

During the past few months we have seen the playing out of the biggest swindle that has ever happened in the history of mankind. The Nixon administration has used the hoax of 'peace' to lead on the American people and have succeeded in winning a national election on the basis of that pretense. And now that Nixon has been returned to power all hope of peace has been squashed as quickly as possible.

Nixon and his angels of death are returning with new vigour to the task of genocide in Vietnam.
