

Local and Other Items.

CIVIC.—Regular monthly meeting of the City Council to-night.

THE BOARD OF TRADE met this evening to continue the discussion on the question of "Commercial Union."

TWO EVILS.—A medical paper says that smoking is a greater evil than chewing tobacco. Of two evils "chews" the least.

MILITARY. No. 2 Battery Garrison Artillery meets for drill to-morrow evening at 8 o'clock. A full attendance is earnestly requested.

FOOTBALL.—The football match on Thanksgiving Day, Dalhousie vs. Abegweit will be played at the Park. The ball to be kicked off at 2.30 sharp. A good game expected.

G. O. M.—"The Grand Old Mutual."—Mr. MacEachern, the Agent of the Mutual Life of New York, received to-day a cheque for \$1,300.00, for a policy just delivered.

DRILL PAY.—The Charlottetown Engineers are requested to meet at the Drill Shed on Wednesday evening at 8 o'clock to receive their drill pay. A full and prompt attendance is confidently expected.

THE SAME HERE.—Cold, wet rain yesterday.—Harvey Co., N. B., Observer, Nov. 12. Wet rain may possibly be something new in Harvey Co., but with us it is quite common—in fact, it is the kind we always get.

A TERRIBLE ATROCITY.—You can get the purse or want if you pursue the proper course and inspect the large and elegant assortment opened at the Diamond Bookstore to-day. Wall's is an awful pun, ain't it?

A SUGGESTION.—If glass panels were placed in the front porch doors of the Post Office, it would prevent the very many collisions at present taking place. The improvement could be easily made and would cost but little.

THE MIRANDA.—The Red Cross Line steamer Miranda arrived here from Souris yesterday afternoon en route to New York via Halifax and is now loading potatoes at Connelly's Wharf. She will sail as soon as her cargo is completed.

FREE OF CHARGE.—If it does not cure, Adanson's Cough Balsam at all drug stores. Owing to its perfect harmony in combination, it is the very best mixture for the speedy cure and relief of croup, colds, throat or lung diseases. Large bottles 35 cents. Trial size 10 cents.

MONSIEURS HONOURED.—Rev. Messrs. Hogg, Crisp and Hinson have been invited by the Executive Temperance Committee of Charlottetown to address a public meeting of the electors of that city, on the eve of the Scott Act election, Nov. 22 or 23.—Transcript.

THE M. A. STARR DELAYED.—The steamer M. A. Starr, which left this port at midnight on Monday last, did not reach Halifax, owing to rough weather, until Saturday evening at nine o'clock. She sails for Charlottetown at seven o'clock to-morrow morning and will be due here on Thursday.

STIPENDIARY MAGISTRATE'S COURT.—At the Stipendiary Magistrate's Court this forenoon one drunk was fined \$1 or 4 days, and another of the same kind was fined \$2 or 8 days. A colored man who allowed a nuisance in the shape of a pile of manure to remain on his premises, was given ten days in which to have it removed, and was fined \$5 besides.

WEEK OF PRAYER.—Service this evening in the Y. M. C. A. Hall, commencing at 8 o'clock. Subject, "Victory Depends on Prayer as Much as on Activity." Ex. 17, 8-13; Matt. 26, 41. Addresses by Rev. J. Shenton and Rev. J. Weston-Jones. Every member of the Association should endeavor to attend, and secure the presence of all young men of his acquaintance, whether members of the Association or otherwise.

CONSUMPTION CURE would be a truthful name to give to Dr. Pierce's golden medical discovery, the most efficacious medicine yet discovered for arresting the early development of pulmonary disease. But consumption can be cured only by the use of this medicine, and its influence and usefulness. In all the many diseases which spring from an early derangement of the liver and blood the discovery is a safe and sure specific. Of all druggists.

WELL DONE!—The Tug William Aitken, Hobbs master, arrived yesterday from Pictou with the large Iris in tow. The barge is loaded with 300 tons of coal for Mr. C. Lyons. This fine tug has moved the Dominion Dredge George McKenzie and scows from Chlotcamp, C. B., to the Straits of Canso; also, four scows of the lost Dredge Cape Breton from Wallace to Pictou, during the very stormy weather of this month. Batt Brothers are to be congratulated on being able to draw business from other sources besides this Province.

