Schoolboy Curling Ch'ships For S'side On Wednesday

The Provincial Schoolboy Curling Championships will get underway at Summerside Curling Club this Wednesday morning.

The competitions were originally scheduled to take place on January 25 and 26 but due to the fact that Summerside was without electric power and ice they were re-scheduled to Feburary 1 and 2.

Six teams will be taking part in the play; two from Montague High School, one from Queen Charlotte High School and one from P. W. C. in Charlottetown and two from Summerside.

It will be a round robin series with three of the games slated for Wednesday and the rest for Thursday. If a playoff is necessary it will be held Thursday night.

The winner of the meet will advance to the Canadian Championships to be held at Fort William February 20.

It will be well remembered that last year the Prince Edward Island champion P. W. C. team were in the thick of the fight for the Canadian title right up until the last round of play in the meet held at Sydney, N. S.

It was only after a stirring battle that they were beaten out by the Saskatchewan rink.

Saints Drub UNB Red Devils 7-0

FREDERICTON (CP)—St. Dunstan's University of Charlottetown, rolling to its third straight win in New Brunswick-Prince Edward Island Intercollegiate Hockey League action, whitewashed University of New Brunswick Red Devils 7-0 Saturday night.

The islanders are unbeaten after the first half of the schedule, having defeated Mount Allison and St. Thomas. The loss was UNB's second in two games. Red Devils were drubbed by the Tommies last week. UNB will be at home next Saturday to Mount Allison, the defending champions.

St. Dunstan's counted two goals only 35 seconds apart in the third minute of play here, added another in the first, one in the second and three in the third.

Gaston Roy led the scorers with two tallies and assists to Paul Davey and Jean Veilleau. John MacDonald, John R. MacDonald and Ed MacDonald shot the others.

Tempers flared in the loosely played game and 20 penalties were handed out—10 minors and a major to the visitors and seven minors and two majors to UNB.

Stand Out In Saints Win

Bob Fearon (left) and Chick Morrison were two of the standouts for S. D. U. when they sent Mount A. down to a 57-49 defeat Saturday night in an intercollegiate tussle. Fearon paced the Saints powerful second half attack with 10 points and Morrison, playing a fine floor game, was the passing master behind many of the Saints points.

Eugene Lake Paces Attack

Sparked by the 19-point performance by Gene Lake St. Dunstan's University basketball team racked up a 57-49 victory over Mount Allison University in an intercollegiate game played at S. D. U. gym Saturday night.

It was the second upset victory registered by the Saints in as many Saturday nights. A week ago they dropped St. John Atlantics on the same floor.

The Saints took an early lead in the first half but the mounties kept sniping away at it until they held a slim 24-23 lead as the half ended.

Once again the Saints jumped into the lead and this time they hung on to it despite a late drive by Mount A. that took them to within 4 points of S. D. U.

Lake's scoring performance was the best registered by anyone. Bob Fearon was next in line on S. D. U. with 11.

McEwen 13 points was high for Mount A.

COME FROM BEHIND

Coming into the second half trailing by one lone point the Saints outscored the Mounties 9-3 in the first couple minutes of play to build up a 32-27 lead, then paced by the neat shooting of Bob Fearon, Lake and Chick Morrison the Saints gradually increased it to 44-33.

With about 7 minutes left to play in the game Mount A's coach brought Hooper and Wood into the game and the tewo newcomers sparked a mountie drive that reduced the Saints lead to 5 points.

Three minutes and 7 seconds were left when Roberts connected to make the score 51-47. But that was as close as Mount A. could come for the rest of the game as Bill Farmer hit on two foul shots and Fearon connected from the floor to run the lead to 55-47.

In the last couple of minutes Fearon salted the game away on two foul shots.

WIN ON FOULS

Referees Cy MacIsaac and Harold Howatt called a total of 34 personal fouls 23 of which were handed out to S. D. U.

The Saints had a very fine shooting average in the free-throw department, making goood 21 out of 31 of them.

Mount Allison made only 15 of 36 free tries.

Russians Strengthen Hold On Unofficial Team Leadership

By KEN METHERAL
Canadian Press Staff Writer

CORTINA d'AMPEZZO, Italy (CP)—An Austrian plumber and a Russian engineer won gold medals at the winter Olympics Sunday as the Soviet Union strengthened its hold on the unofficial team leadership.

Toni Sailer, 21-year-old Austrian, leaped and twisted brilliantly through 69 gates on the slopes of Tofana mountain to win the giant slalom race for men skiers.

