ANOTHER LYCHING—There has lately been a lynching out in Iowa that matches in atrocity some of those that we are accustomed to read about in the South. The victim was strung up in the court room where he was being tried, and the mother of the victim furnished the rope. BLOOMFIELD MEETING.

First Fire in First District—Plats up First Fire in First District—Plats up First Fire in First District—Plats up

The first political fire of the campaign was drawn at Bloomfield Hall on Saturday evening. Despite the fact that that blew without, the electors flocked to the meeting. It was representative in every sense, and need we say highly interesting. The meeting was organized by appointing Prof. Pite to the chair. Mr. Benj. Rogers opened the fire in a bitter attack on Mr. Matheson. Mr. Matheson, his taro arrived, proceeded to show that Mr. Rogers was, in common language, (not the parliamentary article) a liar. Rogers, of coat, and paucity of matter, until the sturdy honesty and decency of the Bloomfield people manifested itself, and declared in no uncertain sound, that it was to hear the common issues discussed, and not personal dirty line-walking, that brought the meeting together. Mr. Matheson met a merciless cross-firing on the Land Office from the people, who are thoroughly alive to the necessity of driving out the wretches. Mr. Leitch spoke, but he had only a garbled speech, and the Montreal Star article to give and another commendation of the real machine from the Journal. Mr. Blanchard followed, and intently detailed the details of his poor homes. The opinions of the Montreal Star, rightly or wrongly cited, were not what the people wanted. They wanted explanations of the hundred and one corrupt uses of the present administration. Then Mr. McLellan was catechized in fine fashion, but he "didn't the books" he sang drums. "I was a beautiful face he played, and Mr. Birch, who won everybody to his side by his eloquent address, was done with him he sank away to seek the cover of some hirelings he had detached with "jobs" or Land Office relations. The war between the Mathesonites and Rogersites rages with increasing vigor. Blanchard is away ahead in the running. Birch is now considered a winner. The henchmen of Peters have no need of explanation for their acts; here they are eating themselves up and avoiding the discussion of public questions. The prospects were never brighter than for the two B's, and they brighten with every word of the people is: "Down with the Land Office wretches," and rings out in tones stentorian in their strength. The meeting Monday evening at Tignish was solidly Conservative. Birch and Blanchard are the people's favorites. Blanchard will poll the highest majority ever recorded here for a candidate since Howland's palmy days.

MOUNT HERBERT MEETING.

The political campaign in the Fort Augustus district opened last night with a rousing meeting in the Mt. Herbert Hall. The building was packed with a large, intelligent and deeply-interested audience of farmers, who listened with the keenest attention to the candidates' utterances. Messrs. Blake and Stewart, the opposition candidates, had beyond cavil the best of the argument, and was plainly shown by Mr. Peters being his temper and whining like a whipped boy. The ruinous condition of the Province's finances, the drifting policy of the Government, the extensive and shameless extravagance and corruption in the expenditure on the roads, the scandalous favoritism in the Land Office, and the other sins and shortcomings of a very unpopular Government were clearly and forcibly put before the electors by the Opposition speakers. The cheers which greeted their appearance on and departure from the platform, showed how unpopular the Peters continuation has become. The feeling of the electors of Mount Herbert is unmistakably against extravagance, corruption and never-ending deficits. That why political fox, Wm. Welsh, M. P. was present and addressed the meeting. He made amusement for the boys but failed to win any sympathy for a government which is in the last stages of dissolution. The Third District is safe for the Opposition.

APPIN ROAD NOTES.

One day last week Messrs. Neil Shaw, of Black Point, and A. B. Warburton, of Charlottetown, visited this place, and as a result of their call some of the wavering electors have agreed to vote for the Government candidates if they would open up the road leading from Appin Road Schoolhouse to Currier's, better known as the Currie Road. The road is to be sold on Thursday next, 30th inst. Previous to their visit the Commissioner of Public Works, Mr. Currier, and what they call a "supervisor," visited the place and had a consultation with some of the people in reference to the matter. They saw and Warburton appeared on the scene and completed the deal. It is stated that the cost of opening up this road is to appear in the estimates for next year. On account of the opening up of this road Mr. Warburton gets six votes which he would not otherwise receive. This road, it may be explained, was opened up by the Davies-Stewart government at a cost of about \$400, and is comparatively useless except for a few persons. If they now expend four times that amount on it they will never make a road out of it. A. C.

A Letter From His Dad.

DEAR SON,— Yours to hand yesterday. It gives me great pleasure in sending you a cheque for \$100. Thanks to Prowse Bros. & Co. They have done the people of this country more good and saved them more money than any firm that ever started business in Charlottetown. I am glad you are buying your Furnishings and Carpets from men you can depend on. They won't misrepresent an article to make a sale. You spoke about me recommending anyone who might want a Carpet to trade there. It would be impossible for me to tell anyone who has not already heard of Messrs. Prowse Bros. & Co. Why, your sisters, your cousins and your aunts all trade there. They say their store is like a fair on market days. Crowds of thankful buyers are found pressing their way up to the counters to have a share in the bargains which they daily offer. Good bye.

From your loving FATHER.
