

**She LOVED THE FIZZY TICKLE ON HER NOSE**

"Fifty years ago in sunny Bermuda my parents used Eno's 'Fruit Salt' as a family medicine. As a wee girl I can remember the bottle kept for protection in its outside wrapper. How appetizing the grapes looked to me! How I loved the fizzy tickle on my nose! Mother gave it to us for prickly heat, digestive ailments and as a laxative. Now my own children take it, and much prefer it to other salts."

Mrs. R. H. S., (Truro, N.S.)  
Letter No. 1071

**Sits for Eight Hours a Day**

"I am a linotype operator and I am compelled to sit in close concentration for eight long hours a day. I find that Eno is the only remedy that counteracts the languid, soporific, drowsy feeling that usually comes during the day. I highly recommend Eno to the millions of clerks, stenographers, bookkeepers—all persons who work in closely confined offices, factories and stores."

Mr. W. G., (Toronto, Ont.)  
Letter No. 1249

The above photographs show professional models, but the testimonials are voluntary tributes to Eno. Original letters can be inspected at any time.

Miss Sarah Webster, Kensington, was in Summerside on Thursday.  
Mr. Leslie Simmons, Freetown, was in Kensington, Friday, on a business trip.  
Miss Olive Thompson, teacher in Kensington High School, left Thursday on a short visit to Charlottetown and to attend the "Gomez" recital given in Hearts Hall, Thursday evening.

A rather severe electrical storm passed over the western end of the Island Thursday evening.

Much sympathy is expressed for Mr. and Mrs. James Pendergast and their family in the loss they have sustained by the death of their little daughter Mary, which occurred Monday evening at her home. Only 12 years old, the eldest of the family, she was cut down in all the richness of her early youth. Of a sweet and gentle disposition, she will be much missed in her home and also by her many little chums and friends at school, where she was much beloved. To the family in their sore bereavement very sincere sympathy is extended.—B.

**MURRAY RIVER INSTITUTE**

The regular monthly meeting of the Ray of Hope Women's Institute was held in Institute Room Tuesday, April 14th, with quite a good attendance considering the very poor weather conditions, also four visitors present. The meeting opened by singing "The Old Spinning Wheel," followed by roll call, responded to with jokes. Minutes of last meeting read and approved. Business arising from the minutes. The repairing of our side-walks to be attended to as soon as weather permits.  
A play was discussed, but decided to leave it over until the May meeting for further discussion. A hooked rug has been finished by the members and is all ready for sale.

Reports of committees. Sick committee reported a number of visits and fruit to the sick. School committee had visited the school and everything was fine. New committees appointed as follows: Sick committee, Miss Helen Gosbee and Miss Edna Porter. Program in charge of Mrs. Wm. Porter consisted of a reading by Mrs. T. A. Keenan. A demonstration on making a scarf by Helen Gosbee; a dialogue, "The Happy Hobo" by Mrs. Geo. Lowe, Mrs. Wm. Porter, Mrs. C. O. Nicolle and Mrs. T. A. Keenan. Those numbers were enjoyed very much by all. The hostesses, Mrs. A. V. Johnston, Mrs. J. A. Gosbee, assisted by Mrs. F. D. Brehaut in the absence of the ones appointed, served a dainty lunch and the meeting closed by singing the National Anthem.

**Suitable Eyewear Improves Appearance**

You will occasionally hear a person complain that she objects to wearing a correction of her errors of vision because of the effect on her "looks." That argument no longer applies. The modern eye service considers appearance, which can now be correctly chosen eyewear be enhanced.
