

### Stead - Hickox Wedding

The Rev. W. A. Harper officiated at a pretty wedding in the Baptist Parsonage, Summerside, on Wednesday, July 11th, 1951, at 6:30 in the afternoon, when Hilda Sophia, daughter of Mr. and Mrs. Daniel Hickox, Burlington, became the wife of John Alfred, son of Mr. and Mrs. Nelson Stead, Hunter River.

The bride was charmingly gowned in ice blue nylon marquisette over tulle and wore a white hat and other accessories to match. Her corsage was of pink roses. The couple was unattended.

Following the ceremony, a reception was held at the home of the bride's parents for approximately 50 invited guests, when a buffet supper was served.

Mrs. Ernest White, aunt of the bride, poured. Tall white lighted tapers in crystal candelabras flanked a beautifully decorated three tier bride's cake, topped with a miniature bride and groom, on the tea table, over which hung a large wedding bell from which radiated white streamers. Bowls of roses and vases of multicolored summer flowers were everywhere about the rooms.

Assisting in serving were Misses Betty MacLeod, Ruth Profit and Laura MacKay, Mrs. Boyd Weeks, Mrs. Layton Profit, Mrs. Lloyd Stead, Mrs. Lester Johnson and Mrs. Richard Smith.

Replenishing were Mrs. H. Craswell, Mrs. Lloyd MacLeod, Mrs. Arthur MacLeod and Mrs. Nelson Paynter.

A beautifully decorated wedding cake was cut in traditional manner by the bride and groom and passed to the guests.

The bride's mother was attractively gowned in blue printed silk, while the groom's mother chose a becoming costume in moss green crepe, with which she wore a silver fox fur. Both wore corsages of roses.

Friends and well wishers many of them from the Hunter River area, arrived during the evening to add to the gaiety of the occasion, and to offer felicitations to the popular young couple.

Among the many handsome gifts received were electrical appliances, a set of dishes, all-wool blankets, end tables, kitchenware, glassware and an appreciable sum of money.

Mr. and Mrs. Stead left on a honeymoon trip to visit points of interest in Nova Scotia and New Brunswick. They will make their home in Wheatley River, where the groom is successfully engaged in farming.

**C. W. L. Meeting At Kinkora**

The annual meeting of the Kinkora sub-division of the Catholic Women's League was held with a good attendance of members present.

The president Mrs. Henry Trainor occupied the chair. The meeting opened with the League Prayer by the Reverend director, Father McQuaid. The secretary, Mrs. Ralph McCarville, read the minutes of the previous meeting, as well as the minutes of the last annual meeting, which were approved as read, as was the report of the treasurer Mrs. Vernon McCarville. Correspondence read included several letters from national officers and conveners.

The president in her splendid address reviewed the activities of the past year. She thanked the members for their generous cooperation which had made possible the success of all undertakings and asked for the same loyal support for her successor.

Full reports of the conveners of committees were given, covering the work accomplished during the year. The secretary's report was comprehensive, showing in detail the various activities of the League.

The treasurer reported a substantial sum of money raised during the year. Card parties were held in the homes, realizing the sum of \$520.00.

The Reverend director thanked the members and retiring officers for the wonderful work they had achieved during the year, and urged them to continue.

Mrs. Stephen Johnston was convener of elections, assisted by Mrs. John R. McCabe and Mrs. Earl Duffy.

The election of officers resulted as follows:— President—Mrs. Vernon McCarville. 1st Vice-president—Mrs. Henry Trainor. 2nd Vice-president—Mrs. Earl Duffy. 3rd Vice-president—Mrs. Maurice Berrigan. Secretary—Mrs. Ralph McCarville. Treasurer—Mrs. John R. McCabe.

**North Rustico Swimming And Water Safety Classes**

Mr. Edward Gallant, Swimming and Water Safety Instructor at North Rustico presented four large classes for Red Cross tests at North Rustico Beach on Monday afternoon. Mr. Terrence Blaculiere is assistant instructor for these classes.