BOSTON COMEDY COMPANY.—The matinee on Saturday afternoon was fairly well attended, and "Under the Gaslight" was well played. In the evening, "The Little Detective" was put upon the boards, and was well received. Miss Edwina Grey, as "Florence Langton," the little detective, gave five different impersonations, each and all of which were capitally acted. Mr. Farish's "Barry Mallinson" was a finished impersonation of that somewhat repulsive character, and Mr. Mills as "Tracey," the Bow Street officer, ably sustained his reputation. Mr. Webber's "Lodovic Stuyvesant," a German sharper, and Mr. Beddell's "Phobus Rockaway," a pickpocket, kept the audience in a continuous roar by their funny sayings and doings. Mrs. Hillman, Miss Hillman and the remainder of the cast also did well. To-night the ever-popular "Octoroon" will be presented, when we expect to see a full house.

PERSONAL.—The Earl of Craven and Rev. W. J. Stewart, his tutor, are in Quebec. Hon. David Laird returned home on Saturday night. Tenders for the construction of the waterworks are already coming in. Capt. Hickey, of the firm of Hickey & Stewart who has been down South for the past four weeks, selecting his winter's stock of tobacco leaf, arrived home on Saturday night. He gives a glowing account of the climate and crops of Kentucky, and says that business of all kinds is booming there. We are glad to see the Capt. looking so well after his long journey.

Mr. McKenna, the champion billiardist left this morning for Bangor, consequently the free exhibition talked of so freely will not take place this evening. There are many now who are sorry they did not attend at the Old London Billiard Hall and witness the champion's wonderful performance. The Gloucester, Mass., Advertiser says Mr. Daniel McDonald, of East Point, P. E. I., is visiting his daughter, Mrs. Nell McPhee.

TELEGRAPHIC NEWS.

HALDIMAND ELECTION.

A Government Victory.

DR. MONTAGUE ELECTED.

OTTAWA, Nov. 13. Dr. Montague, the Conservative candidate, was elected in Haldimand on Saturday, his majority being seventeen over the Grit candidate, Mr. Colter. The Grits made a supreme effort to redeem the County. The leading lights of Ontario and even Mr. Laurier himself stumped the County, whereas Dr. Montague fought the battle almost single handed. Haldimand never elected a Conservative before this year; and under all the circumstances the victory is regarded as one of the greatest triumphs ever scored by any party in Canada.

GREAT RIOT! FIGHTING IN LONDON.

LONDON, Nov. 13. The scene in Trafalgar Square to-day was not unequalled since 1896, when the people, asserting the right to public meetings, destroyed the railings around Hyde Park. Four thousand policemen took possession of the approaches to the Square early to-day. They had been on the ground a short time, when various societies of Socialists, Radicals and Irish approached from every direction, headed by bands, carrying banners. The police attacked and dispersed each group as it arrived. A fierce fight took place in the Strand and Northernbank Avenue, White Pall, Pall Mall and other adjacent streets. One society succeeded in entering the Square, but were repulsed after a bloody fight in which Commissioner Graham was seriously injured. Graham was subsequently arrested for attacking the police. At 4.30 p. m., the people in the vicinity of the Square numbered 100,000, and the police were powerless to disperse them, so cavalry and infantry were summoned to the assistance of the police. The people began to disperse about dusk. About 200 citizens and 40 policemen were injured, and fifty persons were arrested.

INJUNCTION SUITS.

Judgment in Favor of the Dominion Government.

OTTAWA, Nov. 13. A telegram from Winnipeg states that the Dominion Government injunction suits were argued to-day, and that judgment was given by Judge Killam in favor of the Dominion Government on all points raised.

Trouble Among Miners.

