However they shall be eligible to vote for and be elected to the position of Council Chairman earlier.

6) President, Vice-President, and Treasurer shall be paid \$1000 each and the Council Chairmen shall receive an honorarium of approximately \$400

Please Note:

7) If you are running for Arts or Science representative, note that two Arts students and one Science student shall sit on the Academic Council and four Arts

Students and two Science students shall sit on the Business Council. The Education representative shall automatically be a member of the Academic Council.

There will be a general information meeting of the Student Union on Wednesday, February 4th at 7:30 in Duffy Amphitheatre. The purpose of this meeting is to discuss these proposed changes in the structure of Council and their effect on the upcoming elections.

This meeting is of extr-

eme importance to all those who are planning to run for positions on the '76-77 student's Council.

This decision will have a major effect on the make-up

of Student's Council and its decision-making power. All students should be aware of the changes and voice their opinions. Be at Duffy at 7:30 on Wednesday evening.

has queen and another heart, a heart lead by you will ensure a two trick-set. But wait a minute. Are you sure declarer's queen of clubs was a singleton?

With queen and another it would cost him nothing to play the queen in the hope of inducing a miscount. Even if declarer has no more clubs, a club lead cannot give him the sla, and that is your only pro-

per return.

Needed: Examinations Evaluation

The Examinations and Evaluations Committee is currently conducting a review of the grading system employed at U.P.E.I. and would appreciate the co-operation of students in gaining some kind of consensus on this matter. You can put in your two cents' worth by filling out this short questionnaire and dropping it in the box provided in the library.

Should there be incompletes? Why or why not?

How long should students be given to complete course work;

- a) 1 month after the end of classes
- b) 2 months after the end of classes
- c) indefinite period of time
- d) other

Should there be academic dismissal based on:

- a) the percentage of courses failed
- b) the percentage of courses not completed
- c) other

Do you wish to see a major review of evaluation procedures at U.P.E.I. Why or why not?