Swimming and Water Safety awards will be presented by Rev. Father Eric Robin to the following candidates who were successful in the various tests:— Junior: Anita Johnston, Amy Johnston, Charles Gallant, Walter Gallant, Mary Gallant, Norbert Peters, Kevin Gauthier, Leonard Gallant, Marcellus Gauthier, Elizabeth Gauthier, Regis Peters, Oswald Gallant, Patsy Pineau, Terrence Gallant, Grace Gallant, Frances Rose Gallant, Ann Gauthier, Intermediate: St. Clair Gallant, Helen Gauthier, Eunice Gallant, Mary G. Gallant, Norman Gallant, Aurelia Gauthier, Hazel Dolron, Vernon Peters. Senior: Albertus Gauthier, Aris Peters, James Gallant, Phyllis

### Visit To Canada European Air Cadets

OTTAWA, July 26 — A completely new phase in the Canadian-sponsored International Air Cadet exchange scheme will be inaugurated when an R. C. A. F. North Star lands at Dorval Airport on August 5th bringing 29 European Air Cadets to Canada. On board will be 25 British Air Training Corps cadets along with four air-minded youngsters representing the Cadet organizations of Norway, Sweden, Holland and Denmark.

The youthful goodwill ambassadors are slated to tour Ontario and Quebec for three weeks as special guests of the Air Cadet League and R. C. A. F. Their first stop will be R. C. A. F. Station, Aylmer, where they will participate in an International Air Cadet Training Forum which will also be attended by visiting cadets of the U.S. Civil Air Patrol. Purpose of the two-day forum is to study aviation youth training organizations in the various countries represented.

On August 9th the European lads will join forces with 25 U.S. Cadets for an outing in the Niagara Falls and Queenston area. This will be followed by a free day at the Air Cadet Summer Camp, Aylmer, after which the European group will travel to Saratoga by bus to be the week-end guests of Canadian families. Here they will visit the Polymer Plant, attend a civic dinner, a dance and enjoy an afternoon river cruise and evening beach party.

On August 13th the overseas youngsters will head for the great cut-of-doors, moving north by air and road to a special campsite at Lake-of-Two-Rivers in Algonquin Park. The following two days will be spent in typical Canadian summer fashion, with plenty of opportunity for swimming, boating, fishing and other outdoor sports. The lads will break camp on August 16th, driving to Ottawa for a brief sightseeing tour of the Canadian capital. They will fly to Montreal the same evening for the final few days of their stay in Canada.

The Montreal entertainment will include a tour of the Canadair Aircraft plant, an afternoon of shopping at "Eaton's" and a reception at the Chalet on Mount Royal as guests of Mayor Camille Houde. Saturday, August 18th will be a red letter day for the young airmen as they enjoy a Laurentian outing at the summer home of C. Douglas Taylor, Ste. Agathe. Mr. Taylor, who is honorary president of the Air Cadet League, has played a prominent part in originating and developing the exchange visits programme.

On Sunday, August 19th, the much travelled youngsters will rest up in preparation for the return flight over the Atlantic. The R. C. A. F. North Star leaves Dorval on the morning of August 20th and arrives at London Airport the following afternoon. The trans-Atlantic flight includes stops at Goose Bay and Iceland.

**Many Visitors To Historic Chamber**

According to all indications July 1951 is going to be the greatest month for visitors to the historic Confederation Chamber has ever seen. Only those who have registered in the Visitors' Book can be counted, but already there are as many this month as there were for the entire month of July last year.

Their names have filled 59 pages of the book up to yesterday, and that means approximately 1500 visitors. They come from all 10 of the Canadian Provinces and 26 of the United States. There were also several callers from England, Scotland as well as one from Switzerland.

The many visitors from the United States who appear genuinely interested in the Birthplace of Canada came from all sections of the country. Among the States they represent are Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Pennsylvania, Maryland, Ohio, Indiana, Illinois, Wisconsin, Missouri, South Carolina, Alabama, North Dakota, Wisconsin, Iowa, Kansas, Nebraska, Texas, Florida and California.

Gallant, Bernadine Gauthier, Robert Gallant, Maynard Gallant, Pius Gallant, Patricia Gauthier, Pius Gallant.

**There Ought To Be A Law**

ON ONION SOUP! MY FAVORITE! I'LL TAKE THAT INSTEAD OF THE CHICKEN GUMBO. WILL YOU TAKE IT OUT, PLEASE? IT'S IN THE BOTTOM OF THE BAG!

**By Fagaly and Shorten**

Mr. Edward Gallant, Swimming and Water Safety Instructor at North Rustico presented four large classes for Red Cross tests at North Rustico Beach on Monday afternoon. Mr. Terrence Blaculiere is assistant instructor for these classes.

