SEE BEER BROS. bargain corner. POLITICAL MEETINGS.—Attention is directed to a change in the advertisement of the public meetings to be held in the First District of Queen's County.

NICKEL MINES.—Recent assays of ore taken from the St. Stephen, N. B., nickel mines are so encouraging that, it is said, further development will be made next spring.

TO SELECT CANDIDATES.—The Liberal electors will meet in Philharmonic Hall this evening to select candidates to contest Charlottetown and Royal in the forthcoming Provincial election.

MARRIAGE BELLS.—We understand that one of those interesting events we are always pleased to chronicle, takes place in St. Paul's Church to-morrow morning. The train starts at 7 o'clock.

A POINT.—There is about as much sense in asking an active politician what the chances of his party are as there is in seeking the opinion of a mother as to the beauty and smartness of her baby.

ORGAN RECITAL.—The programme of the organ recital in St. James' Church on the evening of Thursday next, (Thanksgiving Day) will be found elsewhere in to-day's paper. It is a most excellent one, and should attract a large audience.

EPICUREAN LEAGUE.—The paper on "Natural Law," read last evening before the Literary Department of the Epicurean League by Mr. Geo. E. Full, was very interesting and instructive. There was a good audience, notwithstanding the unfavorable weather.

AGAINST THE CITY.—Mr. W. C. Boak has commenced an action for damages against the city of Halifax for alleged wrongful seizure by one of its officers of a soda font valued at \$125. The sum claimed is \$225, \$125 of which is named as damages.

THE COGHLAN AFFAIR.—The following appears in the St. John Sun: John T. Sullivan, (Rose Coghlan's husband) has "squared" matters with Mrs. Charles Coghlan, No. 1. She will return to her home on Prince Edward Island and not sue the festive Charles for bigamy.

PRIZE ESSAYS.—The prize of fifty dollars offered by J. Heber Haslam for the best essay on the Northwest has been divided between Sarah McPhee, of Glen Wilhams, King's County, and Fred. S. James, of Little York, their essays being of equal merit. We hope to publish the essays after the election.

A DARING BURGLARY.—The post office at Richmond, Que., was entered by an unknown burglar early on Saturday morning. The safe was blown open by dynamite, and \$1,400 in stamps and money taken. A dog in the office was chloroformed. The explosion occurred just as a freight train was passing.

CALEDONIAN CLUB.—The annual celebration of St. Andrew's Day, under the auspices of the Caledonian Club of P. E. Island will take place at the Caledonian Club Rooms, Queen Street, on the evening of the 30th inst. Tickets can be had from the following committee: David Small, J. M. Campbell, John S. McDonald, D. A. Finlayson, John McPhee, J. M. Campbell, Secy; David Small, chairman of Committee.

POLICE PENITENTIALS.—This forenoon the appeals by the officers and crew of the steamer "Gulfstream" from the assessment of poll tax, was heard before the Stipendiary Magistrate. The appellants claim to be non-residents of the city, and are, therefore, exempt from the payment of this tax. The evidence of the appellants was taken, and judgment was reserved.

YESTERDAY M. A. Carroll confessed to a sale of Bavarian beer on Sunday, and was fined \$25 for a breach of the Sunday Observance Law.

AN ISLANDER KILLED.—It is reported that James Lafferty, formerly of Charlottetown, was accidentally killed by an electric car in Boston a short time ago. Lafferty was a stevedore by trade. He was for a time employed by A. Herman & Son, Charlottetown, and has lately been working in Providence and Boston. He was twenty-one years of age. His father Mr. James Lafferty, of the steamer Northumberland, has telegraphed to Boston in reference to the matter, but, so far, no satisfactory reply has been received. He goes to Boston to-morrow morning to see what truth there is in the story.

MEETING AT EMERALD.—A meeting of the farmers and others interested will be held in the Hall at Emerald on Friday evening next, 24th inst., at 6:30 o'clock, to consider what steps should be taken towards the erection of a cheese factory or creamery for the section of the country. Mr. T. J. Dillon will be present to give any information required concerning either. So also will Senator Howland and other leading men. Therefore any one interested should make it a point to attend this meeting, and become thoroughly acquainted with the advantages to be derived from a meeting of this kind, every detail of which will be clearly explained.

MARINE NEWS.—The schooner Ida, Fraser, master, from Summerside, arrived at Trinidad on the 2nd inst., and landed her horses in splendid condition. The schooner Ida May, owned by Capt. Gillis, of this city, went ashore at Boat Harbor, south of Pictou, during the storm yesterday afternoon.

THE STEAMER ST. LAWRENCE did not leave Pictou yesterday afternoon, owing to the storm. She left this morning and arrived here this afternoon about half-past two. She will leave on return to Pictou to-morrow morning at the usual time. Notwithstanding the storm, the Northumberland crossed over from Point du Chene yesterday and the mail reached to n in good time.

INDIAN SUMMER.

