BREAKFAST—SUPPER.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the properties of well-selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified by pure blood and a properly nourished frame."—Civil Service Gazette.

HE BOBS UP AGAIN.

Sam Murray, Whom the Doctors had Pronounced as Incurable, Still on Deck Now acting as Foreman for a big lumber Concern.

NORTH BAY, Sept. 3—Sam Murray's name is one that has often figured in newspaper columns during the past eighteen months because he was cured of paralysis and blood poisoning by Dodd's Kidney Pills, after half a dozen physicians had pronounced him an incurable. On the strength of physicians' certificates Murray was paid his disability claim by the Grand Trunk. Since he was cured by Dodd's Kidney Pills he has been accepted as a first-class risk by a leading life insurance company. About a year ago, he got a position as foreman for the big lumber concern of Davidson & Hay, of Toronto, and the fact that he was able satisfactorily to attend to the trying duties of such a position, is ample evidence of the permanency of his cure.

NEW YORK, September 4.—Babies who are only five months old are generally considered safe from the assault of John Barleycorn, yet the infant of Maggie Lynch was taken to the Chambers Street Hospital late Saturday night stupefied by drink, and the mother, hilariously drunk, was locked up in the Oak street police station. A policeman heard the woman creating a disturbance at No. 22 Batavia street, where she lives. He found the child in bed, its own clothing and the bed-cover soaked with port wine. The baby was almost unconscious, and when taken to the hospital its condition was pronounced critical. The woman, who is thirty-two years old and buxom, said she had given the child port wine and sugar to strengthen it. In the Tombs Police Court yesterday Justice Grady held Mrs. Lynch for trial in $300.

For a brave, sturdy people, the Dutch have been singularly unsuccessful in their wars with the natives of the Malasian archipelago, of which they own nearly the whole. Many times they have been defeated, and their campaigns have always been prolonged and indecisive. In fact, war never ceases, and the Dutch seem to suffer as heavily in all the encounters as the natives. The Dutch are probably too peaceable and too fond of quiet money-making to be successful as rulers of war-like nations like the Malays. The French are too warlike, too military to rule well; the Dutch have too much of the trader; the English, who are a mixture of the two, seem to have the right proportion of the spirit of each to make them successful both as rulers and traders. England's colonies have multiplied, expanded and flourished, while those of France and Holland have been, outside of Africa, dwindling, unprosperous and expensive.

Indisputable.

Why spend $1 for a bottle of medicine for a complaint when one box of Beecham' pills costing only 25 cents, will cure nearly all known diseases? This is because constipation is the cause of nearly all ailments and Beecham's pills cure constipation. A valuable book of knowledge mailed free, on request, by B. F. Allen & Co., 365 Canal St. New York.

The American hay crop, according to the American Agricultural Weekly, is over four millions of tons short as compared with last year, the yield being 60,250,000. The onion crop is the smallest in many years, 1,775,000 bushels, a decline of 32 per cent. as against 1892 and 1893. The hop crop is up to the average.

Word comes from Liverpool, Eng., that the agents of the Hawker Medicine Co., of St. John, N. Their success in England is as phenomenal as in Canada. No greater proof of merit could be presented to the public.

It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.
"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."
DR. G. C. OSGOOD,
Lowell, Mass.

Castoria.
"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
DR. J. F. KINCHELOE,
Conway, Ar

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
