A short burial service was held at Mr. McNaughton's residence on Tuesday evening and the body was taken on Tuesday morning's train for interment in Marysville, N. B.

YOUNG WOMEN Wanted! Excellent opportunities for those who are desirous of having a profession. The Elliot Community Hospital of Keene, N. H., offers a three years course in its Training School for Nurses. A sixty-five bed modern hospital now in construction. For particulars apply to MARY A. DIAMOND R. M., Superintendent.

WARNING The fishing rights of Hardy's Mills is leased to the undersigned. I have no objections to the patrons of the mill and neighbors fishing, but strongly object to parties using or damaging the boats, or breaking into the shack. Anyone found stealing or damaging will be prosecuted. The party who took the tan boats and two Yale fish traps, the latter being too good to anyone but owner, as he holds the rights, had better leave them in the stable, or they will be seized to suit.

TENDERS Sealed tenders addressed to the undersigned will be received up to the 15th day of June for the construction of the new Charlottetown Hospital in Charlottetown. Plans and specifications may be seen at the office of C. B. Campbell & Hunter, Architects in Charlottetown, and at the residence of Rev. J. J. MacDonald, Summerside.

BATTERY DRILL—Nos. 2 and 8 Batteries will parade tonight at the drill hall at 7.20, ready to march off at 7.30. As the instruction will only be here for two more drills it is necessary that every man be present tonight to receive instruction.

CHURCH RENOVATED—The Malpeque Church is being renovated and it is expected that it will be re-opened in a few weeks. About \$2,000 is being spent in renovating the interior of the church which will present a beautiful appearance when the work is completed.

THE CAR FERRY—The car ferry steamer Prince Edward Island, which has been on the route Cape Tormentine to Port Borden is now in Halifax at the terminals. The ferry has received an overhaul since the heavy winter service and will probably be back on her old route by Tuesday of next week. Walle at Halifax the steamer has had installed equipment for a new lunch counter service and it will in future be possible for passengers to get a good meal at a reasonable price. The counter service will be in charge of the C. N. R. Dining Car Department, Montague Times.

MILLING CO., STARTED—Everyone interested in the development of our island industries will be pleased to know that the Charlottetown Milling Company has resumed operations again, after being closed for a time on account of circumstances which are quite familiar to the public, a settlement having been arranged with the Canadian Fairbanks Morse Company, Limited. A meeting was held in this city last Monday night when the Company was reorganized with the following officers: President, B. D. Howatt; vice-president, Colonel H. M. Davison, sec-treas, B. W. LePage, M. P. P., general manager, George S. Robson, Guelph; directors, M. Walker and Mr. MacKinnon of Montreal representing the Canadian Fairbanks Morse Company (who are taking stock to the full amount of their interest.) Isaac Carter, C. H. Chandler and R. H. Jenkins of Charlottetown.

IN MEMORIAM In loving memory of Archie Campbell, son of Mrs. Campbell, of the late John F. Campbell, of Long River killed in action at Ypres, June 2nd, 1916: In the morning and as the going down of the sun we would remember them.

Ordination Service Inductio At 7:30

At a simple and impressive ceremony in the Presbyterian Church, Tuesday evening Mr. J. S. Bonnell, B. A., was ordained and inducted into the charge of the congregation. The service lasting over two hours, was witnessed by a congregation that crowded the church, quite a number of people being obliged to stand. Preliminary to the service a meeting of Presbytery was held to arrange for ordination, and while this was in progress, the edict was read by Rev. M. J. McPherson, who had been supplying for the past six months and who is now pastor at Hampton. After the ministers had concluded their meeting the service was opened by prayer by Rev. A. W. Robertson, of Kensington, followed by the singing of Psalm 109, scripture reading, third chapter of Philippians by Mr. Robertson, Hymn 370, Prayer by Rev. W. A. McQuarrie of Bequeque, Solo, "Come to the Light," by Rev. J. M. Murchison of Malpeque, and sermon by Rev. Mr. Robertson. The text was Philippians 3:10: "That I may know Him and the power of His resurrection, and the fellowship of His sufferings, being made conformable unto His death. Mr. Robertson said that these words sum up and express the passion of the man, next to Christ, who was the greatest that ever lived—the passion to know God in Christ Jesus. After the singing of Hymn 579, Rev. R. H. Stavert, interim moderator, narrated the steps which brought about the ordination and induction. The ceremony of ordination and induction was then proceeded with and this was conducted by the Moderator of Presbytery, Rev. G. S. Mitchell. After the usual questions had been put and answered, the laying on of hands followed and during this impressive part of the service prayer was offered by Rev. Geo. C. Taylor. Mr. Bonnell was then duly inducted into the charge of the congregation. The address to the minister was ably delivered by Rev. John Sterling, who paid a warm tribute to Mr. Bonnell's splendid ability and training, and then spoke very earnestly of the great work of the ministry. After the singing of Hymn 570 Rev. R. H. Stavert addressed the people frankly and forcefully, dealing generally with the relationship between pastor and people. The pastor's great work will be to extend the Master's Kingdom, as now the work was to be carried on. Upon such men as Peter who made the confession, Christ is the Son of God, He would bestow His church. The singing of Hymn 267 and the Benediction brought the service to a close. Rev. Mr. Bonnell's Record Mr. Bonnell entered Prince of Wales College in Sept., 1912, and graduated from the third year class in 1915. He delivered the Valedictory of the graduating class. He entered Dalhousie University in September, 1915, and besides carrying the class work of second year arts, won a place on Dalhousie Intercollegiate Debating team. After completing his year's work at the University he enlisted in the 5th Siege Battery for overseas service. After spending nine months in France he was invalided home to Canada on account of the effects of gassing. In the autumn of 1918 he again resumed his college course at Dalhousie University receiving the degree of Bachelor of Arts in the spring of 1919. In the autumn of 1919 he entered Pine Hill Theological College winning a prize each successive year of the three years' course. He also took a prominent part in debating, catching Dalhousie's Intercollegiate Debating team for three years in succession. In his final year of Theology Mr. Bonnell won the \$60 prize of the oratory contest and was awarded the George S. Campbell Scholarship (\$900) for 12 months study at some Overseas University. In addition to the regular diploma of graduation, he received the High Honors Certificate for a special course in Systematic Theology.

ROYAL YEAST CAKES

Product of Canada

It was known many years ago that yeast is an excellent thing for the many ills that result from disordered stomach or run down blood condition. Lately eminent scientists have been investigating the matter thoroughly and their conclusions point to the fact that the beneficial effect of yeast has not been overrated. The yeast treatment is very simple and economical - and altogether harmless.

Before each meal eat a Royal Yeast Cake, or take a cake dissolved in water or fruit juices. The scientific investigators say that the curative elements in Royal Yeast are the vitamins and nuclei which it contains. It is certainly well worth a fair trial by those who suffer from any of the ailments mentioned above.

Send name and address for free booklet "Royal Yeast Cakes for Better Health."

Jenkins & Son

Everything That's Good to Eat

This Plant Brings Comfort, Convenience and Profit to the Farm

Power and electric light are essential to the modern farm as the ordinary farm implements. And power and light are combined in the Fairbanks-Morse Type "E" Plant to a degree that insures comfort in the home and efficiency in the farm work.

The low cost of the Type "E," its greater power and light development at lower fuel cost, and its small power waste make it the practical plant for your farm.

The nearest Fairbanks Morse dealer will demonstrate the "E" Plant and its wide range of work. See it today.
