? Don't ask us. We asked you. In the last Freetown-Sum Hi contest, it was the case of a smooth, tricky hockey team being beaten by a bigger, huskier, harder-hitting outfit. The Davey sling shot that was in the fancy skating, smooth passing, and all-around generalship of the Schurman-coached team wasn't quite able to bring down the towering Goliath in the hard-working, hard-bumping, non-stop efforts of the Freetown boys. Laysh Schurman and Benny Grady were working together on Wednesday night as they used to in the old midget and juvenile days, and it was a real pleasure to watch them. The two boys combined for five of the six goals scored by the Summerside sextet. A few more boys of their caliber on this team's roster, and you would have a team hard to beat in intermediate hockey circles. Roy "Chick" Gallant is another good boy with a slinging shot, flying skates, and a shiny blade on his hockey stick. But there is no one with whom he works so well as do the Schurman-Grady duo, and for that reason his effectiveness is somewhat reduced. Don Darby is another example. He has a fast burst of speed, can stick his way around an opponent, but is also something of a lone wolf. This is not to say that these boys hog the puck. It is just that they haven't developed a passing attack to the smooth proficiency of Laysh and Benny, who, after all, have scooped up the ice together on a good many occasions. The lone smoothie on the Royal team is Edgar Taylor. Carl Woodside has a lot of stickhandling ability, but the rest of the Freetown aggregation might as well not attempt to finesse their way through the opposition. They blast their way through instead, and believe us, they're howling success at the art. They never let the other team get organized for a moment. They're in high all the time, and never waste time shifting gears. And the more blue chips on the table, the harder they fight. They'll be tough to take, even by the Cape boys.

Survey Suggested

Continued from page 5 posing that the City should make provision to supply service to the outlying districts at rates to be set by the Public Utilities Commission. The brief also stated that it was felt action should now be taken to determine the wishes of Spring Falls residents about joining with the City and having the municipality extended northward. However, it was thought there should be some guarantee that taxes would only be increased as services were extended to the new municipal area. At the conclusion of the reading of the brief Mr. K. M. Martin, Q.C., appearing for the Water Commissioners, asked Mr. MacNeill if it were not true that the gradient fell off sharply and would thus make the area unavailable for further sewerage connections. System Already Taxed In speaking briefly to the Inquiry Commissioner Mr. Martin said surveys showed that the city water system was already taxed and now they must look forward either to an increase in supplies or a decrease in consumption. The latter was difficult to gauge as even when water has been entirely metered the decrease in use was about 60 per cent, but here commercial users are already metered and he thought metering private homes would cut consumption by about 20 to 25 per cent. However, even this reduction would ordinarily protect the city for only a few years. Outside Areas He said the Water Commissioners have no obligation towards the outside areas and can undertake none. Facilities are never extended by statute. He did not believe the residents of the areas should expect to come into the city without taxation because the areas would only be a burden to Charlottetown until facilities were extended to them. In any event he felt the whole matter was outside the scope of the present inquiry. Mr. H. Frank MacPhee, Q.C., said there was a common problem involving the city and the two areas but he too did not expect the Commissioner to consider the matter of incorporation with the city. Judge Trainor asked if counsel were suggesting that he could not consider such a vital element in making his recommendations. Mr. MacPhee replied that he did not feel the final report should be predicated on a possibility which might never come to pass. He thought it would be based on both incorporation and non-incorporation. Question of Cost Judge Trainor said the matter resolved itself into a question of dollars and cents and could easily be solved "if we could find the money to do what we want." The Commissioner then adjourned the proceedings with a statement that he would feel free to call any of the counsel later for further information or advice. His

