Ontario Rinks In Action

Skip Alf Phillips extended his unbeaten record to four Tuesday afternoon as his Ontario team racked up an 11-6 win over Steve Kuzmanski's Northern Ontario quartet. Phillips, tries to bring his rock along while Kuzmanski looks on.

N.S. Sends Manitoba To First Defeat Of Bonspiel

By GERRY MARTIN
Canadian Press Staff Writer

MONCTON (CP)—Gerry Glinz' Truro rink hammered Manitoba 14-5 Thursday night to hand the westerners their first defeat in the Canadian curling championships so far.

The ninth round matches ended with Manitoba and Ontario tied at the top of the heap with seven wins and single defeats.

Manitoba, skipped by Billy Walsh, a draw-shot artist from the Winnipeg Fort Rouge club, just never got started against the Nova Scotia foursome of Glinz, an RCMP sergeant.

Ontario pulled even with Walsh by sweating out a 10-8 victory over underdog Newfoundland, which trails the 11-team field.

Manitoba's loss, coupled with the Ontario victory, made it certain that the round-robin 10-game tournament would go down to the wire before a champion is declared. The five-day bonspiel ends today.

N.S. ONTARIO MEET

Manitoba is drawn against Alberta in the 10th round scheduled to start at 9:30 a.m. AST and against Saskatchewan in the 11th round at 5:30 p.m. AST. Ontario meets British Columbia in the morning and Nova Scotia in the afternoon. Glinz had a 5-3 record after nine rounds, good for a second-place tie with Saskatchewan.

A crowd of more than 2,000 cheered wildly as Glinz, defeated twice earlier in the day, rebounded with his big win over the favored Manitobans. The veteran of four Canadian championships led 6-1 after six ends and sewed up the game with a five-ender in the seventh.

From that point on it was simply a matter of playing out the game. Meanwhile, the Toronto club skipped by Alfie Phillips, had plenty of trouble from the Bob Goudey rink of St. John's.

Phillips led 10-6 after 11 ends and Goudey ended the game with a two. A gamble that backfired on the 11th could have cost Goudey the game. He went for a double takeout on his last rock and missed, leaving Ontario for two. If he had played for the single draw he could have scored one, leaving Phillips with only an 8-7 lead.

Earlier in the day Walsh, 39-year-old civil servant who swept the 1952 championships in 10 straight, managed to edge Newfoundland 9-7 and followed it with an 11-8 victory over British Columbia. Glinz dropped a 10-8 decision to Quebec and was defeated 8-6 by Northern Ontario.

DOWNED ISLANDERS

Phillips, former Canadian diving champion and a competitor in the 1928 and 1932 Olympic games, had a bye in the morning round and handed Prince Edward Island its sixth defeat in eight starts in the afternoon with a close 7-5 victory.

Thursday was the toughest day of the competition to date with rounds played morning, afternoon and evening—and not a rink made a clean sweep.

Only four of the 11 rinks came up with two victories—Manitoba, Ontario, Saskatchewan and Northern Ontario.

The Saskatchewan quartet, skipped by Jimmy Hill of Delisle, defeated Alberta 12-4 in the morning, drew a bye in the afternoon and finished the day with a ninth-round 12-5 victory over Quebec.

Steve Kuzmanski's Northern Ontario rink from Copper Cliff, started out with a close 11-10 loss to British Columbia and followed with an 8-6 victory over Nova Scotia and an 11-8 triumph over Alberta.

Kuzmanski sent the fans home talking to themselves after the afternoon eighth round with his last shot in the game against Nova Scotia. It happened this way:

Tied 6-6 after 11 ends, Glinz got past two guards to take out a Northern Ontario rock. Kuzmanski's first shot fell short, ending up as a guard for the Nova Scotia rock, and Glinz played his last shot just over the hog line for what appeared to be a perfect guard.

TALKS WITH MATES

Kuzmanski conferred with his teammates for five minutes. He finally tossed a medium - speed rock that raised one of the guards and knocked out the Nova Scotia shot rock. Kuzmanski had two biting on the outside circle and both counted to give him the 8-6 victory.

An unusual number of dead ends showed up in the eighth round. Northern Ontario and Nova Scotia blanked the second and third ends and Newfoundland and New Brunswick had no-counts in the 11th and 12th. Ontario and Prince Edward Island had a dead end on the second.

