General Telegraphic News.

ALLENTOWN, Pa., March 24.—Executions for $135,000 were entered this afternoon against the Lehigh Iron Co. A stagnation of trade and the recent break in prices are the causes assigned for the embarrassment of the company.

CORK, March 24.—Joseph Joyce, a supporter of the Parnellite section of the Irish Parliamentary Party, was yesterday sentenced to be hanged for the murder of Patrick O'Leary, an anti-Parnellite. The only motive for the crime was the ill-feeling Joyce entertained against O'Leary because of his different political views.

CHARLESTON, W. Va., March 24.—Mrs. Marion S. Moore, aged 30, was arrested here last night on a charge of murdering her 13 year old daughter, who was found in the house two weeks ago with her throat cut. It is said Mrs. Moore was infatuated with a hired man in her husband's employ. The servant, however, paid no attention to her advances, but gave repeated evidence of his love for her daughter, and that is supposed to have led Mrs. Moore in her furious jealousy to kill her child.

GUAYAQUIL, Ecuador, March 24.—Marie Juneau, a French woman living on the outskirts of this city, gave birth yesterday to seven children, all perfect and healthy.

MONTREAL, March 24.—An agitation has been commenced among Montreal business men for a repeal of the tax which the Mercier government placed on the commercial corporations.

BERLIN, March 24.—Reichsanzeizer, the official organ of the government, says this evening, that Chancellor Von Caprivi, has been relieved of the functions of the presidency of the Prussian ministry but will retain the position of Prussian minister for foreign affairs. Count Von Eulenburg, grand marshal of the court, will succeed Gen. Von Caprivi as president of the ministry. Dr. Von Bosse has been appointed minister of ecclesiastical affairs, to succeed Count Von Zedlitz Trutzichler, who, while resigning that office retains the rank as Prussian minister.

MAKES FLESH AND BLOOD.—When the system is all run down and there seems to be no hope of obtaining nourishment for the body by the ordinary process of food supply and digestion, when the body is sinking fast, then is the time to use Miller's Emulsion of pure Norwegian Cod Liver Oil. It always works wonders, because it is a flesh and blood maker and contains all the constituents for nourishment found in wheat, in fact, Miller's Emulsion is a perfect "staff of life," and has saved and cured thousands. TESTIMONIAL.

DEAR SIR,—As there seems to be another endeavor on the part of some persons to drive Dr. Baynes into a corner and from the Island, I think it time for his friends to again come to his rescue and publish the benefits he has conferred upon them, so that others may know where to apply for like benefits. My case was of long standing, the result of a weak circulation, and baffled the combined skill of half a dozen Island doctors. I am pleased to bear testimony that if it had not been for the skill Dr. Baynes showed I would to-day be helpless. Before applying to him I was unable to sew or attend to my household duties. After the first week's treatment I saw a change and have steadily improved, till now I can perform my duties as well as ever. Yours, etc.,

H. W. C. GALBRAITH.

SCROFULA AND SALT RHEUM.

Dear Mr. Eagar.

I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparillas in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is past curing, and the patient was pronounced so by physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c.,

GENTLEMEN,—I have purposely delayed writing you, as I wished to give a thoroughly complete trial to the M. P. P. It affords me much pleasure now to give it my unqualified approval in the classes of cases in which I have used it: In Atonic Dyspepsia, in convalescence from Nervous Depression, and in cases where the stomach is irritable and rejects stronger forms of stimulants.