LYNCHBURG, Nov. 13. Trouble exists at the mines near Pochontas, Taswell County. The miners of American birth, white and colored, demanded that the Hungarian miners be sent away. The company refused, and yesterday the Hungarians were prevented from entering the mines, after a bloody encounter with the native workers. Work in the mines is suspended. Several men on each side were severely hurt in the affray. The local authorities have sworn in a large force of deputy constables and intend to preserve peace at all hazards.

Anarchists Dead and Buried.

CHICAGO, Nov. 13. The final obsequies over the five dead Anarchists was observed to-day. The procession was over one mile long, which escorted the remains to the depot. Everything was orderly. The three trains, making a total of forty cars, was packed to suffocation, which bore the remains and friends to the cemetery, on the outskirts of the city. The remains were temporarily placed in a vault.

Weather Bulletin.

TORONTO, Nov. 14—10 a.m. Moderate north-west and south-west winds; fine; stationary or higher temperature.

Billiards.

On Saturday evening Mr. McKenna gave his third and final exhibition at the Old London Billiard Hall. Mr. McKenna, who has during his stay in this city, been suffering from a very severe cold, did not appear to as good advantage as he otherwise would have done, nevertheless his several performances here have placed him, in the minds of those who witnessed the masterly manner in which he handled the cue and the perfect control he had over the balls as a player of the first rank, and fully entitled to the high and coveted position to which he lays claim, that of champion straight-line player of the world. Those who did not see Mr. McKenna play will always regret it, as such an exhibition may never be given again. Mr. McKenna, after having defeated his opponent in straight play, commenced the balk-line game against his opponent's straight play, the game consisting of 250 points, and when the game was called the score stood 250 to 84. After the game he gave his usual exhibition of fancy shots. It was then that the excitement was at its highest pitch, and applause after applause greeted the champion as each shot was made. The champion's courteous and gentlemanly manner has won for him the esteem of all who had the pleasure of his acquaintance, and especially those who witnessed his performances.

CHARLOTTETOWN Water Works.

SEALED TENDERS,

ADDRESSED to the undersigned, and endorsed "Proposals for Construction of Water Works," "Proposals for Water Pipes," &c., as the case may be, will be received at this office until noon on

Tuesday, the 29th Nov.,

instant, as follows:— (a) For what amount the work will be constructed, to be owned by the City, the offers to be made in accordance with conditions as to security and otherwise contained in forms of Proposal and Specifications and Plans to be seen at the Office of the Water Commissioners for the City of Charlottetown, Prince Edward Island, or at the office of their Engineer, M. M. Tidd, Esq., 10 Tremont Street, Boston, Mass., after the 7th instant for the cast iron pipes and pipe laying; and after the 14th instant for the balance of the specifications and plans, which will include reservoirs, Gates and Hydrants, excepting those for the pumping station, which will be ready on the 25th instant. Builders may offer for the whole work or for the separate parts indicated in the forms of Proposal, but those offering for the whole work will be required to fill up and sign each of the said forms; or (b) For what annual subsidy a private company will supply the said City for fire purposes and for watering the streets with eighty frost-proof hydrants, having a pressure sufficient to throw water to a height of at least sixty feet in every part of the City, and the annual rate for each additional hydrant which the said City may from time to time require; as also the maximum annual rate per faucet at which the company will supply water to citizens for private use, each tender to expressly stipulate that the water will be taken from the sources, and the whole work to be done according to the specifications and plans referred to in paragraph (a); or (c) For what amount the work will be constructed to be owned by the City; or for what annual subsidy a private company will supply the said City for fire purposes and private use as mentioned in paragraph (b); the bidder to name his source of water supply, and accompany his tender with plans and specifications. Each tender under paragraphs (b) and (c) must be accompanied by an accepted bank cheque, payable to the order of the Water Commissioners for the City of Charlottetown for the sum of Five Thousand Dollars. This cheque will be forfeited if the party decline the contract, or fail to complete the work contracted for, and will be returned in case of non-acceptance of tender. The Water Commissioners do not bind themselves to accept the lowest or any tender. DAVID LAIRD, Chairman. Water Commissioners' Office, Charlottetown, Prince Edward Island, November 7, 1887. nov7 2aw 11 date
