Public Works Expenditures.

THE Administration of Sir John McDonald will be memorable in the history of Canada by the Public buildings that have been erected and the public improvements that have been made.

Table with 3 columns: Provinces, Public Works, Total. Rows include Nova Scotia, New Brunswick, P. E. Island, Quebec, Ontario, Manitoba, Brit. Columbia, N. W. Terr. & Miscellane.

Total...\$121,303,007 \$21,333,039 \$143,336,046

This is exclusive of the large subsidies granted in aid of the construction of the Canadian Pacific Railway.

And still the work goes on, as witness the excellent Dominion buildings just completed and under construction in Summerside and Charlottetown.

It will be seen by the above statement that the Maritime Provinces have not been neglected. Collectively they received from the Dominion for public works, up to the 1st of July, 1885, \$45,841,521; while Ontario obtained about \$43,000,000, and Quebec \$30,000,000.

In this Province, since the 1st July, 1873, there were expended by the Dominion, for public works and improvements, \$2,665,749, or about a seventieth part of the whole sum expended by the Dominion Government since the inauguration of Confederation in 1867.

The Genesta and Puritan.

THE result of the ocean yacht race may be accepted as a proof that the American style of yacht is, at all events, the swiftest. The race was a test of the relative merits of the best types of English and American yachts—the cutter and the sloop.

Mr. Earle's Concerts.

It is pleasing to learn that Mr. Earle intends, with the aid of the best vocalists of this city, giving at least two Oratorio Concerts during the approaching autumn and winter.

The State of Trade.

The Montreal Gazette (September 11) says:— "What change there is in the business situation is for the better and current view of trade, although not rapid, has a healthy flow, which has a noticeable tendency to broaden and deepen as the season progresses."

—Even the bitterest Opposition organs occasionally, in a candid moment, admit that Canada is progressing at a very rapid rate by comparison to the United States. For example, the Montreal Witness gives the following figures.

Table with 3 columns: Year, Canada, U. S. Rows include Population's Increase and Exports and Imports.

—The Omaha Bee says:—"The Republican party needs new leaders with brains enough to comprehend the demands of the present, and with ability enough to construct a platform without any platitudes, and to frame policies that are suitable to this progressive age."

—Sir William Dawson has been nominated President of the British Association; and the Montreal Herald remarks: "Sir William Dawson's reputation and attainments as a man of science, no doubt, make him worthy of so eminent a position, but his appointment is none the less a high compliment to Canada. Canadians must feel gratified at seeing one of their countrymen

presiding over the deliberations of a body composed of the most distinguished scientists, not only of Great Britain but of the whole British Empire and the world."

MEETING IN HALIFAX.

(From our own Correspondent.)

A meeting was held last evening at St. Luke's Hall for the purpose of considering the best way for perpetuating the memory of the late Rev. G. W. Hodgson, and for raising funds for that purpose.

The Ven. the Archdeacon of Nova Scotia, Chairman. The Rev. V. E. Harris, Secretary. Revids. D. C. Moore, Stellarton. J. A. Kaulbach, Truro. F. R. Murray, Halifax. W. C. Wilson, Halifax. Canon Maynard, Windsor. E. A. Harris, Mahone Bay. J. Ambrose, Digby. Dr. Nicholls, Liverpool. R. D. Bambrick, Sydney Mines. J. M. Davenport, St. John, N. B. Canon Brigstocke, St. John, N. B. F. W. Vroom, Shediac. The Chaplain General of H. M. Forces.

Messrs. E. Bayfield, Charlottetown. L. Watson, Charlottetown. T. Brown, Halifax. C. Bullock, Halifax. H. S. Poole, Stellarton. C. Townsend, Amherst. Hon. Senator Kaulbach, Lunenburg. E. C. Kaulbach, M. P., Lunenburg. Hon. H. Fansh, M. D., Liverpool. Dr. Moody, Windsor. Dr. David Muir, Truro. J. Allen Jack, St. John. C. Weldon, St. John. Major Freeland, London, G. B.

