Detroit Blanks Montreal; Leafs Tie Rangers 3-3

DETROIT (CP)—Six players shared in the goals Sunday night as Detroit Red Wings blanked Montreal Canadiens 6-0 in a penalty-studded National Hockey League game.

The Red Wings skated magnificently and the defence proved impregnable as they bombed the Canadiens.

Roger Crozier made several spectacular stops to preserve his first shutout of the season.

Bob Wall hit the goal post with a shot and Norm Ullman poked in the rebound for the first Detroit goal. Twenty-three seconds later, Peter Mahovlich took a pass from Murray Hall and slid it under Montreal goalie Gump Worsley.

From there it was a runaway with Bruce MacGregor, Andy Bathgate and Hall scoring in the second.

HOWE SCORED

Gordie Howe, playing his 21st season, got his second goal of the 1966-67 campaign in the third period, steering a shot from Floyd Smith behind Worsley.

Ullman and John Ferguson got in a fight in the first period. Jean Beliveau and Smith and Ullman and Ted Harris got in a fight in the second period, Mahovlich and Terry Harper engaged in a short stick duel later in the second period and Ullman drew 10 minutes for misconduct.

NEW YORK (AP) — Third-period goals by rookie Brian Conacher and veteran Dave Keon gave Toronto Maple Leafs a 3-3 tie with New York Rangers in a National Hockey League game Sunday night.

The tie was the fifth for Toronto and stretched the Maple Leafs' unbeaten streak to six games, longest in the NHL this season.

Conacher scored his fourth goal—all against New York—on passes from George Armstrong and Keon at 8:14 of the final period.

Keon then whipped the tying goal home with a little more than three minutes to play as defenceman Tim Horton assisted.

TOOK PUCK FROM GOALIE

Billy Hicke broke a 1-1 tie mid-way through the second period when he intercepted Toronto goalie Bruce Gamble's clearing pass and back-handed the puck into the net.

Then Boom Boom Geoffrion made it 3-1 for the Rangers with his second goal of the season. Hicke sent Geoffrion in alone on Gamble and the former Montreal great faked twice before sweeping his shot home.

Gamble took over in the second period for Terry Sawchuck, who faced 19 Ranger shots in the opening session. Bob Nevin scored the only goal of the period when he deflected Harry Howell's slap shot behind Sawchuck.

Brit Selby tied it for the Maple Leafs less than two minutes into the second period when he hit an open net after Ranger goalie Ed Giacomin slid out attempting to control a loose puck.

BOSTON (AP) — Dennis Hull, stealing the thunder from big brother Bobby, scored one goal and assisted on two others Sunday night in leading Chicago Black Hawks to a 4-2 National Hockey League victory over Boston Bruins.

Hull tied the count 2-2 with his fifth goal early in the second period and then helped set up Pierre Pilote for the decisive tally as the Black Hawks climbed over Montreal into first place with their fifth victory in six starts.

Chicago added an insurance goal with 20 seconds remaining when Eric Nesterenko swiped at the puck in his own zone after the Bruins had pulled goalie Bernie Parent for an extra skater in a bid to tie the game.

Chicago jumped off to a 1-0 first-period lead when Wally Boyer slapped home the rebound of a Dennis Hull shot just as Boston's Bobby Orr left the penalty box after serving a penalty for holding.

SCORED FROM 35 FEET

Orr tied the count midway through the opening period with a 35-foot shot for his second goal in his rookie season. The Bruins went ahead less than two minutes later as Pit Martin deflected a shot from the point by rookie defenceman Joe Watson.

Young Parent was the victim of Chicago's two goals in the second period. He took over the goal after veteran Ed Johnston was struck in the left eye by a wayward stick in the 15th minute of the first period.

Dennis Hull connected after taking a pass from Ken Wharram on a two-on-one break.

The Bruins had an apparent goal nullified at 11:20 of the second period when referee Art Skov ruled that John McKenzie slapped the puck into the net after a whistle had blown.

Then Pilote connected for his second goal of the season on a long shot partially screened.

Chicago goalie Glen Hall, a 35-year-old veteran lured out of announced retirement recently, made his 1966 debut.

