THE WRONG WOMAN.—Mrs. Mary Berger, while cleaning her husband's saloon at Chicago on Thursday morning last, was suddenly confronted by three masked burglars. Similar apparitions have been numerous recently, and the gritty woman, who had thought out beforehand what to do in such a case, quickly pulled out a revolver and commenced shooting. One of the trio was wounded, but all escaped.

"And the Child in the Arms of its Mother."

A BRIGHT, HEALTHY BOY whose life was saved by GRODER'S SYRUP.

A Mother Speaks to Mothers.

THE GLENN DYSPERSIA CURE CO. GENTLEMEN—My child is the picture of health to-day because I had the advice of a friend and I tried your remedy. Our baby was cutting his teeth last spring, and like many other children of such a time, he became very sick and feverish. We were so anxious about him that we called in two physicians, and that is in our power to relieve him. But he grew so much worse that we feared for his life. There seemed no hope for him, and the doctors gave us no hope of his recovery. It was then that a friend recommended your medicine, and we commenced its use. To our entire surprise, that very small dose will let us give each hour brought speedy relief. Our boy rallied quickly and soon became himself again. Other mothers have children who suffer precisely as mine did. They should use your remedy and keep it constantly in the house. I would not like to see any of my children suffer without it. Very gratefully yours