It was sincerely hoped at the meeting that the Island would contribute handsomely to the proposed "Hodgson Lecture-ship" and in this way show their regard for the loving services of a faithful pastor, and at the same time assist to keep his memory and example fresh in the minds of the rising generation of clergy in the Maritime Provinces.

Queen's County Rifle Association.

At the Annual Business Meeting of this Association, held on Saturday evening last, Major G. L. Doherty was re-elected President. The members of council for the ensuing year are the following:— Major Mabon, Capt. McDougall, Lieut. McDonald, Staff Sergt. Allan, Sergeant Younker and Private D. L. Hooper. Lieut. D. A. Longworth was re-elected Secy-Treas. It was decided that the annual prize meeting should take place on Thursday next, 24th inst., competition to commence at 8 a. m. A Nursery Match, at 400 yards, has been arranged, open to those who have not at any previous meeting taken a prize of \$2 or upwards. The D. R. A. medal will be awarded to the highest aggregate in the 1st and 2nd matches, which will be fired at the 200 and 500 yards, and 500 and 600 yards, respectively.

New Customs Regulation.

The Customs Department have cancelled a recent order respecting importation of goods from the United States, and have the following order in its place:—"Invoices of goods purchased in bond in the United States, in order to entitle such goods to entry at bonded market value, require to be accompanied by certificates from the Collector of Customs at the port of export, certifying that the goods were duly entered warehouse and export, giving the date of import and export and marks of package, and in cases where invoices are not accompanied by such certificates or other sufficient proof of the value on which duty is to be collected, shall be valued in open market at the time of shipment, and in all cases where doubt exists as to such value, the usual course prescribed by the appraisement section of the Customs Act should be taken and applied to the case."

CANADIAN trade with the United States, so far as our imports thence are concerned, amounts to more than that of all South America, for while the Americans send four per cent. of their total exports to South America, they send 5 1/2 per cent. to us. During the fiscal year 1884, ended 30th June, according to the U. S. Bureau of Statistics, Great Britain and Ireland took 53 per cent. of all the merchandise exported from the States. Germany, over 8; France, nearly 7; Spain, 1 1/2; Brazil, 1; British West Indies, 1. The share purchased by the whole of Europe was a trifle over 97 per cent. of the total export.

Meeting of Presbytery.

The Presbytery of P. E. Island met in Summerside on the 15th inst.; present:— Revs. Wm. Scott, J. M. McLeod, Neil McKay, A. Roulston, Wm. Grant, A. Carr, George McMillan, John McLeod, A. B. MacLeod and George Fisher, Ministers; Messrs. Charles Craig, John Clay, Wm. B. Donald and Angus Bruce, ruling Elders.

Rev. A. S. Stewart was appointed to moderate in a call in Valleyfield on the 28th inst., at 2 o'clock p. m. The salary offered is \$900, with a Manse and glebe. A call was sustained from the congregation of Richmond Bay West to Rev. Dugald Currie, of Three Rivers, of Quebec, and the clerk instructed to forward it, with other papers, to the Presbytery of Quebec, to be proceeded in according to the laws of the Church. Rev. M. Carr was appointed to visit this congregation on Monday, 21st inst., with the view of stimulating them to increased liberality in the support of religious ordinances, and to hold meetings with them as follows:—At Lot 11, at 10.30, at Egmont Bay at 3, and at Tyne Valley at 7 p. m.

