WEEKS — In loving memory of our dear father Howard S. Weeks who passed away on March 16, 1949. Looking back with memories Along the path we tread, We miss the years we had with him And leave the rest to God. Lovingly remembered by son Lorne and daughter Lolita.

KING — In loving memory of our dear father, Herbert H. King, who passed away March 16th, 1958. We miss the years we had with him. Who was more to us than wealth untold. Without farewell he fell asleep Leaving only memories for us to keep. We lost but God gained. One of the best fathers the world contained. Fondly remembered and sadly missed by Max and Joan.

BUTLER — In loving memory of a dear husband and father, Pierce Butler, who passed away March 16, 1965. "It was a cold day in March, We stood by an open grave, As we slowly lowered a loved one, We would have given our lives to save. We could not awake That soul in silent clay, So we lay down our hearts beside him. And slowly walked away. Lovingly remembered but sadly missed by wife Ethel, and children Diana, Douglas, Wanda, Boyd, Daniel, Gerald and Stephen.

HICKOX — In loving memory of a dear husband and father James H. Hickox who passed away March 16, 1965. We never lose the ones we love, For even though they're gone, Within the hearts of those who care The memory lingers on. We miss him because we loved him. He was dearer than silver or gold. No one on earth can replace him. His memory will never grow old. Although he is gone for ever, His hands we cannot touch, Still we have so many memories Of the Dad we loved so much. Lovingly remembered and sadly missed by wife and family.

KING — In fond and loving memory of my dear husband, Herbert H. King, who passed away March 16th, 1958. This month is here with deep regrets, It brings back a day we will never forget. He fell asleep without saying good-bye, But memories of him will never die. There is no parting from those we love. No distance can divide For today in memory's garden, We will walk side by side. Lovingly remembered by his wife Helen.

Widening the Employment Horizon—for job seekers

The primary purpose of the Manpower Mobility Program is to provide financial assistance to Canadian workers who are unemployed and find it necessary to move to other areas in Canada of greater employment opportunity. The program is national in scope providing for loans or grants to workers and their families to cover the cost of moving and resettlement when it is clear that the move is in their own and the country's best interests. The Manpower Mobility Program is an important part of the Government of Canada's over-all manpower program which, within the framework of general economic policy, is designed to help maintain full employment and make the best possible use of the country's manpower resources.

Q. Who is eligible for a loan or grant?

A. You are eligible:—

- if there is little or no chance of getting a suitable job in your home area,
- if there is suitable employment available elsewhere for which you will be hired, and a shortage of qualified workers,
- and if there is a good chance that the new job will result in your permanent resettlement.

You are ELIGIBLE FOR A LOAN— if you are either unemployed or under notice of permanent layoff within 30 days from the day you apply for a loan. You are ELIGIBLE FOR A GRANT— if you have been unemployed for at least four of the six months preceding the date you apply for a grant;

Have completed a provincially approved training course or a program of vocational rehabilitation and re-establishment during the previous three months;

Are a former automobile or auto parts worker eligible for Transitional Assistance Benefit in respect of layoff,

Are a key skilled worker needed by an employer who received a development grant under the Area Development Incentive Act.

Q. How do I apply?

A. You apply at the nearest office of the National Employment Service. Give them the facts, and they will relate your experience and training to available job opportunities, first locally and then in other areas.

Q. How much of the cost of moving will a loan or grant cover?

A. For a worker with dependents, a loan or grant will pay for the actual cost of transportation of himself and his dependents, including meals and overnight accommodation. Also covered is the actual cost of moving most household and personal effects.

Q. And the costs of resettlement in the new area?

A. For those with dependents, resettlement allowances are \$200 each for the worker and his wife and \$100 for each additional dependent, up to a maximum of \$1,000.

Q. What about a worker without dependents?

A. For a worker without dependents actual transportation costs are paid but loans and grants do not cover the movement of household and personal effects. There is a resettlement allowance of \$100 for those receiving loans. Those receiving grants can also receive this resettlement allowance as a loan, not a grant.

Q. How is a loan repaid?

A. Normally, in not more than 20 monthly instalments beginning four months after the loan is made. Interest is 5 1/2% per annum.

Q. Is there anything else I should know?

A. Yes, if you have obtained a loan or grant and need a medical examination to obtain a suitable job, then an additional grant may be made to cover the cost. If you have moved somewhere to look for a job before this program came into effect, you may be eligible for a loan or grant. For more information—check your local N.E.S. office.
