

Farms Service Field Day Held On Magdalen Islands

The Experimental Farm at Charlottetown maintains an illustration station on Grindstone Island on the farm of Edward Bouffard and another on Amberst Island on the farm of Albert Lapierre. These two stations were scenes of field days on Tuesday and Wednesday of the past week. The field days were conducted by R. C. Parent, Superintendent, Experimental Farm, Charlottetown, assisted by the Agronomes, Jerome Solomon and J. Milord of the Magdalen Islands and Mr. J. G. Provencher, Division of Illustration Stations, Experimental Farm, Ottawa.

Prize Winners

- Continued from page 1

Class I - David Barlow, Rogers Burleigh, Catherine Calbeck, Re-

- States and Canadian hospitals.
Home on a brief vacation is Dr. Allison Saunders, who has been taking post graduate training under a fellowship for experimental surgery and cancer research at Royal Victoria Hospital, Montreal. Dr. Saunders is visiting with his parents, Mr. and Mrs. L.W. Saunders, Prince Street, and expects to return to Montreal Sunday.

On both Grindstone and Amberst Islands it is interesting to note that the Canso potato still retains its resistance to late blight and another on Amberst Island this variety has lost some of its resistance. It is also interesting to note that there are no potato beetles on the Magdalen Islands. During the evening meeting at Grindstone Island, which was in charge of Mr. Jerome Solomon, Agronomer, Mr. Provencher showed a series of slides depicting crop improvement programs in various parts of Eastern Canada, particularly on Illustration Stations. Mr. R. C. Parent showed a series of slides on the Experimental Farm at Charlottetown and also, from the British West Indies, The Maritime Provinces and the Magdalen Islands carry on a lucrative trade with the British West Indies and the story of these islands was of particular interest.

SEA CADETS DO WELL

Members of the local Sea Cadet Corps, R. C. S. C. C. Kent, embarked from the train which returned them to the Island after a two week long summer camp. The camp was held at H. M. C. S. Acadia, Sydney, N. S. and the training programme included boxing tournaments, sailing, swimming and a tour of the Desco steel plants. While in camp the boys upheld the Island tradition re-

Parent showed a series of slides on the Experimental Farm at Charlottetown and also, from the British West Indies, The Maritime Provinces and the Magdalen Islands carry on a lucrative trade with the British West Indies and the story of these islands was of particular interest.

A group of the 106 students attended the Daily Vacation Bible School conducted by the Charlotte Baptist School with Mr. Ralph Rupert as General Director. This year's course featured handicrafts and the pupils will display their work following Church service tomorrow morning. Also shown are some of the twenty instructors who conducted classes designed to teach important Bible truths.

Code, for not stopping at the scene of an accident, evidence was heard for the prosecution and the case was adjourned until Aug. 20th. A bench warrant was issued by Magistrate Gaudet for the arrest of a resident of Bradalbane, who was served a summons by the R.C.M.P. in Crapaud, but failed to appear in court. An accused, charged with having possession of intoxicating liquor not purchased on his individual permit, was fined \$50 and costs. Also on the docket was a case against a local construction firm, under the Fish and Game Act, for washing gravel and residue in a stream supposedly containing fish, which was further adjourned one week.

Mr. A. G. O. Whiteside, Principal Cerealist, Central Experimental Farm, Ottawa, is heading a group of cerealists studying the investigations being conducted by the Maritime Experimental Farms Mr. Whiteside arrived here on August 9th and will proceed to Nova Scotia tomorrow. Also on tour are Mr. H. A. Riordan, Experimental Farm, Nappan, Nova Scotia, Mr. T. C. Chaisson, Experimental Farm, Fredericton, New Brunswick, and Dr. Vernon Clark, Science Service Division, Ottawa. Dr. Clark is making a survey of oat and barley disease problems confronting Maritime growers and will work in operation with Maritime cereal breeders in studying these problems. Mr. Whiteside is particularly interested in any development of winter wheat and rye production in the Maritime area. M. R. B. MacLaren, Experimental Farm, Charlottetown, joined the tour in New Brunswick and Nova Scotia.

Appearing before Magistrate Gilbert Gaudet Friday afternoon in Queen's County Magistrate's Court were six speeders who were each fined \$10 and costs. For failure to present his motor vehicle for inspection at the R.C.M.P. barracks in Charlottetown, after being checked for defective equipment, an accused was fined \$5 and costs. A person charged under the Highway Traffic Act for operating a motor vehicle without registration plates, pleaded not guilty, and was remanded until Wednesday, August 15th. A female, charged with passing on the wrong side of the road in overtaking a car received a fine of \$10 and costs. An accused, appearing for the second time on a charge of operating a motor vehicle using another motor vehicle's registration plates \$50 and costs. In a case, under the Criminal