Russia won its third gold medal when Boris Schilkov, 28, easily captured the 5,000 - metre speed-skating title in record time.

Canadian athletes were entered in all four of the day's individual events but their best showing was ninth place by Charles Snelling of Toronto in the compulsory figures of the men's skating.

LUCILLE WINS POINT

Russia, participating in the winter Games for the first time, appeared headed for certain team victory, replacing the Norwegians as the power in winter Olympic sports.

Soviet athletes picked up 14 points in the speed-skating and increased the team's total to 60.

Lucille Wheeler of St. Jovite, Que., earned Canada's only point in the women's giant slalom.

In the men's giant slalom on 10,640-foot Fotana, Sailer took three minutes, 1-10th of a second to swivel down the 8,700-foot course which has a drop of 2,042 feet.

Austrians dominated the race, taking the top three places and sixth. Andreas Molterer was second in 3:06.3, Walter Schuster third in 3:07.2, Adrien Duvillard of France, fourth in 3:07.9, Charles Bozon of France, fifth in 3:08.4, and Ernst Hinterseer of Austria, sixth in 3:08.5.

17 SURPASS MARK

Andre Bertrand, 24 - year - old Canadian combined ski champion from Quebec City, was 39th in the field of 90 with a time of 3:33.1.

In the 5,000-metre speed-skating, Schilkov's time was 7:48.7, an Olympic record and close to his own world record of 7:45.6.

Once again the amazingly fast ice on Misurina lake contributed to a record-breaking performance as the top 17 skaters surpassed the Olympic mark of 8:10.6 set by Hjalmar Andersen of Norway a Oslo in 1952.

Ralph Olin, 30, Calgary policeman who holds the Canadian senior title and is captain of the Olympic speed-skating team, was 33rd in 8:30.5, fastest time ever recorded by a Canadian. In the 1952 games, Olin was 25th in 8:54.2, and Craig McKay of Saskatoon 23rd in 8:52.5.

It was a hard checking game, and Ramblers suffered another setback as Frank Liscombe left the game with an injured knee after being checked on the boards. Ramblers are already without the services of injured Copper Leyte.

Penalties Bring Protest By Canadian Officials

By KEN METHERAL
Canadian Press Staff Writer

CORTINA d'AMPEZZO, Italy (CP)—A one-sided penalty parade in Canada's 3-1 victory over Italy prompted a protest by Canadian officials Sunday over the refereeing in the Olympic hockey tournament.

Kitchener - Waterloo Dutchmen drew 11 of the 15 penalties Saturday as they completed their unbeaten advance to the six-team final round. James Dunn of Winnipeg, president of the Canadian Amateur Hockey Association, described the game as "one of the worst exhibitions of refereeing I have ever had the misfortune to witness."

The Canadians meet Czechoslovakia at 11 a.m. MST today in their opening game of the six-team, round-robin final competition.

DUTCHMEN DISORGANIZED

The loss, combined with Germany's 7-0 victory over Austria Sunday, eliminated the Italians. Despite the presence of six former Canadians in their lineup — five played against Dutchmen — Italy finished preliminary round-robin play with two ties and a defeat.

Canadian spectators said the Italians, whose game against Germany Friday ended in a near riot, repeatedly escaped punishment for flagrant holding offences Saturday while Dutchmen were penalized as they attempted to break free.

Disorganized by the penalties, Dutchmen yielded their first goal of the tournament to Italy's Ernesto Crotti while they were a man short midway through the first period.

CRITICIZES UNGER

Gerry Theberge fired his seventh goal of the tournament to tie the score just before the period ended but Dutchmen had to battle through a scoreless second in which they received six of the seven penalties imposed before they were able to take the lead.

Charlie Brooker finally deflected Art Hurst's shot into the Italian net for the winning goal at 13:20 of the final frame. The losers, led by star goalie Giuliano Ferrari, protested unavailingly that Brooker was in the crease. George Scholes added an insurance tally on a breakaway while Canadian captain Jack McKenzie was sitting out his team's last penalty.

Dunn was particularly critical of the work of German referee Hans Unger, who handled the game with Norway's Tore Johannessen and called almost all the Canadian penalties.

While he found fault with the general calibre of refereeing in Europe, the CAHA president said: "We specifically asked that referee Unger should not be allowed to handle any more games in the tournament—especially games involving Canada.'

"It is about time the standard of refereeing in Europe was improved,' Dunn said. "The same thing happens every year.

