LINDLEY OPERA CO.—This Company makes its final bow at Market Hall to-night, which is set apart as a complimentary benefit tendered to the manager. The bill presented is entirely new, consisting of the Irish drama, "The Rapparee," in which Dr. Creamer appears and sings several operatic ballads. Mr. Lindley will also introduce his celebrated Automatic Talking Machine, of which the Halifax Herald says:—"Lindley's Talking Machine may or may not be what its advertisements, viz., the perfection of mechanical art, but there cannot but be one opinion of its being entertaining." In addition to this, there will be a two-act drama, introducing "Leander," a well-trained St. Bernard dog. Mr. Bernard Tavernier (Dick Deadeye) sings "Three Bad Men." This is the last performance of the company, as they start for Summerside to-morrow; but we really think another performance of "Pinafore" would be acceptable to our citizens if the manager could be induced to return.

MILITARY FUNERAL.—The funeral of the late Lieut. J. H. R. Hewson, which took place yesterday to Little York was attended with Military honors. At three o'clock the Militia and Fire Companies marched to the deceased's late residence and formed the funeral procession as follows:—

- Band of 82nd Battalion.
Firing Party from Major Morris' Battery.
No. 1 Battery of Garrison Artillery.
Charlottetown Engineers.
No. 3 Co. of the 82nd Battalion.
Hook and Ladder Co.
Rollo Steam Fire Engine Company.
Silby Steam Fire Engine Co.
HEARSE.
Fall Bearers—Lieuts. McPhail, Stewart, Horne, Passmore Kennedy, and Henderson.

Following the hearse were nearly two hundred citizens on foot, while over eighty carriages brought up the rear. The funeral, as it moved slowly out St. Peter's Road, presented a grand view, and was a worthy tribute to the respect in which the deceased was held by his military companions and citizens generally. The deceased was a young man of sterling integrity, sobriety and good fellowship. By his death, which was attended by very melancholy circumstances, the community has been deprived of one of its best members. We tender our sympathy to his wife and family.

To the Editor of the Examiner.

SIR,—I see by Saturday night's Patriot that Matthew Allen is out in defence of his "cooked" report of the meeting in Ward 5. Now, Sir, I have neither the time nor the inclination to answer his oft repeated "falsehoods," as he is pleased to call them; but would simply state for his information that he is entirely astray in his guesses as to who Vox Populi is. In regard to my statement about Mr. Newson, however, I would say that I am willing to leave my version of the affair to that gentleman, as I stood close by him all the evening at the meeting, and had a better opportunity of knowing what he said and did on that occasion than Mat. Allan could possibly have—sitting, as he was, at the extreme end of the room from him. It is unnecessary, Mr. Editor, for me to follow this worthy scribe, Mat. Allan, further, and will simply say that I am an old resident of Ward 5, and am anxious to see it well represented at the Civic Board; consequently, his remarks about Big Donald, and all that sort of thing, is mere bosh. Yours truly, VOX POPULI.

Ward 5, May 10th.

To the Editor of the Examiner.

DEAR SIR,—The unwarranted attack made upon me by the Patriot editor in the last issue of that imperial sheet I consider unworthy of any extended reply. Mean abuse is not argument, neither are reckless insinuations proof. The electors of Ward 5 do not require the services of Henry Lawson as Dictator General, and will show him on the day of election that they are sufficiently capable of returning the proper men. The chosen of the Patriot have nearly always suffered defeat, whilst those whom it has most foully abused have generally gained their election. Assuring the electors of ward 4 that if elected on Thursday next, I will, to the full extent of my power, strive to promote their interests and serve them faithfully. I am, etc., THEO. L. CHAPPELLE. Ch'town, May 10, 1880.
