\$500 REWARD

is offered by the manufacturer of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acid, at others, thick, tenacious, mucous, purulent, bloody and putrid, the eyes weak, watery, and inflamed; there is ringing in the ears, deafness, heaving or coughing to clear the throat, extraction of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sense of dizziness and mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Ago," from Catarrh.

Prof. W. HAUSER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician, after trying all the usual remedies, said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would last for hours. In three months, I was cured by Dr. Sage's Catarrh Remedy, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., 2907 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months I could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now in existence, and one which to give it a fair trial to experience attending results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, Ruymer P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."

MANHOOD

How Lost, How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay

on the radical cure of Spermatorrhoea or incapacity induced by excess or early indiscretion.

The celebrated author in this admirable essay, clearly demonstrates from a thirty years successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of every youth and every man in the land.
