Do You Know

That it has taken time, study and money to produce shoes worth your buying at prices fair for you to pay. Think it over. Think this over too. That descriptions are cheaper than materials. Be sure the shoes you buy are as good as you're made to believe they are. Our Men's \$3 Calf Boot is fully as good as we claim it to be. See it.

MORE SCOTT ACT.-Before Stipendiary Magistrate Palmer, John McDurrer, Charlottetown Royalty, and John Murphy, Southport, were each fined for first infractions of the Scott Act. ODDFELLOWS' SOCIAL.-The Oddfellows' Social last evening was a distinct success. During the course of the proceedings a very handsome veteran Oddfellow's jewel was presented to Bro. David R. McLennan, who has been a continuous member of St. Lawrence Lodge during the past twenty-five years. Bro. J. S. Nelson presided. ANOTHER CYCLE CLUB.-The Crescent Cycle Club was organized in this city last evening with the following officers: President, G. D. McLeod; Vice do., H. W. Weeks; Secy-Treasurer, W. I. Harris; Executive Committee, R. H. Angus, W. McPherson; Captain, J. J. Davies, Jr.; 1st Lieut., E. Ode; 2nd do., H. Mabou. SEED CATALOGUE. A neatly printed catalogue of flowers and vegetable seeds comes from Haszard & Moore's establishment on the north side of Queen Square. The catalogue is very complete, and contains much valuable information regarding the seeds sold by this enterprising firm. The letter press is excellent. Everyone should have a copy. SHAFT BROKEN.-It seems that the damage sustained by the Petrel while entering Summerside harbor on Saturday was greater than was at first reported. It now appears that one of her propeller shafts was broken and this will have to be replaced by a new one which cannot be put in without taking the steamer to New Glasgow, N.S. Her usefulness is therefore about over for the season. THIS EVENING.-Our great military and orchestral concert comes off this evening in the Opera House. Our military friends have spared no pains in placing upon the boards one of the most enterprising representations of the "Fall of Khartoum" and other stirring incidents connected with the war in the Soudan. The deaths of Generals Stewart and Gordon will be shown in tableau while the other scenes are most faithfully represented by British, Egyptian and Arab troops. The British squares at Waterloo won the day and we are satisfied that the reproductions of those memorable tactics will win the applause of all who attend this evening. See programme and be satisfied that the evening will be one of rare enjoyment. THE MISTAKE MIKE MADE.-Two Irishmen were working together one day, when one remarked to the other, who appeared very glum: "Arrah, Mike, what is the matter with you this morning?" "Well, Pat," replied the other, "I was dreaming that I dined with H. R. H., the Prince of Wales, last night, and after dinner was over he asked me if I would have a taste of Irish." "Yes, your Royal Highness," said I. "Hot or cold, Mike?" said he. "Hot, your Royal Highness," said I. "While he was away for the hot water I woke up, and I am sorry now I did not drink it cold."

LOCAL AND OTHER ITEMS.

Y. M. C. A.-Devotional meeting tonight (Tuesday) at 7.45. The public are heartily invited. PROVINCIAL LEGISLATURE.-It is expected that the Provincial Legislature will close on Friday or Saturday next. THE STANLEY left Pictou for Charlottetown at seven o'clock this morning. Up to half-past two this afternoon she had not reached her destination, and no news regarding her could be obtained. It is thought that she is "lying too" in the fog. STEAMER OUTSIDE.-The steamer Noy, chartered by Carvell Bros. to load oats for London, is lying outside the harbor waiting for a chance to get in. It is reported that she has been there a day or two waiting for a favorable move in the ice. THE "LEAGUE" AGAIN.-At the suggestion of the daily press, and at the request of several friends who did not have the privilege of hearing the "Tenant League" lecture, Mr. Ross has consented to repeat it in Market Hall on Tuesday evening next, 4th May, at 8 o'clock. Admission 10 cents. PERSONAL. Captain McElhinney, of Ottawa, is at the Hotel Davies. Rev. W. A. Mason, Georgetown, registered at the Queen Hotel this forenoon. We hear with regret of the illness of F. L. Haszard, Esq., Stipendiary Magistrate. It is understood that Lieut.-Col. Longworth, of the 4th Regiment, Prince Edward Island Garrison Artillery, will be in command of the Artillery Corps representing the Dominion at the celebration in London of the Queen's Diamond Jubilee. Mr. Everett Lucas, for many years past in the employ of R. B. Norton & Co., will leave tomorrow for New York. Mr. Lucas has been secretary of the Baptist Sunday school for some time past, and the officers and teachers have presented him with a well-filled purse of gold as a token of the pleasant relationship which has always existed between them. The best wishes of many friends follow Mr. Lucas to his new home. If the system is fortified by Hood's Sarsaparilla, which makes rich, red blood there is little danger of sickness.

MORE HONORS

For Paine's Celery Compound A Tribute of Praise that Should Cheer the Sick and Suffering Another Victory in the City of Montreal. Mr. Alfred Ducharme, 317 B-and-y Street, Montreal, is now a happy and contented man, and his great desire is that the sick and suffering should know how he was enabled to cast off the burdens of debility, weakness and rheumatism, that his doctor had failed to grapple with. His experience with Paine's Celery Compound bears out in every particular the immensa mass of testimony given by others in the past, that Paine's Celery Compound cures and makes people well. Mr. Ducharme says: "Having a desire to benefit others, I am pleased to testify to the wonderful results I obtained from the use of your well known Paine's Celery Compound. "For a long time I was subject to spells of weakness that rendered me quite unfit for work. At such times my nervous condition was very alarming, and I felt as if my life was coming to an end. "My sufferings were increased owing to violent attacks of rheumatism, and altogether I was as helpless as a child. Friends strongly advised me to use Paine's Celery Compound, as they had seen such grand results from its use. I used the Compound, and the results were astonishing and happy. "Paine's Celery Compound has done for me what the doctors failed to do. It has made me active and strong, able to work every day, and has given me a new lease of life. "Every sick, weak and broken down man and woman should use Paine's Celery Compound; there is nothing like it in the world."
