

Local and Other Items.

REGULAR MEETING OF Victoria Division this evening at 8 o'clock.

IMMIGRANTS.—Winnipeg advices state that during the month of April 455 immigrants arrived at that port.

LAND SOLD.—It is authoritatively stated that the Canadian Pacific Railway sold 50,000 more acres of land during April than in all 1887.

SUMMER TRAVEL.—The Agriculturist reports that travel by the Summerside-Point du Chene route is already assuming large proportions both ways.

APPROPRIATE.—An Alabama paper says that a farmer at that place has named one of his hogs Maud because she comes into the garden so much.

S. E. B. C.—The fourth annual meeting of the South End Boating Club will take place this evening at 7 o'clock. A full attendance of members is requested as matters of importance will be discussed.

DISMISSED.—The case of Fredk. McLean, charged with stealing a horse from his brother, came up for hearing before Messrs. Heard and Mellish, J. P.'s., this forenoon, and was dismissed.

THE LOSS.—It is said that the loss in rolling stock to the Grand Trunk, by the recent accident, will be nearly \$60,000. The sleepers cost \$16,000 each, the coaches \$6,000, and the engines \$9,000, besides the injury to the tank and roadbed.

FOOTBALL.—The semi-annual meeting of the Abegweit football club will be held in the parlour of the Y. M. C. A. to-morrow evening, at 8 o'clock. A full attendance is requested. Any persons wishing to become members of this club, can do so by coming to the meeting.

EIGHT INCHES OF HAIL.—A fearful storm visited Warsaw, N. C., on Friday last. Hail accompanied the wind and fell to the depth of eight inches in 30 seconds. The Presbyterian church was demolished, a number of houses and many barns destroyed and not one whole chimney left in the town. The strawberry crops were destroyed. Several people were injured by flying timbers.

GOOD COLTS PAY.—The following paragraph is going the rounds of the press. Mr. Henry Townsend, of Brookside Stock Farm, New Glasgow, N. S., has sold in a short time the following horses: Lucy Merrick, by All Right, for \$400; Al Slipp, by Melbourne King, dam Lizzie Jackson, for \$500; Heck, a full brother of Al Slipp, for \$500; Ben Bolt, by Potentate, dam Bertha, by Daniel Lambert, for \$500; and Frank, by Potentate, for \$200. Total for these five \$2100. It may also be stated that Al Slipp has since been sold for \$2000. Mr. Townsend has at his farm some thousands of dollars worth of stock.

SPLENDID WORK.—Lieut. Charles Leigh, jr., who returned home on Saturday, showed THE EXAMINER'S reporter three photographs of the work done by the officers and sappers at Kingston. One of the photographs represents a pontoon raft, another a bridge 102 feet in length, and the third a section of the same bridge. The Island contingent—Messrs. Leigh, Winchester and Houston—assisted in the building of the bridge, and their likenesses are very good. The pontoon raft was built by the officers, and Lieut. Leigh's physiognomy shows to advantage in the picture taken thereof. Lieut. Leigh speaks very highly of the manner in which he and the other Islanders were treated by Major Davison.

Personal.

Mr. Geo. F. Owen, Cardigan, was in the city to-day.

Despatches from South Africa announce the death there from fever of Lord Walter Campbell, third son of the Duke of Argyll, and brother of the Marquis of Lorne. He was 41 years old.

An Ottawa despatch says that Sir John Macdonald is to sail for England on the 23rd of May, to confer with the Imperial Government in regard to the Behring Sea and fisheries matters.

Lieut. Charles Leigh, jr., returned home on Saturday evening from Kingston, where he has been taking a course in engineering at the Royal Military College. Sappers Winchester and Houston are expected home to-morrow evening. All three passed highly creditable examinations.

The youngest Mayor in Massachusetts is Mayor Champlin, of Chelsea, Mass. He is editor of the Chelsea Gazette, is 26 years of age, and was a reporter on the Boston Globe when he was but 14 years old. He was elected for a councilman when he was 20 years old; held that office until January last, when he was elected Mayor by a majority of 1100 votes over Wm. Walker. His aged father had the honor of swearing his son into office.

During the twenty years Mr. and Mrs. Geo. W. Childs have occupied their residence in Philadelphia they have entertained in it some of the most notable men in the country, and most of the distinguished strangers who have found their way here. An Emperor and Empress, lords and ladies, princes and poets have slept within its walls and partaken of its generous and unaffected hospitality. Nearly every one has left some memorial, and there are portraits of the Emperor and Empress of Brazil, Longfellow, who, with his wife and daughter, spent three weeks with Mr. Childs, Dean Stanley, Dr. Holmes, Lord Houghton, Generals, Grant, Sherman and Sheridan, Ralph Waldo Emerson, Charles Kingsley, Matthew Arnold, Canon Farrar, and other notable, many of them with some accompanying sentiment of friendship and regard.