J. F. (Bunny) Ahearne of London, European president of the International Ice Hockey Federation, said Sunday he did not attend the game but had "heard of the protest" and was calling a meeting of all referees for today.

But, he added, "you can't make good referees at meetings."

INCITE ANGER

Canadian coach Bobby Bauer, whose clean play with Boston Bruins won him the Lady Byng Trophy three times during his National Hockey League career, said after Saturday's game that Europe should develop some "decent referees" or forget about international hockey.

"These games are supposed to develop sportsmanship and international goodwill," he said, his face flushed with anger.

"How can you have goodwill when you get referees who allow themselves to be influenced by a partisan crowd and practically incite players to lose their temper?"

Bauer said he was proud of the way his players held their tempers despite "flagrant provocation."

The low point in the officiating was reached in the second period when Carlo Montemurro, one of the Italian-Canadians from Rouyn, Que., grabbed Canadian defenceman Howie Lee by the arm and dragged him to the ice. To the crowd's delight, referee Unger thumbed off the bewildered Lee.

READY TO FIGHT

Then, after a hurried conference with Johanessen, he sheepishly skated to the boards and nullified the sentence. Montemurro was not penalized.

The violence reached its peak later in the period when Lee and Italian captain Mario Bedogni engaged in a shoving match and appeared ready to drop their gloves and begin fighting.

Again Unger sent Lee off without penalizing the Italian although the Canadians swarmed around the official in protest. Play had to be halted for five minutes until order was restored as the crowd booed and whistled at the indignant Dutchmen.

Johnny Landy Breaks Four-Minute Mile For 3rd Time

MELBOURNE, Australia (AP)—Long striding John Landy, the world's fastest miler, cracked the four-minute mark again Saturday with a sensational 3:58.6 clocking—second fastest mile ever run.

In running the first sub-four minute mile ever recorded in Australia, the lanky teacher may have convinced himself that he should definitely give up retirement and stick around for the 1956 olympic games starting here Nov. 22.

Landy was only 6-10ths of a second off his world record of 3:58 flat as he whirled around the Olympic Park track to defeat Merv Lincoln and Ron Clarke.

But, he didn't think his time would be good enough to win the 1,500-metre race in the next olympic games, although he said he was "reasonably satisfied.'

AIMS HIGHER

"It was a good run, but not what I wanted to do,' said Landy, in his third race after a year of retirement.

"To win the Olympics I must be able to run a mile in 3:55 or 3:56 I was trying to anticipate today what will be needed then. I have gone so far now I must keep on but this time today can easily be duplicated overseas.

Lincoln finished second to Landy and the crowd went wild as he gave the champion a battle all the way until the final yards. Lincoln was hot on Landys' heels until near the finish when Landy pulled away. As it was, Lincoln was timed in 4:00.6, good enough to get his name among the worlds top 10 milers.

Landy amazed the sports world June 21, 1954, at Turku, Finland, with his 3:59 record, which clipped 1.4 seconds off the mark of England's Roger Bannister. Only a few weeks before, Bannister had become the first to break the four-minute barrier with 3:59.4.

THIRD TIME

Saturdays effort was the third time Landy has broken four minutes. He did 3:59.6 at Vancouver in the British Empire Games Aug. 7, 1954, but was defeated by Bannister, who won in 3:58.8.

After that famous "mile of the century," Landy retired and became a professor of agriculture. But the running bug hit him again with the approach of the 1956 Olympic Games, and just two weeks ago he said:

"My first real race over the distance (mile) will be in the Australian championships in March. I plan to run inside four minutes then—by that, I mean well inside four minutes.'

Five men now have broken the four-minute mile. In addition to Landy and Bannister, they are Laszlo Tabori of Hungary, and England's Chris Chataway and Brian Hewson. The latter three did it in one race at London's White City Stadium May 28, 1955. Tabori winning in 3:59. Chataway and Hewson both were timed in 3:59.8.

Montague Meteors Win Game 10-5

The Montague Meteors went rampant over a combined Summerville and Cherry Valley hockey team at Montague Saturday night when they notched up a 10 to 5 victory.

P. Fraser and B. Clair each accounted for 3 goals, H. Power for 2 and G. MacInnis and K. Clements a singleton each.

For the visitors M. MacRae scored 2 and singletons went to N. Fraser, N. Lannigan and C. Morrissey.

In the second game of the double feature the Montague High School girls defeated the Montague Paperweights 3 to 1. Gwen McCarron with two scores and Elaine Poole with one were the goal getters for the girls while Roger Clair was the lone marksman for the Paperweights.