Swimming and Water Safety awards will be presented by Rev. Father Eric Robin to the following candidates who were successful in the various tests:— Junior: Anita Johnston, Amy Johnston, Charles Gallant, Walter Gallant, Mary Gallant, Norbert Peters, Kevin Gauthier, Leonard Gallant, Marcellus Gauthier, Elizabeth Gauthier, Regis Peters, Oswald Gallant, Patsy Pineau, Terrence Gallant, Grace Gallant, Frances Rose Gallant, Ann Gauthier, Intermediate: St. Clair Gallant, Helen Gauthier, Eunice Gallant, Mary G. ## Among The Farmers Federation Of Agriculture News

**Home Spun Crop Report**

This week has provided ideal weather for the harvesting of the bumper hay crop, on most farms having is well under way and some early birds have completed the job. Other farmers, beset by labor troubles, pressure of other work, perhaps watching the moon too closely have not started, it appears that a substantial amount of hay will not be saved this year, this may be good for the land but the hay crop should be turned out to cash via the medium of livestock.

Grain fields range all the way from extra good to poor, in general the early grain is promising, particularly in sod land. Late grain in low fields does not look too good. Potato planting extended over a long period and the early fields are in general good, the later fields if struck by blight could be quite disappointing.

Prospects are for light crop of small fruit and apples. The apple trees in most farm orchards are severely affected by scab which has caused the browning and withering of the leaves. Wild fruit such as raspberries and blueberries will not be up to the mark, depending on when and where you look it might be the best of times or the worst of times the age of plenty or the age of scarcity.

**The Dairymen Advertise**

This year a substantial portion of the funds raised by the Dairy Industry of the Province through the Dairymen's Association is being used to advertise dairy products, the larger portion of the advertising money is being turned over to the National Advertising and Public Relations Fund. Locally our butter and cheese is being advertised in Nova Scotia and Newfoundland newspapers. Ice cream and fluid milk in Charlottetown papers, and the cheese factories are being supplied with display cards. The dairy booth at the Exhibition Grounds will also be carried on as last year, this booth which drew such favorable comment last year is a joint project of the Dairymen's Association and the Federation of Agriculture.

**Island Co-op Services**

The reports presented at the recent annual meeting of the Island Co-op Services and covering the first full year of business indicated a rapid growth and the handling of a substantial portion of the farm products of the members of the local Co-operative Association. As a means of marketing farm produce the system consisting of a central organization acting as a marketing agency for the local co-operatives appears to have much to recommend it, certainly centralized selling can be more efficient and more economical than having thirty or forty different groups attempting to do the job and perpetually competing with one another. With sound management and the loyalty and support of the local co-ops we expect to see the business of the Island Co-op Services increase rapidly and the organization to become an important factor in the marketing field.

**Haying Accidents**

Farms are acquiring an unenviable reputation as dangerous places to work and haying due to the urgency of accomplishing as much in as short a time as possible certainly has its quota of accidents. The hay mower itself is a dangerous implement and if precautions are not taken can cripple the unwary. Stacking poles if not strong and properly erected can come crashing down with serious results. The repair of hay track and hoisting equipment on rickety ladders at considerable height presents danger of a serious fall, chaps can take the place of a full grown man in driving a tractor or but every precaution should be taken to see that they are protected from danger. Let's get the hay crop up but take no chances or unnecessary risks in so doing.

**What Should a Member Expect**

### MacDonald - Martin Wedding

The Orwell Head United Church was the scene of a pretty wedding at five o'clock on Saturday afternoon, June 16, when Miss Margaret Christene Martin, daughter of Mr. and Mrs. Ernest Martin, Uigg, was united in marriage with Mr. John Millar MacDonald, son of Mr. and Mrs. A. A. MacDonald, Charlottetown. The double-ring ceremony was performed by Rev. A. C. Fraser.

The church was decorated with mauve, yellow and white spring flowers. Miss Kay MacEachern, R. N., of Charlottetown, played the wedding music.

The bride was given in marriage by her father and was attended by Miss Janet Gilmore, R. N., as bridesmaid and winsome little Miss Barbara Holdway, of Picou, N. S., niece of the groom, as flower girl. John Martin, brother of the bride, was train bearer.

The bride was becomingly attired in a gown of traditional white satin with lace inserts styled on Princess lines with Chapel train and Sweetheart neckline, long sleeves tapering to points over the hands. Her finger-tip veil was tulle illusion held in place by a satin Juliet cap beaded with pearls. She carried an arm bouquet of white roses.

The bridesmaid, Miss Gilmore, wore a gown of yellow tulle with matching headpiece, shoulder-length veil and lace mitts. She carried a nosegay of Tallman roses. The flower girl wore Nile green frosted organza with matching bandeau and carried a nosegay of spring flowers.

