

SATURDAY

The U.P.E.I. Winter Carnival Committee has once again decided that the annual UPEI Car Rally will be held in conjunction with this year's activities. For those who didn't have any plans for Saturday, Jan. 28 (and don't make any because you may not make it back), this event will give you a chance to demonstrate all the skills and nerve of car driving. The "winner" in '76 decided to take the scenic route and came in 3 days late. Of course the P.E.I.L.C.C. may have had something to do with it, but in any case it was a good time for all. A keen interest by various entries has already been demonstrated and it looks like there will be a large field. The race begins on Saturday, Jan. 28 at 10am and will go rain or shine. Once again let's get those "hot" cars tuned up and find yourself a navigator. Entry forms are posted at the Student Union Offices and have to be filled out by Friday noon.