The Clerk reported that he had received a call to Rev. Neil McKay from the congregation of St. John's, Chatham, and that as directed he had cited the congregation of Summerside to appear for their interests at this meeting of Presbytery. The reasons for translation and the papers were read. Rev. Mr. Fisher was heard in behalf of the Chatham congregation, and Messrs. Brehaut and Clay in behalf of the congregation of Summerside. In their answers to the reasons for translation and in their pleadings they showed their high appreciation of the talents and labors of their pastor, the strong hold he possesses on their affections, and their own fine Christian spirit; but also stated that in accordance with a resolution passed by the congregation, they were willing to leave the whole matter in the hands of Mr. McKay, believing that he would be guided by the first Head of the Church to a right decision. The call was then put into Mr. McKay's hands, when, after giving a most interesting and gratifying history of his labors in Summerside, and expressing in feeling terms, his warm attachment to his congregation and the members of this Presbytery, and his regret at the thought of separation, he stated that he felt it to be his duty to accept the call placed in his hands. In this decision the Presbytery expressed their concurrence, stating at the same time their deep regret at parting with one who had ever proved himself to be a wise counsellor, a true friend, an able and successful minister of Jesus Christ, and an earnest and indefatigable worker in every good cause, and their earnest hope that he might be equally successful in his new field of labor. Mr. McKay's pastoral connection with the congregation of Summerside is to terminate on the 30th inst. At the suggestion of Presbytery, and with the cordial concurrence of the Session, it was agreed that the Sacrament of the Lord's Supper be dispensed in Summerside on the 27th inst., and Rev. Mr. Carr was appointed to assist Mr. McKay on that occasion, and in the evening of that day to declare the congregation vacant. The Clerk was authorized to certify Mr. F. H. Larkin as a student to the Presbyterian College of Montreal.

A statement was read from the Secretary of the Augmentation Committee, from which it appeared that the services asked for Tignish, Montrose and Elmsdale, Richmond Bay West, and Tryon and Bonshaw had been granted, but that they had deferred final action on the other applications until further information should be laid before them. Messrs. Fisher and Carr were accordingly requested to visit the congregation of West Cape, Messrs. McMillan and Scott that of Richmond Bay East, and Messrs. Carruthers and Mahon that of Covehead, and to report the results to the Clerk of Presbytery on or before the 30th inst.

It was agreed to apply to the Home Mission Board for four preachers for the months of October and November.

Mr. J. W. McKenzie was appointed to Richmond Bay West for the remainder of this month. J. M. MACLEOD, Presby. Clerk.

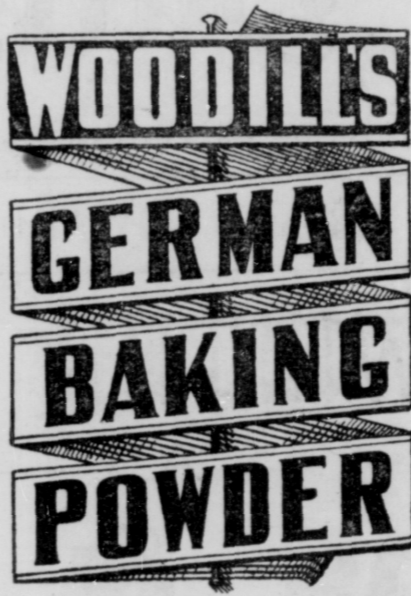

An Irish Race Meeting.

SERIOUS RIOT IN COUNTY CLARE.—JOCKEYS BADLY USED—MANY HEADS BROKEN, BUT NO LIVES LOST. KILRUSH-ON-SHANNON, County Clare, Sept. 12.—There was tremendous excitement and rioting yesterday afternoon at the races for the Kilrush and Clare plates. For several days complaints have been made against obnoxious landlords, who devote themselves to horse racing. Yesterday the following notice was posted in the streets and on fences for miles about:—"Men of Clare, are you going to allow those vile instruments of landlord tyranny, Tom Sheehy and Charley Martin, who have carried their death sentence to so many of our brethren, notably to Mrs. McInerney, who perished after her eviction, to run their horses, Harkaway and Stella filly, on the people's races. If so you share in their infamy. Show yourselves men, and be there to prevent it, as the scoundrels are defying you. God Save Ireland."

Thousands of people who had been at the Limerick races, had arrived to witness the sport, and the race-course was lined by enormous crowds of angry men, women and children, yelling and brandishing shillales. Everybody felt that a big fight was to come off. The owners of horses resorted to stratagem by which they would avoid the vengeance of the populace. Martin attempted to disguise his filly by painting her brown, but the jockey Lynch was recognized by the crowd and was hailed with storms of groans, hisses and yells. A free fight ensued, Lynch was knocked off the horse and dragged about on the ground, where the people jumped on him; he narrowly escaped with his life. All the jockeys were torn off their horses and kicked and dragged about. Hundreds of heads were smashed, but nobody was killed.
