THE CANINE RACE.—The contribution of this noble and numerous race in Charlottetown to the City Finances last year, amounted to \$102. Taxes were paid on fifty-one dogs, as appears by the City Report, appended to which is a list of the parties who paid up. We notice the omission of some well-known names.

MR. A. C. DENNIS, Travelling Agent for Messrs. Dorsey, Goff & Co., of the Charlottetown Boot and Shoe Factory, left yesterday on a tour over the Island to take spring orders for that firm. He will visit the principal business parts of the Island and the merchants will do well to reserve their orders for him. The fine list of samples he took with him will no doubt secure for him a large measure of attention.

It is said that, as a rule, the servant girls of Denver are rapidly becoming the owners of houses and lots. They get good pay, don't they spend it for cream, and consequently have a surplus to invest. An industrious girl can save a couple in a year to buy a lot near a street-car line. Fortune-hunters are getting hold of this state of facts, and are sometimes found paying their addresses to the kitchen rather than to the parlor.

We contracted to insert Mack's Magnetic Medicine because we were assured that the firm was composed of reliable and honest gentlemen, and also, because the medicine was recommended as being all and more than the advertisement claimed. We are informed by druggists that it is the best selling article they have, and that it gives satisfaction to their customers. Sold in Charlottetown by Apothecaries Hall Co. The intelligence conveyed by Sunday morning's Detroit "Free Press" of the finding of Mrs. Monck's body at the Franklin House, and the subsequent finding of the body of her husband at the Brunswick House, created a profound sensation in Chatham, Ontario. In our obituary column of yesterday, our readers will have noted the death of one who has been long and favorably known in our midst. Richard Lockett was born in London, England, in the year 1807. In the year 1842 he emigrated to Nova Scotia, and in the following year came to this Island, where he resided until his death, which occurred yesterday morning. His name is familiar, and will be kindly remembered by the older residents of Charlottetown. His life was that of a Christian, and when the angel of death came it found him ready.

A PRIVATE telegram has been received at Ottawa stating that the Governor-General and Princess Louise left San Francisco by special train for the East. They will make short stops at the principal cities on the way. At Charleston, S. The Princess' health is somewhat improved by her trip.

I spent a fortune and exhausted medical skill in that time. I heard about St. Jacobs Oil, but was faithless as I thought my ailment was ineradicable. I made one very thorough application and so pronounced was the relief that I continued its use. Before I had used up the first bottle I was well."

Address and Presentation.

At a meeting of the St. Patrick's Total Abstinence and Benevolent Society held on the 7th inst., a committee was appointed to present an address and purse of fifty dollars to the Most Rev. C. O'Brien. On Thursday evening last the Committee waited upon His Grace, at the Palace, and presented the following

ADDRESS:—

To His Grace The Most Rev. CORNELIUS O'BRIEN, D.D., Archbishop-elect of Halifax: MAY IT PLEASE YOUR GRACE,—We, the President and members of St. Patrick's Total Abstinence and Benevolent Society of Charlottetown, avail ourselves of the opportunity which is now presented to us to offer to Your Grace our sincere congratulations upon your elevation to the position of Archbishop of the Metropolitan See of Halifax. We are conscious of the fact that it is entirely due to your exertions that our Society was formed in Charlottetown, where, for the past nine years, it has labored in the violence of Temperance and, under kind Providence, has accomplished much good. Having enjoyed such edifying and pleasing relations with you, it is with regret that we view your departure from the Province, yet we hail with delight your exaltation to the Episcopal Throne, which your many virtues will adorn, and where your talents and learning will be employed in the advancement of our Holy Faith.

As a small token of our esteem, and in appreciation of your efforts for the good of our Society, we respectfully ask your acceptance of the accompanying gift.

MAURICE BLAKE, President.

Charlottetown, P. E. Island, Jan. 10, 1883.

TO THE PRESIDENT AND MEMBERS OF ST. PATRICK'S T. A. & B. SOCIETY, of Charlottetown.

GENTLEMEN,—I thank you very sincerely for your warm congratulations, as well as for the generous gift which accompanies your address. Words are often but poor interpreters of our feelings; this is especially the case when we are about to sever the kindly relations of many years. If, therefore, my words be few and inexpressive, my feelings must not be grieved by this standard.

I rejoice to know that the Society which you, together with myself, founded nine years ago, still flourishes, and diffuses its beneficent influence in the midst of this Community. Works will live, though man may die; hence we ought to strive to direct our efforts toward noble ends. Difficulties may arise; but fear not. Be not overcome by evil but overcome evil by good. I shall ever watch with deep interest the proceedings of a society with which I have been so intimately connected.

In conclusion I beg to thank you very sincerely for your kind words, and to accept your gift more as a token of your generous natures, than as anything merited by me.

C. O'BRIEN.

In my professional practice as a Physician, in my private life and among my personal friends, I shall deem it my bounden duty and my highest privilege, as an act of gratitude, to counsel and enforce this treatment, as the only reliable and effectual remedial agency having for its origin the stomach, liver, brain, and great nerve centers.