The groom was attended by Mr. Wallace MacKenzie of Souris. The ushers were Mr. Hugh Robbins, Uigg, cousin of the bride, and Mr. George MacDonald, Charlottetown, brother of the groom.

Mrs. Martin chose for her daughter's wedding a gown of rosewood crepe with navy and white accessories. Her corsage was white carnations. Mrs. MacDonald chose a gown of navy and white sheer with navy and white accessories. Her corsage was yellow roses.

After the ceremony, the wedding reception was held at the home of Mrs. G. R. Murray, Vernon Bridge, where a delicious buffet luncheon was served to sixty-five relatives and friends. The bride's table was centred with a three-tier wedding cake, flanked by bowls of pansies. Assisting in serving were Miss Marion Wright, R. N., Miss Blanche Murray, Miss Evelyn Henry, R. N., Miss Margaret MacDonald, Miss Marion Funcher, R. N., Mrs. Edson MacLean. The toast to the bride was proposed by Rev. A. C. Fraser and responded to by the groom. During the reception, Mrs. Kate Gillis sang "I'll Walk Beside You," and several other selections.

After the reception, Mr. and Mrs. MacDonald left on a motor trip through the White Mountains and other points of interest in Massachusetts and Rhode Island. The bride's travelling costume was a navy gabardine suit with navy and white accessories. Her corsage was of pink roses.

Previous to her marriage the bride was entertained at a shower given by her friends and classmates at the home of Mrs. Fulton Proude, 11 Green St., Charlottetown, and at a community shower at her home in Uigg, at both of which she received many beautiful gifts.

The bride is a graduate of the Prince Edward Island Hospital School of Nursing. The groom is an employee of the Postmaster's Office, Charlottetown.

**LONDON (CP)—** In a recent test here 50 girl factory workers made nylon stockings last twice as long as usual. The secret was to wash and handle the stockings gently, and to make knees and feet smooth and clean before putting stockings on.

**Rail Grades**

There is apparently in Western Canada a movement on foot to have the rail grading of hogs made optional with grading on the hoof. Organized Agriculture has consistently advocated the production of high quality products and better returns for those who produce the quality article. This Movement in the West appears to be almost on a par with a suggestion that our Potato Growers would come back to the days when their potatoes were measured in tubs and reticled for on that basis. Our older farmers will recall how it was possible to dump the potatoes into the tub in a certain way to give the appearance of good measure, the dealer by a well directed kick could bring the tub down to its proper level and the fight was on. Both were right and both were wrong, that system could not last.

Some Western hog men would apparently like to return to a system of the buyer and seller matching wits and enjoy the fun of kicking the old potato tub around.

**Rail Grade For Beef**

Cattle marketed at Moncton on a rail grade basis on July 24 were bringing the following prices: Good steers and heifers \$57.50 and \$57.00 per cwt. Medium steers and heifers and choice young cows \$55.50 and \$55.00 per cwt. Common steers and heifers \$52.50 and \$52.00 per cwt. Good cows \$52.50 per cwt. Canners and cutters \$48.00 per cwt. Bulls over 500 lbs. \$48.00 per cwt.

**United Church Presbytery Meets**

The Prince Edward Island Presbytery of the United Church of Canada met in Epworth Hall, Summerside July 16th, at 10 A. M. Considering that some of our ministers are on vacation, and that July is a busy time for the laymen in rural areas there was a fair representation present.

Rev. W. T. Mercer the new chairman presided and opened the Presbytery with devotions. During the course of the devotional period the chairman gave an inspiring address urging all present to greater consecrated effort for the Kingdom of God in the year ahead. He made mention of some of the social evils rampant in our modern society and that nothing but salvation from sin through Jesus Christ could eliminate those social evils that are having such an ill effect on the lives of our people today.

Following the chairman's address the Presbytery was declared opened, by the chairman, in the name of Christ the one and only true head of the Church.

The first item of business was the presentation of the agenda by Rev. W. B. Crowe of Bedeque. The agenda on motion was adopted. Following the presentation of the agenda the minutes of the previous meeting, which was held at Sackville, were read and on motion adopted.

The Presbytery of Prince Edward Island was honoured this year in having one of its popular members, in the person of the Rev. A. S. Weir, elevated to the office of president of the Maritime Conference. Rev. Geo. Gough paid tribute to the fine manner in which the president discharged his duties at the recent meeting of the conference at Sackville. Mr. Gough's remarks were heartily endorsed by