Currie Thinks Criticism Unfair

TORONTO (CP)—Greg Currie, coach of Toronto Lyndhursts when they lost to Russia in the 1953 world hockey championships, said Saturday he thinks criticism of Canadas 23-0 win Friday over Austria is unfair.

Several Canadian sportsmen were critical of the high Olympic score tallied by Kitchener-Waterloo Dutchmen.

Among the critics was Dr. Joseph Sullivan, goalie with the 1928 Varsity Grads, Olympic hockey champions, who said:

"It's no credit to Canada. They shouldn't beat these weak teams by more than 10 goals.

"Id have been happier if they had divided that score between the Austrian and German teams."

The previous day Canada beat Germany 4-0.

Aces Looking For Win

S'side Meets Flyers Tonight

Tonight in Summerside at Civic Stadium the league-leading Parkdale Flyers will be tangling with the hometown Aces in a regular game of the Island Senior League.

The Aces will be looking for their first win on home ice. In three games already played there they were beaten 6-2 by the Flyers 7-5 by B. Y. C. and on Friday night were shaded 6-5 by Montague Primroses.

However all games were close. The first two went into overtime and it was only after a bitter struggle that the Aces lost Friday's game.

Even if the Aces win tonight they will still be in the league cellar. However the Flyers will have a chanc to take over sole possession of top spot with a victory. At present they are tied with the B. Y. C.

It was feared last week that the Flyers would be without the services of high scoring Willie Dunn for tonight's game. But it was reported last night that Willie will be fit and ready to make the trip.

The Flyers will be leaving for Summerside at 7 p.m. on a chartered bus leaving from Barry's Snack Bar. There is plenty of room for passengers and no doubt there will be a good number of Flyers' followers making the trip to lend the team a little moral support.

Rangers, Montreal Win

TORONTO (CP)—Rookie Andy Hebenton scored two goals Saturday to lead New York Rangers to a 3-1 National Hockey League victory over Toronto Maple Leafs before 13,362 fans.

Hebenton, 26 - year - old right winger, broke up the game at 19:18 of the third period when he fired a 30-foot shot into the empty Leaf nets. Toronto had yanked goal tender Gil Mayer in favor of an extra attacker when Hebenton was put in the clear on Danny Lewicki's pass.

Hebenton's performance gave him a total of 17 goals for the 55-56 campaign and made him the highest goal scoring rookie in the league.

Left winger Pete Conacher tallied the other Ranger goal. It sent the Blue Shirts into a 2-0 lead at 3:25 of the last session.

Leaf centre Tod Sloan picked up his 19th goal of the season at 11:42 by beating goal tender Lorne Worsley with a close-in shot. That moved him into the National Hockey League goal scoring leadership one goal ahead of Detroit's Gordie Howe.

All three Ranger goals came while Leafs were short a man.

Although Leafs outshot the New Yorkers by a wide margin they couldn't beat Worsley. He stopped 35 shots, as compared to Mayer's 17.

MONTREAL (CP) — Jean Beliveau and Maurice (Rocket) Richard scored two goals each Saturday night in a 6-1 shellacking Montreal Canadiens handed Boston Bruins before 13,596 fans.

Bernie Geoffrion and Claude Provost supplied the other Montreal goals and Vic Stasiuk counted for Bruins. It was a complete reversal of Thursday's game in Boston, when the last-place Bruins whacked down the National Hockey League leaders 5-1.

After a scoreless first period, Canadiens moved into a 2-0 lead in the second. Geoffrion scored on Tom Johnson's pass at 11:34 on a low, partly-screened shot. Beliveau reached far out to gather in Richard's pass and score from close range at 12:42.

IN EIGHT SECONDS

Canadiens sent in four goals behind goalie Terry Sawchuk in the final period. Richard got his first at 3:26 when Sawchuk had to move out to block Dickie Moore's weird looper and The Rocket got around him after traping the rebound. With Bob Armstrong of Bruins sitting out a tripping penalty, Beliveau and Richard score in eight seconds. Beliveau backhanded Richard's pass home at 10:10 and The Rocket, knocking down the puck on Bill Quackenbush's attempt to clear, fired a fast shot past Sawchuk at 10:18.

Bruins were still shorthanded when Stasiuk counted at 11:49.

Provost, taking Floyd Curry's pass, ended the scoring at 13:36 with a shot high in the net.
