## WOMEN'S INTRAMURALS

WOMENS INTRAMURALS By Shelly Pepler

Well, here we are again. After a long lay-off, filled with turkey dinners, mincemeat pies, plum puddings and numerous other goodies, it's time to once again start thinking of our "waste-lines". It's time to get ourselves involved in intramurals again. According to Participaction Canada we should be getting some kind of physical activity at least three times a week. Subtract one Thursday night (Pig and Whistle) and you have two nights left in which you should be getting some physical exercise. And we have the perfect solution for you. On Wednesday nights at 7:30 and 8:30 there is intramural basketball and on Tuesday nights at 6 pm and Wednesday nights at 6 pm there is broomball. Hopefully second semester will be the best semester yet for intramurals. Try to put these times aside to play these games. After all, besides being fun - it's good for you. And what's good for you can't be all that bad, can it? See you on Tuesday night....

PREDICTIONS OF THE WEEK: Pittsburg to add another major pro sports championship to their list in a couple of weeks
