HOWARD'S CASTOR OIL AND ROSEMARY.

Or, GREAT HAIR TONIC, for preserving, restoring and beautifying the hair; eradicating scurf and dandruff; preventing baldness and gray hair; curing diseases of the skin, glands and muscles. This preparation is perfectly harmless, being a mixture of Castor Oil and Tincture of Rosemary, chemically combined, so that while the Castor Oil moistens and nourishes the roots of the hair, the Tincture of Rosemary rid's the head of dandruff; and I may say that so long as a person continues to use this preparation, so long he may expect to preserve his hair in beauty and luxuriance even to old age.

CHILDREN TEETHING.

MRS. WINSLOW'S SOOTHING SYRUP.

FOR CHILDREN TEETHING. An experienced Nurse and Female Physician, presents to the attention of mothers, her SOOTHING SYRUP, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation; will allay ALL PAIN and spasmodic action, and is

USED TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourselves, and RELIEF AND HEALTH TO YOUR INFANTS. We have put up this article for over twenty years, and we are in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, to give relief, when timely used. Never did we know an instance of dysentery, or diarrhoea in children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE FEARFULNESS OF OPERATIONS, STAND BETWEEN YOU AND YOUR CHILD, and the relief that will be effected—ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None is genuine unless the facsim
