Then we have the Tattoo alarm, rings for fifteen minutes, or until you get up and turn the switch. Another kind is the Intermittent Alarm, it rings and stops, and rings again and stops, and keeps on ringing and stopping until you must get up or go mad. The assistant teacher has a slight attack but will soon be all right again. The principal, Mr. W. A. Myers, is visiting at home. He is looking well, nothing measly about William.—Com.

REMEMBERS HIS PARENTS—Tom Sharkey is one of the few prize fighters who never forgets his parents. Every time he wins a battle he sends the "old folks" a part of the purse, and this time he did a little better than he has ever done before. He sent to Ireland a draft for \$5,000 a sum which will make the elder Sharkeys feel easy for the rest of their lives. Sharkey expects to visit his parents at no distant date.

AN OLD AND WELL TRIED REMEDY. Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child softens the gums, allays all pain, cured wind, colic, and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup.

BETTER LEFT UNSAID—A well known man and woman were discussing the Anglo-American alliance at a London reception the other evening, when, a sudden silence falling upon the company, the woman, in heartfelt accents, was heard to exclaim: "And the more we know of one another the more dearly we must love one another!" As can be imagined, all their eager exclamations as to the entirely political character of the remark fell upon deaf ears, and were powerless to stop the laughter of the hugely delighted audience.

ST. PETER'S BAY FACTORY—The cheese factory at St. Peter's Bay began work on Wednesday, 1st June, and closed on Friday, the 21st of October. There were 50 patrons, and 44752 lbs of cheese, (676 boxes) were made. The amount realized was \$3474.34. All the output was sold to Mr. Dillon except what the patrons bought. It is intended to put in a separator or butter plant the coming season, as a larger increase in the number of patrons and a larger supply of milk is expected. At the annual meeting, which was held on Tuesday last the following Board of Directors was re-elected: Charles Waye, President; John Steele, James D. McInnie, Crawford Hayden, John B. McEwen, James McEwen, O. W. Anderson, David Larkin, Adolphus McEwen and Andrew Lewis Secretary.

Social and Concert

A very pleasant and profitable, as also an enjoyable, evening was spent on the 13th inst, as the result of a pie social and concert held in Searleton Hall under the auspices of Aurora Division S. of T. A short, but exceedingly well rendered programme, consisting of music, recitations and speeches with a dialogue by way of variation occupied the first part of the evening. Miss Maud Wright presided at the organ with her usual animation and ability,—which of itself is sufficient to ensure the success of the musical part of the programme after which some fifty pies were sold to the highest bidders. Mr. A. A. Wright acted as auctioneer, the bidding in some instances being spirited, brought some of the baskets up to good figures so that the results were very satisfactory to the committee in charge, realizing in the vicinity of \$2000, which goes to complete the payment of a small debt on our Division organ.
At quite a late hour the large but ordinary company dispersed well pleased with the evening's proceedings, many of them determined to take in a like entertainment in Albany Hall on Wednesday evening, the 18th inst, which the good people of that locality proposes furnishing.

BERLIN APPETITES.

Restaurant Men Who Cater to Them Soon Become Rich.

That the restaurant business in Berlin is a paying one, if the location chosen be a good one, the restaurant of the zoological gardens here shows. For a number of years it was leased by a man who understood about as much of the business as the man in the moon. Yet he became wealthy within a few years and retired for good to live on the interest of his money. There were days in summer when he sold 1,000 kegs of beer, besides some 20,000 cups of coffee and 50,000 sandwiches, and as prices are high there he must have made thousands of dollars in a single day.

Fortunately for the public, another caterer now supplies the hungry and thirsty sightseers at the zoological gardens, a man with a good reputation, and he pays twice the rent for the restaurant buildings, too—viz, 100,000 marks per annum, besides spending by the terms of his contract a matter of almost 500,000 marks for improvements. Yet it is probable that he, too, will retire at the end of his term with a fortune.

There are many instances of this kind in Berlin. One of the finest and most highly priced restaurants on Unter den Linden recently sold its good will for a matter of 1,000,000 marks. The owner of a cafe on Friedrichstrasse who started the place but a couple of years ago is reported already to have cleared about 2,000,000 marks. His head waiter is himself rapidly growing rich from the "trinkgeld" received from the guests and is said to be in receipt of monthly stipends amounting to some \$3,000 in American money.—Berlin Letter in Chicago Record.
