

Brunswick string quartet in residence

by Monica MacQuaid

UPEI will have the pleasure of being host to the Brunswick String Quartet. The Quartet has toured Atlantic Canada, the West, and Ontario, as well as Great Britain. The Quartet consists of a first and a second violinist, a violist, and a cellist. Joseph Pach is the founder of and first violinist for the Quartet. Paul Campbell, a New Brunswick native, plays second violin. James Pataki, born in Hungary and raised in Toronto, plays viola. Paul Pulford is the cellist for the Quartet.

The Quartet will be in residence at UPEI for one week. This will be an excellent experience for the students who will have a chance to work with the Quartet. There is no formal string program at UPEI, therefore, the music students don't have much access to or experience with strings or, more importantly, a string-chamber group. The Quartet's stay in residence will give the music students a chance to have some access to a string-chamber group.

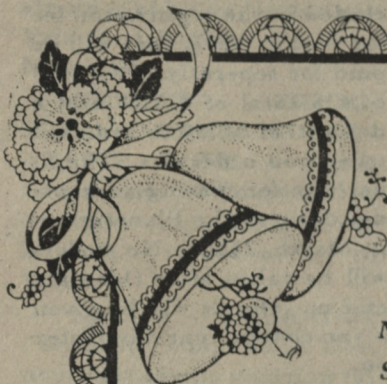

There will be many opportunities for non-music majors to see the Quartet. On March 8 and 9, there will be open rehearsals at 7:00 pm. On Sunday, March 6 at 3:00 pm, there will be a recital featuring the Quartet. This recital will be held in the Steele Recital Hall. On Thursday, March 10 at 8:00 pm, there will be another recital in the Steele Recital Hall featuring the Quartet and the talented pianist, Frances Gray. The largest and final recital will be on Friday, March 11 at 8:00 pm in the Steele Recital Hall.

The Quartet will be playing with students and ensembles from the UPEI music department. The expected performances include the Maydn Mass as performed by the Chamber Chorus, the second movement of the Dvorak Piano Quintet with pianist Faith Phillips, the first movement and the minuet from Mozart's Clarinet Quintet performed by clarinetists Christie Beck and Maria Visser respectively, and the first move-

ment from Mozart's Flute Quartet with Miriam Naylor playing flute. There will be many other fine performances at the recital, too. After Friday's recital, a re-

ception sponsored by the UPEI Music Society will be held in Room 112 of the music building. Everyone is welcome.

There will be no admission charged at either the open rehearsals or the three recitals.

UPEI Business Society

Welcome Back!! We hope everyone had a fantastic break no matter where they were.

Getting back to more important things, the 12th Annual Businessman's Dinner is to be held March 8 at 8:00 pm at the CP. All students are encouraged to get their

tickets as soon as possible. Also, anyone interested in tickets for themselves or to sell contact the Business Society, 3rd floor Kelley at 566-0407.

The speaker for the dinner is Dr. Peter Campbell, CEO and president of Midland Doherty Ltd. He will speak on the securities industry in accordance with Free Trade. He promises to be a very interesting and entertaining speaker.

It should be noted that this is a fantastic opportunity for students to meet the business people of Charlottetown and create contacts for summer job opportunities.

PS. For everyone who went on the ski trip, quotes of the week.

"Hey, Dean, you didn't come home again?"