SUMMARY

First period — 1. Chicago, Boyer 1 (D. Hull, Nesterenko) 6:04; 2. Boston, Orr 2 (Oliver, McKenzie) 9:03; 3. Boston, Martin 5 (Watson, Dillabough) 11:31. Penalties — Orr 4:04, Pilote 18:11.

Ti-Cats Defeat Als 24-14; Bombers Win West 16-8

By JIM CRERAR

HAMILTON (CP) — Hamilton Tiger-Cats stifled a fourth-quarter rally by Montreal Alouettes Sunday and went on to a 24-14 victory in the Eastern Football Conference sudden-death semi-final.

The Tiger-Cats, defending Grey Cup champions, now meet Ottawa Rough Riders in a two-game, total-point final, which opens next Sunday in Hamilton.

The Tiger-Cats scored 13 points in the first quarter and made it 20-0 in the third before the Alouettes struck for a pair of touchdowns in the final 15 minutes.

But Don Sutherin, who turned in an outstanding performance for Hamilton, squelched the rally with a 34-yard field goal to move Hamilton out of range.

Sutherin, who scored 67 points and tied for second place in the EFC scoring race with Peter Kempf of Montreal during the schedule, booted three field goals and two converts for the winners. He also set up one touchdown with an interception in the first quarter.

SCORE JUST TWO TDs

Hamilton touchdowns went to Willie Bethea in the opening quarter and Ted Page on another interception against George Bork in the third quarter.

Joe Zuger's single with 60 seconds left in the game rounded out the Hamilton scoring.

Montreal's touchdowns, which came within four minutes of each other, were scored by Don Lisbon and J. W. Lockett. Kempf converted both.

Except for Alouette's fourth-quarter outburst, Hamilton was in control of the play and allowed the Als inside its 36-yard line only twice, once on each touchdown drive.

HOLD STATISTICAL EDGE

Despite being unable to move into threatening position until the final quarter the Alouettes held a big statistical edge. They had 21 first downs to Hamilton's eight. The TiCats managed only one first down after the half.

Montreal had a total offence of 309 yards (163 passing and 141 rushing) compared to 177 yards by Hamilton (95 passing and 82 rushing).

Each team intercepted two passes and that spelled the difference with both of Hamilton touchdowns coming after interceptions.

The TicCats fumbled three times and lost possession once while the Als lost the ball both times they fumbled it. Hamilton was penalized 11 times for 71 yards and Montreal five times for 35 yards.

Montreal was without halfback Bob Paremore, who aggravated pulled rib muscles in the final game of the schedule. But J. W. Locket, playing his second game since missing 12 with a broken arm, turned in a sparkling performance. In addition to his touchdown he rushed 71 yards in 16 carries and caught four passes for 19 yards as Bork, who went all the way, was good on 18 of 31 aerials.

WINNIPEG (CP) — Kenny Ploen's short passes into a cold northwest wind carried Winnipeg Blue Bombers 81 yards to a fourth-quarter touchdown and a 16-8 victory over Edmonton Eskimos in the Western Football Conference sudden-death semi-final Sunday.

Ploen's aerial attack, which came after Eskimos closed an eight-point margin to 9-8, sent the defending WFC champion Bombers into the best-of-three final against Saskatchewan Roughriders. The final starts in Regina next Sunday.

With 15,463 fans shivering in 20-degree temperatures, Ploen started Winnipeg's clinching drive with a seven-yard run. He threw five consecutive completions to backs Marty Rosen and Dave Raimey, capping the march with a touchdown toss to Billy Cooper from the Edmonton nine-yard line.

Farrell Funston scored the other bomber touchdown, grabbing a Ploen throw early in the second quarter for a 19-yard scoring play. The TD was set up when Eskimos' Randy Kerbow could manage just 14 yards on a punt into the wind, which was gusting to 24 miles an hour.

Norm Winton kicked two converts and a single while Ed Ulmer added a single for Winnipeg.

SCORES ON 31-YARD RUN

Eskimos, who could produce only 157 yards against the tough Winnipeg defenders, got their touchdown from halfback Jim Thomas in the sixth minute of the fourth quarter. Thomas swept 21 yards around the left side to complete a 57-yard march.

Tommy Joe Coffey got the other Edmonton points on a convert and a single.

Rosen was the producer on the Bomber offence, catching six passes for 71 yards and rushing for 18 as Winnipeg drove to quarter leads of 1-0, 8-1 and 9-1.