The small boy is nothing if not progressive. A few days a fond mother noticed that her little six-year-old son visited a particular corner in the garden quite often, and watched his movements. Going to where he was stooping one day, she saw him examining a feather he had pulled out of the ground to see if it had sprouted. His mother inquired his object in planting the quill, when the youngster replied: "Hum, I guess I'm going to raise chickens as well as anybody."

Mr. C. I. Morrison has obtained another large instalment of the excellent washing machines for which he is agent.

SPECIAL DESPATCHES TO THE EXAMINER

Fired a Blank Cartridge.

PARIS, May 5. A man who gives his name as Perrin and says he is a marine storekeeper, fired a blank cartridge at President Carnot to-day, when the latter was leaving the Elysee palace to attend the centenary celebration at Versailles. Perrin was arrested and taken to a police station.

Upon reaching Versailles the President inaugurated the memorial tablet affixed to the building, in which the States General met 100 years ago to-day. The President and escort then repaired to the Hall of the Mirrors in the Palace where LeRoyer delivered an address of welcome to the President. President Carnot made a speech which was received with fervid applause. At the conclusion of the address the Presidential party proceeded to the Gallery of Battles where they took luncheon. They afterwards went to the park where they participated in the ceremonies attending the inauguration of the recently restored fountains. The President received a most enthusiastic welcome. The weather was fine and the spectacle presented brilliant. At six the President and party started on their return to Paris. Despatches from the principal towns in France show the day was observed with the greatest vivacity and enthusiasm.

Sad Drowning Accident.

ST. ANDREW'S, N. B., May 5. Henry M. Alesnan and his son, John Isiah Flynn, and his nephew, Clementson Flynn, Henry Burns and Thomas Anderson left here in a sloop at 2 p. m. on Saturday, bound for their homes at Digdigewatch. About 3 p. m., a man named Holt, from Cocobee, saw the sloop, while off the north-eastern end of Hardwood Island, in St. Andrew's Bay, suddenly career over and sink. Holt jumped into his boat and pulled to the rescue, but when he reached the place, about a mile from where he started, found only a barrel of flour, an oar and four hats floating on the water. The occupants of the sloop were drowned.

A Maniac's Bloody Work.

CHICAGO, May 5. Wm. Dancor, of this city, a machinist by trade, 26 years of age, became suddenly insane while in bed at 3 o'clock this morning, and a desperate struggle with his wife ensued. He seized their six months old baby from the crib, dashed its brains out against the wall, and then seized a butcher's knife and tried to murder his wife, who eluded him and fled to the street. Dancor slashed his own throat with the knife, and when the police arrived was walking to and fro with a terrible gash in his neck, from which the blood was streaming. The murderer was taken to the hospital for treatment and is still alive.

Great Commotion.

MONTREAL, May 4. There is great commotion in political circles over the recent denunciation of Premier Mercier by the President of the Club National in the Toronto Empire's Montreal correspondence. Laurier and Mercier were closeted to-day over the matter, and it is said that Lebeuf is to be called upon to explain and resign. It is believed, however, that the club will stand by its President.

Internal Troubles.

QUEBEC, May 4. LeLecteur, the Government organ, denies that Mercier will go to Europe this summer. This is believed to mean that internal troubles in the party will compel the leader to postpone his continental tour.

Hon. D. Hanington Dead.

SHEBAC, May 5. Hon. Daniel Hanington, ex-President of the Legislative Council, died this afternoon in the eighty-sixth year of his age. His funeral will take place on Wednesday at 3.30 p. m.

New Steamer.

OWEN SOUND, May 5. The Canadian Pacific S. S. Manitoba, replacing the Algoma, was launched here to-day successfully. This splendid ship is the first steel steamer launched in Canadian waters. She will be a companion boat to the Alberta and Arthabasca.

Here We Are Again!

McLEOD & MCKENZIE,

STAR MERCHANT TAILORS,

The Original and Peerless Artists of Our Day.

THE ABOVE HAS BEEN A SETTLED FACT FOR YEARS, and to keep before the public what is so well known to every good dresser in this Province, may seem superfluous. But as a good dinner tends to give a quietus to the disturbing influences within the inner man, so a thorough knowledge of our capabilities will give a quietus to anyone who may have had the good fortune of being dressed by us. The sun rises and sets, and it appears to the ordinary judgment that the sun revolves around the earth instead of the earth revolving around the sun; so we, through the immense strides we have taken in our art, would appear to the uneducated to be moving around our many friends, instead of they moving around us; like the sun imparts its warm rays to revive drooping nature, so we are the benefactors of our people, by aiming high and attaining to a STYLE and FINISH in our Garments, which cannot but commend us as the MERCHANT TAILORING PHILANTHROPISTS of our day.

Are you anxious to test the foregoing? Come in, then, and see our line of Goods, which are superior, in every sense of the word, and we will fit you out with a Suit which will doubtless draw the loving remark from your best girl that she has "the best dressed young man in town." Call early, if you must have it before 1st July.
