Winter Work Program Is Termed 'Unrealistic'

Termining the winter work program, which was announced in October by the Federal Government, as "unrealistic" Hon. Alex MacIsaac stated last evening that this program "will not benefit anyone looking for work on Prince Edward Island."

Mr. MacIsaac, who is the Minister of Welfare and Labor, said that his office was becoming a regular "unemployment office."

"Every day there are calls for assistance and these calls are increasing at a tremendous rate, particularly this year now that the winter has set in early," he said.

He stated that the program was to take effect December 1 but his department has been ready to put the program into effect long before the announced date.

Following the announcement of the program, Mr. MacIsaac said, he made a considerable study of the program, contacting various contractors. One contractor told him that 30 per cent of his men had to be laid off and these men did not have stamps enough to receive unemployment insurance.

Mr. MacIsaac stated that he had over 500 application forms available in his office and that he has not received a single call although it is near the middle of December.

"The program is no good and will not assist us in the coming winter," he said.

Mr. MacIsaac was speaking at the annual meeting of the Queens County Liberal Association held last evening in the Community Centre.

Other speakers at the meeting were Hon. B. Earle MacDonald, provincial treasurer; E.D. Reid, Lauchlin Gillis, president of the association; Hon. A. W. Matheson, Harold Smith, Hon. Eugene Cullen, minister of agriculture; and the Hon. Dougald MacKinnon, minister of industry and natural resources.

Lauchlin Gillis of Point Prim was re-elected president of the association and Percy Boyle was elected as vice president.

Each of the speakers paid special tribute to the late Pictou McCormac.

Resolutions passed at the meeting were: That the Queen's County Liberal Association places on record its sincere and unwavering loyalty and devotion to the British Crown, Her Majesty Queen Elizabeth II and her representatives in Canada and in P. E. I.; That the association approve the policies of the Federal Liberal Party; that the association reaffirm their faith in the leadership of the Hon. Alexander W. Matheson; and that the association recommend and support an immediate programme of party reorganization throughout the County.

The resolutions committee consisted of John Mustard, Lloyd MacNevin and Milton Furness.

Dulles Still Confident On Berlin Issue

By GEORGE KITCHEN Canadian Press Staff Writer WASHINGTON (CP) - State Secretary Dulles said Friday that he was confident that Berlin will be frustrated if the free nations stand united, observe their obligations and maintain adequate defensive and deterrent power.

At the same time he accused the Soviets of seeking to repudiate their pledged word in their attempts to end the allied occupation of Berlin and turn the German capital into an unprotected city.

"A discouraging aspect of the international scene is the contemptuous disregard of the Soviet rulers of their pledged word," he said in a statement read in a White House anteroom shortly before he flew to Paris to draft with other Western leaders counter-measures against the Russian threat to Berlin.

At the same time he accused the Soviets of seeking to repudiate their pledged word in their attempts to end the allied occupation of Berlin and turn the German capital into an unprotected city.

Wilfred Strecht of the sick committee reported sending a treat to Wesley MacEachern presently confined to bed.

Mr. Currie on behalf of the members thanked the committee in charge of the banquet for their effort in making it a great success this year.

On completion of the general business, the meeting was closed by the Legion's ritual followed by The Queen.

SLOW DOWN AND LIVE

Driving upon the public highways is a privilege as well as a legal right. We owe it to ourselves and to the other driver to have our cars in good working condition: to drive at moderate speed; to observe all traffic rules and to DRIVE CAREFULLY.

This aim combined with adequate Insurance Cover will bring relief from anxiety in many Canadian homes.

At their peak about 2 p.m. in the afternoon the winds were not much more than a breeze at 18 m.p.h. and late last night were blowing at 10 m.p.h.

Young Ch'town Man Is Given 2-Year Suspended Sentence

Donald C. MacDonald of Charlottetown was given a two-year suspended sentence on Friday when he appeared in County Magistrate's Court on two separate charges of break, entry and theft.

The 20-year-old youth pleaded guilty on Wednesday to the December 3rd break at the Gulf Potato Company warehouse in North Wiltshire in which 119 50-pound bags of potatoes were stolen and the December 4th break into the same building and stealing 126 50-pound bags of potatoes.

Three other men are appearing on charges arising out of the same incident.

Defence Counsel J. Elmer Blanchard, in summing up his case, asked the court to take into consideration the young man's age, the fact that there is no previous record against the accused and that MacDonald came from a good family.

Mr. Blanchard said that he was quite sure that the statement given by MacDonald to the R.C.M.P. officers investigating the case would substantiate his claim that "...the accused was led into the crime innocently and realized he actually was mixed up in a crime only when the event was about to occur and with the reckless abandonment of youth went along with it."

MacDonald was released on a \$1,000 Peace Bond of one surety. Magistrate Gilbert A. Gaudet presided.

A young Murray River man, was fined \$10 and costs or 10 days when he appeared charged with creating a disturbance in a public place by fighting.

The incident occurred during a dance in Millview on November 27th when it was noted that a number of other fights took place during the same time.

When the evidence was completed, Magistrate Gaudet told the accused that although he was not involved in the fight inside the dance hall, he admits to taking part in the fight outside. The accused was convicted as charged.

Two men appeared on charges of failing to file 1957 T1 Income Tax forms when ordered to by the local National Employment Office. The Prince Street and Fredericton resident, both pleaded guilty to the charge and were fined \$25 and costs or 30 days.