Fullback Art Perkins plunged for 71 yards in Bombers' 304-yard offence, which was good for 20 first downs. Ploen completed 14 of 19 pass attempts for 144 yards.

Kerbow had trouble finding his targets and completed four of 17 pass attempts. He had one intercepted as Edmonton was held to nine first downs.

Sutherin Carries For Eleven Pts.

HAMILTON (CP)— Don Sutherin cut tape off his right ankle and inspected the foot.

"Somebody stepped on it," he said.

Not that Sutherin was complaining in, but that right foot did much to carry Hamilton Tiger-Cats in to the Eastern Football Conference final Sunday by demolishing Montreal Alouettes 24-14.

"It was on an end sweep and somebody came down across it," said Sutherin, who scored 11 of Hamilton's 24 points on three field goals and two converts.

His interception also set up a touchdown and he had another taken away on a difference of opinion among officials.

In the dressing room Sutherin was concerned more with the interception that got away than his other achievements.

MOVED INTO END ZONE

It was in the final quarter with Montreal in range, but down 20-14. Sutherin fell back into the end zone with Montreal half Mike Gibbons. One hand went up, tipped the ball, then Sutherin gathered it in.

"The end zone curves in there. I was having trouble getting my arm loose. I tipped the ball with my right then swung up with the left held on. One official about 10 feet away said I made it. The other one ruled I came down out of bounds.

Robinson Team Wins Fall Rally

SUMMERSIDE — The P.E.I. Motor Sport Club's second annual Fall Exploration Rally was run off very smoothly and considering the bitter weather was well supported.

A total of 16 cars assembled at the Crapaud Curling Club for a 10.30 a.m. start, mostly with P.E.I. licenses, but including some from such distant points as Fredericton, N.B. The cars ranged in size from a small red Fiat 850 all the way up to the largest Ford "7 liter".

The morning's part of the rally consisted of three sections, taking up roads as far away as New Glasgow, but ending up for a lunch and refuelling stop at De-Sable.

The leading cars had lost only 6, 7 and 8 points (for earliness or lateness at check points) respectively, whereas the writer had incurred 87 penalties! We began to hear the tales of woe—one intrepid pair from Charlottetown had got lost, stuck in the mud for an hour and when finally extricated by a tractor had discovered a flat tire — nevertheless they pressed on and checked in for lunch, albeit somewhat late.

After an hour's pause they all set off again, filled with fresh hope and encouragement from the organizers who pushed a bundle of papers and a map through the window and told us to get going. This second half of the rally was mainly based on a map (1" to 1 mile, Dept. of National Defence) with the route being revealed by map reference numbers and such instructions as "cross four bridges in the next 1.2 miles" which had some people driving round in circles. Back and fourth across the map they went, from Tryon to Chelton to Springfield, sometimes not seeing another rally car for half an hour, sometimes finding them stopped by the roadside, figuring, sometimes seeing one come the other way, which is disconcerting. Finally, at about 6.30 we arrived back at the starting point, tired, dirty, still bouncing from nearly 200 miles of mostly dirt roads, but all agreeing on one thing — it had been a darn good rally. Five cars failed to finish at all and it was subsequently learned that navigator sickness, getting hopelessly lost, etc. had been the causes of quitting. The second half of the rally had also shuffled the results around quite a lot, although the leaders for the first half were also the ultimate winners.

Provisional results are as follows: 1. Alan and John Robinson (Ford Galaxie) 19 points, 2. Alan Rodd, Fred Hensler (Ford Mustang) 34, 3. Steeves, Dewie (Rambler) 66, 4. Schriver, MacRae (MG) 81, 5. Lynch, Schmidt (Ford Mustang) 98, 6. Nantes, Richard (Ford Fairlane) 130, 7. Robertson, Robertson (Corvair) 193, 8. Drisdelle, Wilkes (Fiat 850) 264, 9. Murphy, DesRoches (Ford Galaxie) 274, 10. Gaudet, Trainor (Ford Mustang) 291, 11. Robertson, Douglas (Sunbeam) 411. Remaining entrants did not arrive at the finish.

Organizers were Harry Holman and Tom Matheson.

Trophies will be presented at the next club meeting, which will take place in the Crapaud Curling Club at 8.30 Tuesday night, November 15.
