TO-DAY  
In medicine, as in every other necessity, the public is satisfied with nothing but the best! This explains the ever-increasing demand for Zam-Buk. Not only is this great balm the best household remedy to-day, but it is also the most economical.

Zam-Buk's superiority is due to the fact that it is all medicine, containing none of the coarse animal fats or harsh mineral drugs found in ordinary ointments. Again, the medicinal properties are so highly concentrated that they contain the maximum amount of healing, soothing and antiseptic power, so that a little of this balm goes a long way.

Another reason why Zam-Buk is most economical. It will keep indefinitely and retain to the last its strength and purity. Best for skin diseases and injuries, blood-poisoning and piles. All dealers, 50c. box.

Your Little Boy and Girl ---and Mine

"My little child climbed up into my lap the other evening, and in characteristic fashion said, 'How much do you love me, Daddy?'"

"Why, I love you so much I'd never let anything harm you, as long as I live."

"In childlike innocence, back came the response, 'Well, I hope you live as long as I do, Daddy.'"

"Like a dart the reply pierced through to my heart."

The future holds no cruel fate if the "guardian angel" of life insurance is placed over your children's lives to-day. Ere to-morrow it may be too late.
