THE TAIL

Should Go With the Hide Is a homely saying, but evidently thought something of by the Customs authorities at Ottawa, as they have decided to charge (in addition to the duty of 3c per pound on barbed wire) an extra duty of 20 per cent on the wooden spools holding the wire.

But it makes no difference in our price to the buyer, as we are still giving away the spools, and next thing to giving away the wire. If you want good wire, buy the American.
