

# Montreal Junior Canadiens Overpower All-Stars 11-1

Held off the scoresheet in the first period the Montreal Junior Canadiens fired 11 goals in the P.E.I. All-Stars 11-1 in an exhibition hockey game at the Sports Arena last night.

Sharp goalending on the part of Don Simmons in the All-Star's net kept the Montrealers scoreless in the first 20 minutes but the Canadiens strapped home 3 markers in the second and added 8 in the final while holding the Islanders to a single goal in the second.

Bob Boucher paced the Canadiens attack scoring all three of the second period goals. Claude LaForge notched a pair and the others were divided between Rod Pelchat, Ralph Backstrom, Bill Carter, Andre Pronovost, Bob Courcy and Merrill Pineau. Paul Schurman scored the lone All-Star goal on a long shot in the second period.

**SIMMONS STARS**  
All-Star goalie Don Simmons was

the difference between the Canadiens and four or five goals in the first canto. Simmons turned aside shots in all and stopped a good number of them from point blank range.

At the other end of the rink Ed Johnson had a pretty easy night of it stopping 13 or 14 drives sent his way.

In the last period Merrill Pineau and Ron Cameron, who had played the previous two with the locals, donned the uniforms of the Canadiens. Pineau scored the last Montreal goal and Merrill and Cameron each picked up an assist on Backstrom's marker.

The Canadiens loaned two defencemen and a forward line to the All-Stars for the game. Ralph McNiff and Jean Picard, were the pair of defencemen and Dick Demouchel and Eddie Dudyck, the forwards.

Bobby Dillon came on to work the last 30 minutes in the nets of

the All-Stars and allowed 9 of the goals. Despite the number of goals racked up against him he played a fine game and made a couple of nice stops.

Forbie Kennedy, Charlottetown's gift to the Canadiens, was kept scoreless but he spearheaded many of the Montreal attacks and was a study in perpetual motion. Kennedy's aggressive play was highlighted by the game and he looked throughout to be one of the best players on the ice.

The fast-stepping Canadiens controlled the play for most of the game and the shots on goal - 48 on Simmons and Dillon and 14 on Johnson - is a good indication of their big territorial margin.

Paul Schurman's goal in the second brought the All-Stars within one goal of the Montreal Juniors. It was more or less a fluke as he shot from between the blueline and the centre red stripe. A Canadian defenceman in attempting to knock it down deflected the puck behind the surprised Johnson.

The game was cleanly played with only 3 penalties being called. Two to the All-Stars and the other to Pechat of the Canadiens. Ready and Trepanier were the All-Star offenders.

Many of the 900 fans in attendance were disappointed not to have seen Claude Richard but the young fellow suffered a concussion in the Amherst game Monday Night.

Claude came out for the pre-game warmup but a dizzy spell forced him to retire for the evening.

## Three 3rd Period Goals Give Ramblers 7-4 Win

FREDERICTON, (CP) - Three goals by Amherst Ramblers in the last period proved their margin of victory over third place Fredericton Capitals Tuesday night as Ramblers chalked up a 7-4 win to retake sole ownership of top spot in the Atlantic Coast Senior Hockey League. They had been tied with Saint John Beavers, who lost 3-1 to Moncton Hawks.

Amherst had a 4-3 lead going into the last frame but less than a minute passed before Ralph Miles knotted the count. Copperley then regained the lead for Ramblers and shot his second of the night after Shermie White scored.

Dave Kiley also had a brace for Amherst. Emmett Kennedy and Bob Grey were the other visiting scorers.

Bernie Macdonald sandwiched a Fredericton tally between two opposition markers in the first session. The other Capital goals, in addition to Miles' equalizer were scored by Doug McPhee and playing coach Hughie Campbell.

# Statistics Show Alouettes Second-Half Powerhouse

By W. R. WHEATLEY  
Canadian Press Staff Writer  
MONTREAL (CP) - Montreal Alouettes, who wound up home-ground drills Tuesday in preparation for the Grey Cup game, are a team with greatest striking power in the second half and more particularly in the third quarter.

Conversely, the opposition is more thoroughly squelched also in both divisions of play.

This power to come back is not only written in the records of the Big Four season but was exemplified when Alouettes snuffed out Toronto Argonauts 38-36 in the eastern football final last Saturday.

In the 12 league games the Als rolled up 388 points, an average of 32.3 a game, against the opposition's 214 for a 17.8 average.

The opposition got in its best licks in the first half but was still outscored 181 to 123. In the second half it was a smashing count of 207 to 91.

The third-quarter totals, for both home and away games, shows the Als ran away from the opposition 107 to 24. In the fourth quarter it was 100 to 67.

CATS BROKE STRING  
The TI-Cats, however, were responsible for spoiling Alouettes' perfect record for outscoring the opposition in all quarters, either home or away.

In the two games in Hamilton, the Cats scored 33 fourth-quarter points. The rest of the opposition, playing at home, counted only 13 in the fourth quarter and the overall adverse total against the Als was 44-24.

In all other quarters, home field or not, the Als were ahead on combined totals.

The record by halves on Alouettes' away games: Alouettes 77-68, opposition 66-50.

For games in Montreal: Alouettes 104-139; opposition 57-51.

## Dodgers May Be Serious About Building Stadium

PRINCETON, N. J. (AP) - Brooklyn Dodgers may be serious about building a 30-story plastic dome baseball stadium—they ordered heavy engineering studies on the project Tuesday.

Dodger president Walter O'Malley Tuesday conferred with R. Buckminster Fuller, who invented the dome, looked at a model of the structure and said enthusiastically: "I am delighted with the work that has been done."

He directed Fuller to begin engineering calculations on the \$2,500-seat, translucent dome.

**FIT FOR CHAMPIONS**  
The way O'Malley looks at it, this spectacular stadium—called a geodesic dome—would be fit for the world champions of baseball. Supported by a lightweight aluminum truss structure, it would be

1750 feet in diameter and provide an all-enclosed stadium. The Dodgers would never be rained out of home.

And, since the stadium could be used for any kind of arena, O'Malley figures \$200,000 could be earned from new uses.

There wouldn't be any obstructing posts—and there would be more good seats. Every fan knows what a pain a post is.

Since the dome would protect the playing field, no covers would be necessary, or ground crews to tug the covers into place.

Proponents of the earth-shaped stadium also say artificial light at night could be reflected off the dome and prevent glare in the eyes of spectators and players.

They're talking about such possibilities as temperature controls, escalators and diagonally spiraling aisles.

## Moncton Hawks Defeat St. John Beavers 3-1

MONCTON (CP) - Moncton Hawks whipped Saint John Beavers 3-1 Tuesday night. It was their first triumph in seven games with the port city squad this season.