Inquest Held At Summerside Last Night

A coroner's jury at Summerside last evening meeting to inquire into the death of James Joseph Shields, returned the following verdict "We, the jury, find that James Joseph Shields, met his death on January 29th, 1953 between 5:45 and 6:00 P.M. by the car, a Dodge 1952, in which he was driving, was in collision with a snow plow road maintenance proceeding in the opposite direction. This happened on the Western Road, approximately 300 yards from the bridge, known as Lockhart's Brook, in the St. Eleanor district. According to the evidence submitted, we do not hold the driver of the plow responsible for the accident." The inquest was presided over by Dr. Austin Delaney and six witnesses were called by Mr. D.O. Stewart, Q.C., who represented the crown. Dr. Gilbert Gallant described his findings in the autopsy which he performed in cooperation with Dr. Delaney. He said death was due to shock, fracture of skull, rupture of liver and large bowel, internal hemorrhage, and other injuries. J.W. Marshall Thompson, operator of the road maintenance plow, involved in the collision, said he was proceeding towards Summerside at 20 miles per hour with his lights on at the time of the collision. He was on his right side of the road and paid no attention to the approaching car until it left its proper side of the road just before hitting the plow. As a result of the impact, the plow was forced off the road. He had dismounted from the plow and found the smashed car in a field on the opposite side of the road. Later they found the two men unconscious and some distance from the car. Constable Percy M. Grover of the Summerside detachment of the R.C.M.P. told of police investigation of the accident made in conjunction with Constable W.J. Leach. He submitted a drawn sketch of the area showing distances, etc., and identified several photos taken at the scene of the accident. He reported that a search of the car revealed seven bottles of vendor's beer in a case. There were also some broken bottles; some with caps on and others were uncapped. A gouge in the pavement believed to have been made by the snow plow at the time of impact was 2 1/2 feet from the centre of the road on the snow plow's side of the road. The car was 63 feet from the presumed point of impact, and Shields was 23 feet from the car, while Gilbert Arsenault, who was also in the same car, was 39 feet from the car. Constable Grover had summoned ambulance and coroner J. S. MacKeiv, of Charlottetown, was travelling east in the area at the time of the accident. He observed the headlights of the approaching car and noticed they disappeared suddenly in a flash such as made by a giant firecracker. When he reached this spot he saw the plow operator coming toward the road from the plow which was in the field. Together they searched and found the empty car. After securing a flashlight they located the two unconscious men on the ground in the field. Shields died within two or three minutes without regaining consciousness. Arsenault was later removed to hospital by ambulance. Mr. A. O'Brien, who operates a small store on Water St. West, told of selling a package of cigarettes to Shields who was accompanied by another man he did not know. Shields was driving the car when it proceeded west from his store. Members of the coroner's jury were: Martin Des Roches (foreman), Leo Joseph Arsenault, Douglas Steele, Reginald Leachlin, Cyril Des Roches, Philip Leclair. - S.

Howe's Deputy

Continued from Page 1 has been acting in a dual job as co-ordinator and aircraft chief following the resignation some months ago of E. V. Rippingille, the former head. Rippingille returned to his civilian job as president of General Motors Diesel Ltd., at London, Ont. Under the new arrangement, Mr. Grant, borrowed from his civilian job of assistant general manager of Bell Telephone Co., will continue as production co-ordinator. He will oversee the multi-million-dollar shipbuilding, electronics, gun and transport divisions. But the work on aircraft will fall almost entirely on the shoulders of Mr. Beupre. Former Army Officer The new aircraft chief, a 35-year-old wartime army officer from Montreal, will not only steer CF-100 and F-86 Sabre jet production, but will also study the question of future aircraft design. A. V. Roe Ltd. of Malton, Ont., a CF-100 manufacturer, is understood to have completed designs on the radically-shaped delta-winged CF-104 jet to cruise at supersonic speeds of about 1,000 miles per hour. This aircraft was designed eventually to replace the CF-100. But the decision as to whether A. V. Roe will be allowed to proceed with a prototype rests with Mr. Howe and the production department. report will be presented to the Government at a later date. Present at the hearing to represent the Provincial Government was Mr. J. O. C. Campbell, Q.C., Deputy Attorney General, while Mr. J. J. Johnston represented the "lonely" Estate which controls a large area in the Parkdale district.

Makes Statement Re Discount Scheme For Civil Servants

As previously reported, on Tuesday evening the retail merchants of Summerside held a meeting to consider an application received from the P.E.I. district council of the Civil Service Federation of Canada for a discount on retail purchases by federal civil servants. The application was refused and a resolution was passed stating that such a privilege would be discriminatory and have an adverse effect on the general public. In an interview Mr. Norman MacLeod, of the Unemployment Insurance Commission, last evening stated that contrary to the Summerside merchants' opinion, the Summerside merchants and the Civil Servants Federation decided to approach a number of retailers in the Province and get their reaction to a similar scheme for federal civil servants. Arrangements, he said, had been completed with some of the retailers in Charlottetown with discounts offered up to 20 per cent. There was however, he stated, some opposition to the scheme and the committee appointed by the district council has recommended, due to the reaction of the merchants in Summerside and to the opposition encountered there, that the matter be dropped, at least for the present. Mr. MacLeod maintained that there were enough merchants in the Province agreeable to the scheme to insure a limited success but that the goodwill of the remainder of the retailers is of importance to federal public servants by warrant dropping the scheme.—S

O'Leary Maroons win Opener From Alberton 5-2

The O'Leary Maroons took a strong lead in the first game of the intermediate B hockey semi-final series for Prince County, by defeating the Alberton Regals 5-2 at the Alberton rink last night. The rink was jammed to the rafters with the visiting team bringing a strong following of ardent fans to support their team. Play was very fast and at times rough as both teams played all out to win the crucial opening game of the two game total goal series. LeClair opened the scoring for the Regals followed by MacDonald and Rodgeron for O'Leary and Richard for Alberton to end the first period tied two-all. There was plenty of action in the second period with many end to end rushes as both teams fought for the advantage in the hardest session of the game. K. MacNeill tallied for the visitors for the only score in the period on a pass from Boulter. In the final session, despite the Regals' efforts, O'Leary and Rodgeron for O'Leary and Richard for Alberton to end the first period tied two-all. There was plenty of action in the second period with many end to end rushes as both teams fought for the advantage in the hardest session of the game. K. MacNeill tallied for the visitors for the only score in the period on a pass from Boulter. In the final session, despite the Regals' efforts, O'Leary and Rodgeron for O'Leary and Richard for Alberton to end the first period tied two-all. MacNeill tallied for the visitors for the only score in the period on a pass from Boulter.

