The office of Surrogate Clerk was formerly held by the late Hon. T. W. Anglin, and that of Clerk of Process by the late Alex. McDonell. Combined they are worth \$3,400 a year.

Mr. Geo. C. Cook, who has gone into the commission business in Halifax under the name of "the Boston Trading Company," is here soliciting trade. Mr. Cook is well and favorably known to shippers and others in this province, and we feel sure that any business entrusted to him will receive the most careful attention, and returns will be promptly made.

Mr. P. Wheeler, aged 92 years, left by cross-country train yesterday for Charlottetown, P. E. I., where he will reside in future. One of the articles which he took with him was an old gun, which he values very much, it being given him by Commander Carr, of the surveying ship Guloare, years ago. Although of such an age, the old gentleman is hale and hearty, and expressed a wish that he could go to the Transvaal to engage with the Boers.—St. John's Mid. News.

A Nova Scotia paper reports that "a pleasant afternoon was spent at the residence of John G. Mitchell, Jeddore, on Thanksgiving Day. The guest of the occasion was Mrs. T. F. West, wife of the rector of St. Stephen's parish. The time passed all too quickly in the enjoyment of Mrs. Mitchell's well known hospitality. The main object of the happy gathering became apparent when Mrs. West received a valuable and appropriate present from the Ladies' Aid Society of St. John's church. This token of kindness and appreciation was gratefully acknowledged by the recipient."

Weary of Experimenting

With salves, suppositories and ointments and dressing a surgical operation, scores and hundreds have turned to Dr. A. W. Chase's ointment and found it an absolute cure for piles. The first application brings relief from the terrible itching, and it is very seldom that more than one box is required to effect a permanent cure.