Annual Spring Hockey Storm Finally Hits Coast League

The annual spring hockey playoff storm finally hit on Wednesday and caught many old timers at the game well off-stride. We possibly should have been expecting it if we actually believed that experience is the best teacher but apparently everything seemed to calm and serene that few suspected the depth of the water that was running so still. The decision of the Fredericton Capitals players to refuse to play the 10th and final playoff game at St. John hit like a bomb and left A. C. S. H. L. President Jack Fenety red faced. Fenety and his colleagues on the league executive are or should be quite aware that if they had taken the proper steps before the explosion never would have happened.

The first game of the Caps-Beavers semi-final series played at St. John ended in a 1-1 tie after three periods. Since the league hadn't made any hard and fast ruling regarding overtime in the playoffs the game was left at tie and soon after the league finally got around to holding a meeting and decided that henceforth overtime would be played. Because the Beavers won the league title it was only right that, if the series went the limit, St. John should be the site of the final game, thus leaving the Caps to play 6 games on St. John ice and having only home games themselves. If the overtime decision had been made before the playoffs commenced the Caps would have no reason whatever for pulling out of the last game.

While the reason for the Capital players' decision is vaguely understandable it certainly cannot be condoned. If fact it makes one wonder what was going through their heads for them to arrive at such a stupid verdict. They certainly couldn't have been expecting the league to bow to their wishes, expecially on such short notice. About the only thing they accomplished was to make themselves eligible for a suspension from organized hockey-that is all organized hockey under the jurisdiction of the C. A. H. A. — for one year.

Six of our local college athletes have passed the final selection board and have been promoted from Probationary Cadet to Cadet in the R. C. N. Reserve. Dave MacLeod, who is possibly the best all-round athletes on the Island, hockey players Gordon Tweedy and Peter Whiteneet of P. W. C. made the grade as did basketballer William Kelly, footballer and hockeyist Jack MacDonald of Charlottetown and footballer Des McIvor of S. D. U. The boys will be leaving for some port — probably Halifax - on the east coast following the acedemic year at their colleges. The Abbies track and field team will certainly feel the loss of MacLeod in the tournaments next summer. Dave will likely be doing his running, pole valting, high jumping, etc., for Stadcona.

Rocket Fires Two Goals To Help Habs Nip Toronto 4-3

MONTREAL (CP) — Montreal Canadiens ran in four goals in the second period Thursday night—two of them by Maurice (Rocket) Richard—to defeat Toronto Maple Leafs 4-3 and set back the Leafs in their effort to get a firmer hold on fourth place in the National Hockey League standing.

Six of the game's seven goals came in the middle period, Henri (Pocket Rocket) Richard and Bert Olmstead also counting for Canadiens and George Armstrong and Rudy Migay for the Leafs. Gerry James pulled the Torontonians to within a goal of the league leaders late in the final period.

Rocket Richard's goals were his 37th and 38th this season, matching his total for last season. He also picked up an assist to run his point total to 70.

Jean Beliveau, league leader, counted only an assist and now has 82 points.

In the final minute of the game, with Harry Lumley pulled from the Toronto net to permit more scoring strength and the Leafs battling furiously in the Montreal end, Beliveau was sent out on the ice but the big centre couldn't get a shot at the wide open cage. The wild scramble was too thick in front of goalie Jacques Plante who had his hands full.

Canadiens, already NHL winners this season, pushed their points total to 94, a club record.

Toronto's loss left them still with a three-point working margin over the fifth-place Boston Bruins. The Bruins, defeated by Detroit lost a chance to narrow the margin for the last playoff spot.

Youth Club Takes Series Lead

Lewis Scores Four Pacing B.Y.C. 6-3 Win Over Flyers

With centerman Brian Lewis shooting four goals and setting up another the Basilica Youth Club whipped the Parkdale Flyers 6-3 at the Sports Arena last night to take a 2-1 lead in their best-of-five semi-final series in the Island Senior League.

Lewis got the youth club off to a fast start in the first three minutes of the game firing two goals to give the B.Y.C. a lead they never relinquished. The Flyers added one of their own before the first twenty minutes ended to go into the second trailing 2-1. Lewis scored the only goal of the second and the youth club showed a 3-2 edge in the third.

Big "Spy" Ready and Merrill Pineau got the other goals for the winners. Jim MacLeod, Bob Hurry and Pete Hill took care of the scoring for Parkdale.

