A Salvationist Hanged.

"HAPPY BOB" PAYS THE PENALTY OF HIS MURDEROUS JEALOUSY.

Robert Van Brunt was hanged at Warsaw, N. Y., on the 13th inst., for the murder of William Roy at Castle Oct. 7, 1886. Robert Van Brunt, alias "Happy Bob" or "Salvation Bob," was born in England in 1864. He made his way to London, and there on one occasion attempted to commit suicide by jumping into the Thames, for doing which he was arrested and confined. He came to this country in 1880, and was given employment by Mr. Hughes of Toronto. According to the story he told at his trial, he tried to poison himself with laudanum in one of the rooms of the Y. M. C. A. building (Shaftesbury Hall) here. After this occurence he joined the Salvation Army and became quite a noted character in its ranks. At Thorold Ont. he again tried to commit suicide, this time by shooting, having got into some difficulty with a young woman. He escaped before complete recovery from the hospital to which he was taken. In course of time he blossomed out as an officer of the army, and went to Warsaw, N. Y., where he first saw Eva Roy, the girl whose brother he murdered, who lived at Castile. He fell in love with her and went to board with her family. On the morning of Oct. 7, 1886, he found her sitting on her brother's knee, and in a mad paroxsym of jealousy drew a revolver and shot him mortally. He was tried, found guilty of murder in the first degree and sentenced on Feb, 19, 1887, to be hanged on April 15 of that year. Great efforts were made to save him by appeals, but on Feb. 28 last the sentence of of condemnation was confirmed to be carried out April 13. Unsuccessful efforts were made during the trial to get the jury to believe that he was insane.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) **$1.00, or six bottles for $5.00.**
