On arrival in Summerside Mr. and Mrs. Finlay accompanied by Mr. T. Earle Hickey, president of the Summerside Boy Scouts Association, waited on His Worship Henry W. Wedge who accorded the distinguished visitors a civic welcome and made them a presentation on behalf of the town of Summerside.

On behalf of the Summerside Scout Association, Mr. T. Earle Hickey, the president, in making a presentation to the honored guests said that much progress is being made in scouting in Summerside and he gave credit for this advancement to the Summerside Y's Men's Club which had furnished leaders who had willingly given their time in order that the Boy Scout movement might flourish.

How to KEEP FIT after 50

In the old days fifty seemed the signal to slow down—take things easy—watch your diet—get more rest. It's still good advice. But these days you can face fifty with many interesting and active years ahead—active, that is, if you can avoid backache and the "fired-out" feeling, due to kidney and bladder disorders, that often develop around that age. For more than 60 years DODD'S Kidney Pills have been helping men and women of all ages to keep kidneys and bladder in good order, helping them to feel better, to work better, and get more fun out of life.