Eight penalties, including a misconduct to Ralph Josey of Parkdale, were passed around by referees Brian MacCallum and Don [illegible]n.

ANOTHER BIG CROWD

As in all other contests there was another big crowd in attendance and only bad traveling conditions kept it from being a season high. At that there was almost 1300 fans to see the fast game that at times was a little spotty but generally good.

It took the youth club just 12 seconds of the first period to get the b ll rolling. Jack Ready grabbed the puck just outside the Parkdale blueline and laid a perfect pass across the ice to Brian Lewis who sailed in on Roper in the clear. Lewis faked Roper out of position and scored the first one. A little over two minutes later and the B. Y. C. were enjoying a 2-0 lead and once again it was Lewis finishing off a play with Ready. MacLure started the attack near his own line and Lewis finished it by blasting in his own rebound.

The best trio on the ice all night for Parkdale was the Willie Dunn-Jim MacLeod - Bob Hurry combination and it was MacLeod who got Parkdale as close to the B.Y. C., as they were destined to be for the rest of the game. Kip Ready started Dunn in over the B. Y. C. line. Dunn whipped a long pass to MacLeod driving in on the right wing and Jim caught the upper corner on the short side with a hard shot.

Lewis made it 3-1 for the youth club at 12.43 of the second as he took Wally Shepherd's pass in front of the net and made good on a high backhander.

B. Y. C. PULL AWAY

The B. Y. C. pulled away from the Flyers in the third and built up a 5-1 lead as Pineau shot a quick one at 1.10 and Lewis sank his fourth at 8.23. Pineau scored by rapping in Harry's Simmonds' rebound and Lewis knocked in his own rebound.

Pete Hill scored on a flukey effort fro: . the Blueline as his low shot deflected over MacLure's stick and behind Donnie Simmonds.

With less than a minute to go Spy Ready shot the sixth youth club goal on a three-way passing play with Wally Shepherd and Lewis and 26 seconds later Bob Hurry notched the final marker taking Willie Dunn pass in front of the net and catching the open corner.

CHIT-CHAT . . . The Flyers did not play as well defensively as they usually do ... They missed Junior MacLeod out there but if they can come up with a win on Tuesday they will have MacLeod back for the final contest. . . Donnie Simmonds, replacing John Gehrke in the youth club cage played a sound game but he did not have too many chances to show his real form . . .The Flyers shooting wasn't the best and most of the shots they didn't pound into the netminders pads missed the net . . .The game wasn't quite as exciting as Tuesday's Montague-S. D. U. clash . . .Probably because the B.Y.C. built up such a big lead and had quite an edge territorially. . . But we didn't hear of anybody going away dissatisfied. . . The players went all out to win it and displayed plenty of smart hockey besides throwing around their weight freely.

LINEUPS

B. Y. C.: goal Simmonds; defense Smith, MacLure, F. Shepherd; forwards Lewis, W. Shepherd, J. Ready, Pineau, L. Shepherd, H. Simmonds, Wilson, Weatherbie, Burke.

CARS of the Good Old Days

by Earle MacLeod

There were 125 makes of steam car turned out in its heyday, but only one name is generally remembered today, the Stanley Steamer. And the Stanley was made right up until 1925.

It was the invention of two brothers, P. E. and F. O. Stanley, who were identical twins. Much of the fame of the Stanley, aside from the fact that it was a good car, came from the sight of the Stanley brothers riding side by side high up on their car with identical moustaches and bowler hats.

In 1907 a Stanley was pounding along a Florida beach still gaining speed at 197 miles an hour, when the wind caught its flat under-side and it took off like an airplane. It sailed through the air for 100 feet and landed with a crash. The driver was seriously injured, but he is alive today, an old man still working steam cars.

The invention of the self-starter for gasoline cars was the most crippling blow to steam cars, for the Stanley took as long as an hour to warm up before you could start. A Canadian steamer, the Brooks, was made in Stratford for several years after the Stanley disappeared from the market.

It's amazing the different phases automobiles have gone through, and even in the last 5 or 10 years we have seen new trends pop up. One of the wonderful things about buying at a used car lot is the magnificent variety of styles and power, from the near-new to the almost-ancient, that you can choose from. A wide variety such as we have on the lot means better buys for you. So come in and let us make you an offer, and see if one of these cars won't suit you.
