Find the lost

Find The Lost
By Don Lane

How many times have you lost something at UPEI and not know where to look for it? Well, if you're lucky, you may just find it here. Many of the buildings on campus have special areas where they put unclaimed articles of books, clothing, equipment, etc. However, most people don't know where these places are. Below you will find where some of these places are, as well as a partial listing of what they contain. Clothing has not been listed because THE GEM has only 16 pages. Near the end of the term, we will publish another list. And heeerrreeeee we go ...

Cass, Dalton, Main, and Memorial each keep lost items for a few days in their secretary's offices before turning over all items to the security department. Therefore, these offices are good places to check.

— Another common practice is for the building's janitor to take the item and keep it in his room for a while. If you don't find it in the secretaries office, ask her where the janitor's storage room is, and you may be in luck.
