Couple Observe Golden Wedding

On Monday evening, October 24, the family and friends of Mr. and Mrs. John W. Dickie, 273 Euston Street, Charlottetown, gathered at the home of their daughter, Mrs. Urban Waddell at Cape Traverse, to offer them congratulations and best wishes on the occasion of their 50th wedding anniversary.

The table was decorated with gold candles in crystal holders and centered with two wedding cakes which were cut in the traditional manner.

An address was read and gifts from the family were presented by Mr. and Mrs. Dickie's granddaughter, Betty Lou Dickie and their great-granddaughter Edrie Quigley. Other gifts and cards were presented by their grandson, Jackie Waddell. All joined in singing "For They are Jolly Good Fellows".

IN FAMOUS CHAIR

When Hon. George Drew sat down to sign the visitors' book at the Confederation Chamber last Saturday morning he was reminded that he was sitting in the chair of a famous Party predecessor, Sir John A. Macdonald who used the chair when he attended the 1864 Conference at which the birth of Canada took place.

False Teeth Often Have a Certain Odor!

Soak your plates in Polident daily to avoid "Denture Breath"

Polident is the specially designed cleanser that keeps false teeth—and breath—clean and fresh always. Follow these simple rules:

1. Never use a brush on them! Your dental plates are much softer than natural teeth. Brushing wears down fitting ridges so they get loose.
2. Never use soap or toothpaste! They can leave a film which collects bacteria and food particles, a major cause of offensive "Denture Breath."
3. Use a soaking-type cleanser made for false teeth only... Polident is the denture cleanser recommended by more dentists than any other.
4. No brushing, no handling of soapy plates that can slip and break. Polident gets where a brush can't reach.
5. Best of all, Polident always leaves false teeth odor-free. Get the world's largest selling denture cleanser, Polident, at your drug counter.
