AN ENGLISH CLERGYMAN. Makes a Statement on a Subject of Universal Interest. The Rev. Alexander Gordon, M. A., Falkland Road, Egremont, in Cheshire, England, has made public the following statement, which will be read with special interest in Canada: "I have used Hawker's nerve and stomach tonic on two occasions and found that it admirably serves its purpose. At one of these times I was run down through overwork, and the tonic—two bottles—renewed me, giving tone to the whole system. I can thoroughly recommend this medicine to any similarly placed." Hawker's nerve and stomach tonic is a perfect nerve restorer and invigorator, and blood and flesh-builder, as well as a valuable stomach tonic and aid to digestion.