The summer wanes, And autumn days come on. But list! just on the confines of the open grave The Indian summer perches on the bier. A brief respite—but who can paint the business? Of every touch of nature in the last, still, solemn days? We dry our tears and think there yet is hope. Why, "every tree is glad" and "every heart is joy!" A tattered songster of a soon autumn gale Starts music ringing in the mournful grove. Surely, then, this is June again, And autumn is a truant in her wiles?

ALAS! the glory and the pride is gone— Tenderly on the bier lay summer's withered flowers! S. G. C.

Sheraton is Manager, the American guest is sure to find all things to his taste; and this hotel, by the way, is the most delightful of places to make one's headquarters while in Halifax. It is situated on the water front, and from it the gardens and parks and the citadel are easy of access."—Boston Transcript.

IMMIGRANTS FOR THE NORTHWEST.—One hundred and seven immigrants left last night on the Montreal express. With the exception of about twenty Arabs, who have been in Newfoundland and who are returning to their homes via New York, the immigrants are all bound for the Canadian Northwest and British Columbia. The greater number already have friends in these places and have come out to join them. They are nearly all English and arrived in Halifax Saturday on the steamer Oregon and Carthaginia. They were a fine looking set of men and were in possession of a large amount of baggage.—St. John Sun.

SOCIALLY.—A basket social and entertainment will be held in the hall at Kingston, Lot 31, on Wednesday, 29th Nov. The affair is in the hands of an energetic committee who promise a very enjoyable time to all attending. n21 dy w

The marriage took place at London on the 15th, of Lillias, only daughter of Sir Algernon Bolewick, to the Earl of Balfour. It was a great society affair and was attended by a large number of aristocrats. The bride wore a white satin dress trimmed with a tulle veil, fastened with a pearl and diamond brooch. She carried a bouquet of lilies of the valley and stephanotis. There were eight bridesmaids, who wore white silk dresses trimmed with pale blue velvet and mink. They carried bouquets of carnations.

J. E. Redmond is hedging already as regards his attitude towards the government, but even the latest addition of his ultimatum, if he keeps to it, must force him into the opposition. It is quite certain that Mr. Gladstone will not attempt to deal with the evicted tenants this session. It is equally certain that the proposal to release the dynamiters would break up the cabinet. These are Mr. Redmond's terms, however, and he has pledged his reputation that if they are rejected he will do his utmost to wreck the government.

FOR SICK HEADACHE, sour stomach, loathing of food, dyspepsia or biliousness, take Hawley's Liver Pills. They will cure you. Recommended by leading physicians as a most reliable medicine.

According to a late despatch from Kingston, N. Y., Ira, Krum, of Snyder Hollow, in the Catskills, died there last week, of starvation. The testimony taken by the coroner shows that Krum claimed to have frequent revelations from God. In one of these visions he said he was promised the power to walk upon water if he would fast 40 days. Then he prayed and began another fasting period of 15 days. During this time he died. Krum's last words to his brother, who is also a religious enthusiast, were: "Dick, I am going, but we will meet in the New Jerusalem, travelling in the golden streets." Krum left six young children without means of support.

BIRTH.—At Charlottetown, on the 17th inst., the wife of A. McNair, Chief Engineer of the SS Northumberland, of a son.

Don't You Think

That SANDERSON & CO'S. is about the best place in town to buy GROCERIES?

Think! My dear sir, I don't think at all; I know it for a fact. Just look here at the Bargains I got there last week:—5 lbs. choice Tea for \$1.10, and they have a brand there for 90c., good Tea, too; prime Porto Rico Molasses, 36c. a gallon; Porto Rico (Raw) Sugar, 5c. a pound; Raisins and Currants (new fruit), Candied Peels and Essences at the lowest prices you ever heard of. And, say, if you want some Choice Family Flour, they keep it good and cheap.

Well, well. That, I think, suits me better than any place I have heard of yet, and I will give them a trial anyhow.

TO-DAY Lewis Green Stevenson, only son of the Vice-President, becomes a benedict at Bloomington, Ill. The bride of his choice is Miss Helen L. Davis of that city. The Vice-President and Mrs. Stevenson grace with their presence the happy occasion which adds another branch to the family tree. Trees have branches and branches have trees, branching trees, and so has Stevenson.

A happy event, surely, but depend upon it his tailor had as much to do with the happy occasion as his bride. No doubt but even in Illinois you will find some who are pretty well up in the art, and must have made him presentable at least. Yes, the Star Tailor believes that right here we can so satisfy anybody and everybody, regardless of purchase or purpose, as well, if not better, than any other place in the Dominion. Why not? We have all the advantages necessary to improve in our calling. Why should we lag behind? Nay, verily. In everything we excel, and will continue, fortune favoring us, indefinitely. Our Leaders are being bought up rapidly in Suits and Overcoats, and would advise an early call. To secure the prompt filling of your order come without delay, or colds and headaches will be on your track.
