Extract of Sarsaparilla.

[THE WONDER AND BLESSING OF THE AGE.]

The most Extraordinary Medicine in the World!

THIS EXTRACT IS PUT UP IN QUART BOTTLES; IT IS SIX TIMES CHEAPER, PLEASANTER, AND WARRANTED SUPERIOR TO ANY SOLD. IT CURES WITHOUT VOMITING, PURGING, SICENING OR TINGEBLIT THE PATIENT.

The great beauty of the superiority of this Sarsaparilla over all other Medicines is that while it eradicates the Disease, it Invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known. It not only Purifies the Whole System and Strengthens the Person, but

CREATES NEW, PURE AND RICH BLOOD!

a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the last three years more than 150,000 cures of severe Cases of Diseases; at least 20,000 were considered incurable. It has saved the lives of more than 15,000 Children during the three past seasons.

GREAT BLESSING TO MOTHERS AND CHILDREN.

It is the safest and most effectual medicine for purifying the system and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon child-birth—in Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation, it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, or Magnesia, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

Coxsackie, Sept. 29, 1848.

DR. TOWNSEND.—To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement under the most alarming and delicate circumstances, being troubled with the dropsy and swelling of the feet, nervous affections, and very much debilitated; with my persuasion and the recommendation of those who have used it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in the hours of confinement, but after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you, or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedt. and obliged servt. S. S. JAMIESON.

3,000 CASES OF CHRONIC RHEUMATISM.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes gives temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

2,500 CASES OF DYSPEPSIA.

No fluid or medicine has ever been discovered which so nearly resembles the gastric juice or saliva, in decomposing food, and strengthens the organs of digestion, as this preparation of Sarsaparilla. It positively cures every case of Dyspepsia, however severe or chronic. If any doubt this assertion, we can furnish the testimony of some of the most respectable gentlemen in the United States, who have been perfectly cured.

10,000 CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

It invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by the use of this pleasant remedy.

This Sarsaparilla is far superior to any

INVIGORATING CORDIAL.

as it renews and invigorates the system, gives activity to the limbs, and strengthens the muscular system in a most extraordinary degree.

7,000 CASES OF FEMALE COMPLAINTS.

This is, without dispute, the best medicine for the various and peculiar complaints, ever offered to the public. It is never injurious, and always beneficial, especially to nervous, debilitated, and delicate Females. It quickens the circulation of the Blood, infuses it in the extremities, and creates new blood and life in the most noble and prostrated. No female in delicate health, old or young, or middle-aged, should neglect to take it.

4,000 CASES OF CONSUMPTION.

Bronchitis, Consumption, Liver Complaint, Colds, Coughs, Catarrh, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured. Dr. Townsend has the most indisputable testimony of thousands of severe cases of Consumption that his Sarsaparilla has cured.

HALIFAX, N. S., May 13.

MR. SAMUEL STORY, 3rd,

Agent for S. P. Townsend's Sarsaparilla,

SIR,—Having been afflicted for the last 12 months, with an affection on the Lungs, which prevented me attending to my work as well as I could wish, during which time I was under three Doctors' hands, and must say I derived no benefit whatever, and began to despair of ever getting better. I was induced to try S. P. Townsend's Sarsaparilla, that you are agent for, by seeing it advertised, and after using two bottles found immediate relief, and am now able to attend to my work as usual, I sincerely believe it has been the means of restoring me. I have also been afflicted with the Piles for the last seven years, and when I began using your valuable Sarsaparilla to my astonishment I was cured.
