

# BRAIN FAG

Is the result of Overwork and an Exhausted Nervous System. Dr. A. W. Chase's Nerve Food creates New Brain and Nerve Tissue.

Business and professional men, accountants, stenographers, teachers, students and all brain workers know only too well what it means to have the brain so tired out that concentration of thought is almost impossible.

One-fifth of all the blood in the human body is found in the brain, and unless the blood is pure and rich the brain becomes exhausted for want of proper nourishment.

Dr. A. W. Chase's Blood Food creates new brain and nerve tissue, and produces rich red blood, "the vital fluid" of the body.

All brain workers quickly recognize the merits of this great food cure, and after a few doses enter on their work with new energy and ambition.

Brain fag is unknown to persons whose brain and nerve have been invigorated by the use of Dr. A. W. Chase's Nerve Food, which is for sale by all dealers at 50c. a box.

### Persistent Advertising.

As incessant drops of water  
With persistent, tiny blows,  
Beat down the rugged mountains  
And dissolve the deepest snows;

As when thread to thread is added,  
Larger still the fabric grows,  
And the most persistent knitter  
Wears the longest warmest hose;

As the dog by dogged gnawing,  
Tastes the marrow of the bone,  
And repeated mallet-tapping  
Brings the statue from the stone;

As the most untiring printer,  
With incessant "click, click, click,"  
Marches largest verbal armies  
By divisions o'er his stick;

As letter to letter added  
Makes complete the longest page,  
And minutes oft recounted  
Tell the sum of longest age;

As off-gained bits of wisdom  
Make the store of knowledge great,  
And man after man enlisted  
Fills the armies of the State;

As rivulet joining rivulet  
Swells the river o'er its banks,  
And continued penny savings  
Aggregate the wealth of banks;

So the constant advertiser,  
By a law of common sense,  
Builds his business enterprises  
Into volumes most immense.

—Inland Printer.

### Half-Cents Make Half-Dollars.

No man can make a success unless he is honest; it does not pay to try to cheat your customers. He has confidence in you and your methods, or he would not patronize you. If he discovers in any way, that you are not what he supposed you were, he of course loses confidence in you at once. Some merchants love money so well that they will take the half-cent in every transaction where one is involved. Half-cents are small, but they soon make cents and cents make dollars. Your customers always watch these small things and soon they will think, "well, if he will take the half-cent every time he gets a chance, he'll take the half-dollars too." There are not many articles that a half-cent off would hurt your profit. Say a good customer buys three pounds of something (sugar) at six and one half (6½) cents per pound, which would amount to 19½ cents; most merchants take twenty cents and say nothing of the half-cent, but the merchant that says "I'll make it 19 cents," thenceforth has a stronger hold on his customer, by only giving him a very little advantage. A few merchants say "well, next time I'll give you the half-cent off," but strange to say the very next time they forget having said that. Watch your business make stronger your customers confidence in you, and your business efforts will likely be "crowned with success."—John J. Henderson.

### Character in Business.

That which commands the highest price in the market to-day is efficiency and trustworthiness. An efficient and trustworthy man can command almost anything he likes. What we want, what the world, too, wants, are men upon whom we can rely. I am a capitalist; you do not know it, but I am though I am not a very bloated capitalist. Once a quarter I get a cheque, and the moment it is in my hand I am a capitalist and I am going to employ labour. I am dependent on the man to whom I take my money. I want a watch, I know nothing about watches, and I am dependent on the man who may sell me a very poor thing at a big price, for I am no judge. Consequently,

when I find a man I can trust, I stick to him—I never change. But if I catch him trying to swindle, I never go back to him again. You cannot get on by sharp practices. You will get to the end of dipping some day. If you want to build up a business, the surest way to build it up is to lay a good foundation in righteousness and efficiency, and then instead of having to run after the customers, the customers will run after you. You tell me that I am not in business, and therefore do not know much about it! If I am not on one side of the counter; I am on the other, and I speak from my own side. I do not want a man who is a Christian and a shoemaker, but I want a Christian shoemaker who puts Christianity into the business and the work. That is the man I want. It is the greatest insult to this generation to say it is impossible for a man to maintain his integrity and get on. He may not get on very fast, but he will have a peaceful life and be prosperous if there is a God in heaven and truth in the Book.—Rev. S. Chaddick.

## ASTHMA PERMANENTLY CURED.

A Well-known Canadian Notary Public Suffered for 35 Years—Permanently Cured by Clarke's Kola Compound.

R. D. Pitt, Esq., Kamloops, writes: "I had suffered for at least 35 years from the great oppressiveness of asthma and shortness of breath. I had during these years consulted many physicians and tried all the remedies, until the doctor told me I might get temporary relief, but I would be always troubled. I tried Dr. Clarke's Kola Compound, and after taking the first bottle I became greatly relieved, and three bottles have completely cured me. I can now breathe as naturally as ever, and asthma does not trouble me in the least. I feel it my duty to bear testimony to the marvellous effect this remedy has had in my case, and would urge all suffering from this disease to try Clarke's Kola Compound, as only those who have suffered all these years as I have can appreciate what a blessing this remedy must prove to sufferers from asthma." Three bottles of Clarke's Kola Compound are guaranteed to cure. A free sample will be sent to any person troubled with asthma. Address The Canadian & Macpherson Co., 121 Church Street, Toronto, and Vancouver, B. C., sole Canadian agents. Sold by all druggists. When writing for sample mention this paper.

Clarke's Kola Compound is the only permanent cure for asthma; is now successfully used throughout the leading hospitals in England and Canada.

## A MOTOEMAN'S VICTORY

Over Diabetes, Gained by the

Power of Dodd's Kidney Pills

Pills

Toronto, May 8.—In a large city like Toronto, there is always much sickness, kidney disease largely predominating. The street railway employees, exposed as they are to the vicissitudes of the weather, are particularly liable to kidney disease. But they all know how to conquer this enemy.

For instance, Mr. T. H. O'Reilly, 27 Niagara Street, motorman, No. 624, was for three years a great sufferer from Diabetes. Every remedy failed to help him, till he began to use Dodd's Kidney Pills. Three boxes cured him.

It is cases like this, where the patient and the cure are equally well known, that are the test of a remedy, and Dodd's Kidney Pills have always stood it successfully. They cure all kidney complaints.

# SEED WHEAT

DEAR SIR,—

I am very glad to be able to inform you that after testing the WHITE FIFE WHEAT, imported by you from the North West last fall, I have no hesitation in recommending it to the farmers of P. E. Island.

I sowed twenty grains without making any special selection, and out of the twenty, nineteen grew strong and healthy.

Farmers in this section of the country pronounce your seed wheat the best sample that they have seen imported to this Island.

# Fertilizer Facts!

The value of all Fertilizers consist in the amount of soluble Phos. Acid, Nitrogen, and Potash they contain, and the brand which shows the greatest value in these is the one to buy, on the same principle that milk testing 4 per cent. butter fat is more valuable than 3 per cent. milk ENGLISH MANURES costing the same price, contain 20 per cent. to 25 per cent. more Phos. Acid, Nitrogen and Potash than any other complete Fertilizer on the market.

Or in other words the Plant Food contained in a ton of other Fertilizer costing, say \$35, can be purchased from us for about \$28. All fertilizers are sold under a guaranteed analysis enabling any who may, to verify the above, and the superior quality of these Manures is being shown by actual test year after year by the really wonderful results produced wherever used.
