SMALLPOX is on the wane in Bathurst, N. B.

SIR CHARLES TUPPER has returned to Ottawa

MILITARY.—No. 3 Company, 82nd Battalion, are requested to meet at the Drill Shed this evening at 7.30, in full dress

THE Minister of Justice may consider his election as quite æsthetic. On reference to the returns his majority is *too-too-too.*

DOMINICK McCAFFREY, the pugilist, is reported to have inherited an estate valued at $40 000, through the death of an uncle in Australia

SIX drunks were disposed of by the Stipendiary Magistrate this forenoon. Three were fined $30 or 30 days, and the others were fined $2, $3 and $4 respectively.

HOW easy it is to start false reports. Just because a woman when buying a broom wanted one with a strong and heavy handle, it was reported around town that she used to beat her husband.

SINCE 18th September last 400 Boards of Health have been established in the province of Quebec, all subject to the Provincial board. There are ten cases of typhoid fever reported at River Du Loup on the I. C. R.

ASSIGNED.—Mr. John Avard, the well known cattle dealer, has assigned to Mr. J. Woodford Avard. His liabilities are supposed to be in the vicinity of $10,000; principally to farmers in Botsford.—*Post.*

AN exchange tells of a smart wife who helped her husband raise over seventy acres of wheat. The way she helped him was to stand in the door and shake a club at him whenever he wanted to sit down and rest.

THE lectures of Joseph Cook are vigorous and suggestive. Interesting from the glimpses they give of the present phases of speculation in what is emphatically the most thoughtful community in the United States.—*London Spectator.*

SUNFLOWERS.—That 12½ inch Nova Scotia sunflower will have to stand aside. In Mr. Duffell's garden, corner Pitt and St. James streets, may be seen a sunflower seven feet high and fifteen inches in diameter.—*St. John Sun.*

Mr. Hayden's sunflower, grown at Royalty Junction is nine feet high and nineteen inches in diameter. It knocks the St. John *Sunflowers* into a cocked hat.

ONE of the sights of the city of Hamilton is the factory in which the celebrated "Myrtle Navy" tobacco is made. Some people may suppose that putting up plugs of tobacco must be a very simple matter, but a walk among the ponderous and complicated machinery of this establishment would speedily undeceive them. Here are hydraulic presses, screw presses, iron frames, all of enormous strength, besides a steam engine and many other pieces of machinery.

AN exceedingly funny story is told of a Missouri farmer. He is an Adventist, and on the last night fixed upon for the end of the world, he put on his ascension garments, mounted one of his stacks of hay, and anxiously awaited results. Finally he succumbed to the charms of Morpheus, and sank into a peaceful slumber. In this condition he was discovered by some heathenish boys who set fire to the haystack, and as the flames circled around him he awoke. He supposed all was over, and philosophically remarked, "In h—ll, as I expected."

FAST ROLLER SKATING.—The final heat in the race at Roller Rink for a gold medal and $50 to first, and $25 to second fastest skater, was contested on Saturday night. A large audience was present. The men went off in splendid style, and skated admirably over half the course. Then a roller came off Saunders' skate, and he was obliged to abandon the contest. Skinner then took the lead, followed close by Snowden. On the fourth mile being reached, the latter tried to give his opponent the go-by, but Skinner pushed him violently against the side of the rink, and he fell heavily to the floor. Snowden resumed the race three-quarters of a lap behind. This gap he closed to a quarter at the finish, and the judges, owing to the foul, awarded him the medal and first money, Skinner second. The time made was 19.31. The skaters left for Halifax this morning.

THE Football Match at Victoria Park on Saturday afternoon, Scotch vs. All-comers, resulted in favor of the Scotch by eleven points after a most exciting game. Quite a number of spectators watched with great interest the progress of the match. The All-comers played under a disadvantage, as two of their men did not turn up to play. The Scotch made thirteen points, viz.: one goal, one try, and one rouge: The All-comers scored 2 points, viz.: 2 rouges. The two tries for the Scotch were gained by their Captain and J. McIntyre. Probably a return match will be played next Saturday. The following is a list of the players:—

All-comers — Earnest Ings, Captain; George Robinson, David H. Robinson, William A. Weeks, Williston Brown, Fred. W. L. Moore, John F. Murphy, B. R. Newbery, James H. Good, Wm. Palmer, M. W. Murphy, Arthur Mellish, Tom Leigh.

Scotch—Æneas A. Macdonald, Captain; D. Rennie Laird, Chas. A. Kennedy, Kenneth J. Martin, Herbert A. Shaw, Percy Macdonald, Daniel J. Macdonald, Albert H. Macneill, Jno. McIntyre, E. Matheson, Fred Anderson, John Brown, Wm. Dustan, D. Cameron, Wm. Laird.

Murray Harbor Notes.

THE crops are very good, and all excepting the potatoes have been gathered in.

Prowse & Sons' starch factory is running nearly night and day, which is proving a great benefit to this part of the Island, there being no demand in the foreign markets for the potatoes.

On the 13th and 14th inst, the Methodist friends held their annual missionary meeting at White Sands and the Harbor. Earnest and stirring addresses were delivered by the Revs. E. Bell and S. F. Estey. A very liberal collection for the Missionary fund was taken up.

A few days ago Mr. B. LeLacheur, of Guernsey Cove, met with an accident while thrashing grain. His left arm was caught in a part of the machinery, which was very much cut, but under the careful treatment of Dr. Barnes, he will soon be able to use it.

The Dublin Branch of the National League sent a lawyer to defend the prisoners, but the Magistrate before whom they were brought convicted all and ordered them to find sureties for future good behaviour. The defendants elected to go to prison rather than furnish bail. The Magistrate hesitated to commit them and finally gave them a fortnight to consider the matter.