Freetown Royals Defeat S'Side To Take Series

The Freetown Royals won their hockey semi-final series with the Summerside High sextet last night, defeating the students in the final game by the close score of 5-4. The Summerside players had their very strongest team for this do-or-die encounter. Vance Harris and Mark Delaney coming over from Sussex, and Charlie Deighan putting in an appearance after a two-game lay-off. The best the Sum-Hi boys could offer, however, wasn't quite good enough, and the game clearly showed that Freetown has an edge over the latter but lighter team from the Prince County capital. Edgar Taylor played a star game for the winners, notching two goals and assisting in another. Don Darby was the leading sniper for the losers, also getting a brace of tallies. Freetown got the jump on the Sum-Hi crew in the first period scoring three goals without a return. Summerside outscored them 3-1 in the middle frame, and the teams got a goal apiece in the final session. Freetown - Goal, Millar; defence, A. Waugh, C. Woodside, W. Campbell; forwards, E. Taylor, C. The Freetown Royals will now play a best-of-seven series with the Cape Traverse Royals for the championship of the South Shore League.

Federal Minister

"Potato prices at the beginning of the 1952-1953 season were higher than usual but as it became apparent that the crop would be somewhat larger than at first anticipated, prices declined. "I am informed that the Prince Edward Island potato marketing board established a floor price of \$1.90 per 75 pounds on November 29, 1952, but subsequently revised it downward on January 21 to \$1.55, and to \$1.30-\$1.35 on February 14 last. "I am also advised that United States potatoes from Maine are not being dumped on the Montreal market. One carload of Maine potatoes arrived in Montreal early this week and of yesterday the shipment was still on track unsold. There have been no other shipments of Maine potatoes this season. "In his statement of Maine potatoes it is understood Mr. Gardiner referred only to the shipments of potatoes by rail. It is very doubtful if he advised of individual shipments by truck. Should potatoes suffer a further sharp price decline in the coming weeks or months, it is believed that Mr. Gardiner will be called upon by the potato trade of Prince Edward Island and New Brunswick to initiate some remedial action. Although marketing of potatoes is a matter considered under the jurisdiction of the provinces, there is abundant precedent for the Federal government to step in to avert a serious situation. Hensler (Continued from Page 1) day. The defence called no witnesses. Judge Marin said Hensler took the document from his own house to the home of Mrs. Catherine Cosgrove, a sister-in-law, for safekeeping. He warned her it was "dynamic". Mr. Chevalier said he had no plans for an appeal. LA JOLLA, Calif. (AP) - Four gunmen entered the fashionable Casa de Manana hotel Thursday, bound and gagged a guest and three hotel employees and escaped with gems and cash police estimated at \$86,000. One victim was C. W. Farcher, editor and publisher of the Glendale News-Press, who was bound and gagged.

Day of Prayer At Alberton

Some fifty women of Alberton and vicinity assembled in St. Peter's Anglican Church Friday afternoon to join with women of almost every country in the world in observing the world day of prayer. "Walk As Children of Light" was the theme of a most impressive service which had been prepared by women of Africa. Giving leadership in worship were Miss Maud Dyer, president of St. Peter's W.A.; Mrs. A. C. Green, president of the United Church W.M. Auxiliary; and Mrs. Norman Oliver, president of the Presbyterian W.M.S. Special prayers were offered by Mrs. J. R. McMahon, Mrs. H. W. Matthews, Mrs. George Ramsay, Mrs. A. R. Wallis, Mrs. F. J. Carpenter and Mrs. Helen Kerr. A brief history of this annual day of prayer was given by Mrs. Vernon England. The organist was Mrs. Hubert Campbell and the offering was received by Mrs. John Smith and Mrs. H. W. Matthews.

Alberton and Vicinity

Last Friday was a special day at Union School, near Alberton. Members of the Dock Women's Institute secured the film "Royal Journey" for showing to the pupils and at its conclusion a treat of homemade candy was given. This was a most pleasant Valentine party and was greatly appreciated by the boys and girls. Miss Shirley Wallis, Summerside, is spending the weekend with her parents, Rev. and Mrs. A. R. Wallis, Alberton.

It is pleasing to report that Mr. F. J. Carpenter, who has been a patient in the Prince Edward Island Hospital, is much improved in health and expects to return to his home in Alberton today.
