

THE KING OF PORTFOLIOS. Our Own Country, a descriptive and illustrated portfolio on America, is, without doubt, the best portfolio series that has yet come to hand.

LOCAL AND OTHER ITEMS. MASTERS & SPECIALTY.—Beer Bros. CRY COUNCIL.—The Council met at half past seven last evening, and adjourned until the same hour this (Wednesday) evening.

DO NOT FORGET the annual meeting of the Provincial Rifle Association this (Wednesday) evening at 8 o'clock in the Stipendiary Magistrate's Court Room.

STAMER LATE.—Owing to the stormy weather yesterday, the St. Lawrence was some eight or nine hours making the trip from Pictou to Charlottetown.

A NEW ASYLUM.—The construction of an Asylum at Bridgetown, N. S., is to be commenced soon. The building is to be of three stories, and an attic, built of brick at the cost of \$6,000.

PROVINCIAL RIFLE ASSOCIATION.—All members of the Provincial Rifle Association attended the Annual meeting to-night in the City Court Room at 8 o'clock.

NEW THEATRE ROOM.—Mr. Hearst is fitting up a new auction room on Grafton Street, in the premises lately occupied by James D. Taylor as a bookbindery. He expects to move in on Friday.

DO YOUR EYES SEEM WEAK? If so, call at Cloud Hill's studio and have your eyes examined by Miss E. E. Ernst, optician. Charges only for glasses. Satisfaction guaranteed. Hours, 9 a. m. to 6 p. m.

CIVIL SERVICE.—The Civil Service promotion examinations took place this morning before E. W. Stewart, Esq., Messrs. J. M. Campbell, Nicholas White and Bernard Trainor, of the Post Office Department, were the only candidates.

NEW GROCERY STORE.—Mr. C. C. Henry, well known in the trade, has opened a grocery store on Upper Great George Street. We wish him success. He is beginning in the right way; he is having his store painted in good style by Howlett.

L. O. L.—Regular meeting of St. George's Lodge in Euston Street Hall on Thursday, the 17th inst., at 7.30 p. m., sharp. All members are requested to attend. Members of sister lodges cordially invited. Special business: Twelfth July demonstration.

THE VENDOR.—A petition is being circulated by the Summerville branch of the Temperance League, praying for doing away with the vendition of Summerville, and allowing the sale of liquors to remain in the hands of the druggists.—Journal.

DEATH FROM ROSE SURVIVAL.—Death from excessive rose skipping has recently been reported. This is a very popular exercise with little girls and when too long continued it has a very injurious effect. Many women suffer through life from ailments incurred in this way. Warn the little folks.—Hamilton Times.

POLICE COURT.—This morning a man named William Rowe, belonging to West River, was fined \$25 and costs for being drunk, disorderly and fighting on board the steamer Southport yesterday. In imposing the fine His Honor commented severely upon the character of the offender, and expressed his intention to severely punish all persons guilty of a similar breach of the law.

COMMENDABLE.—The old churchyard on the Malpeque Road, we are pleased to see, is being thoroughly cleared up. It now rests with those who have relatives and friends buried there to do their part towards making the place what it should be. We know that we have only to make this announcement, and the grave-plots of our fathers will receive attention. The keeper will attend to any work entrusted to him.

LADY TO REST.—The Halifax Chronicle says: The funeral of Miss Laura Black, daughter of S. G. Black, took place from 38 Irving street yesterday afternoon, and was very largely attended. The services at the house and grave were conducted by Revs. Messrs. Rogers, Bond and Smith. Floral offerings were numerous, and the grave was lined very tastefully, the inside being trimmed with moss and studded with flowers.

AN OMISSION SUPPLIED.—We regret the inadvertent omission from THE EXAMINER'S notice of the Penny Readings in St. Peter's Schoolroom, of mention of the gentlemen soloists, viz: Rev. T. H. Hunt, Mr. Alex. Bruce and Mr. Bayfield. It is needless to say that the songs they sang were well sung, and added greatly to the pleasure of the entertainment. Mr. Bayfield, with his cultured voice and counter-tenor, is a valuable accession to the ranks of our local musicians.

THE POLINO.—The steamer Polino, Captain Lachance, arrived here from Montreal and Quebec via Summerville this morning about eight o'clock, with a large general freight. She leaves tomorrow evening for St. John's and St. Anthony. Her outgoing cargo will include 3000 bushels potatoes, 2000 bushels oats, a large quantity of pork and a full-deckload of horses, cattle and sheep. The Polino will make these trips regularly during the season.

THEATRICAL NOTES.—The "True Irish Hearts" Company will appear at the Lyceum on Monday and Tuesday evenings next, 21st and 22nd inst. "True Irish Hearts" will be put upon the boards on Monday evening and "The Cruelken Lawn" on Tuesday.

MR. DUFFARD LAY (Patti's) tenor in his recital of Scottish Song and Story will make a tour of the Province, assisted by Mrs. Lay, commencing at St. John, June 4 and 5, under the auspices of Clara Mackenzie.

The saloon keepers are suing the city of Kenosha, Wis., for about \$9,000 in license money paid under protest. They proved to the satisfaction of the court that they were not liable for the money. Now the city has spent the cash and will not return it until a judgment is secured.

BEER: Fashionable Sunshades and Serviceable Umbrellas. We are now showing a very attractive variety of beautiful Summer Parasols in frilled, fancy, watered and plain silk.

Waterproof Cloaks. No department in our store shows a greater assortment of really astonishing bargains. The garments we sell at \$4.50, \$7.50 and \$10.00 are actually worth half as much more. Our buyer was offered a very low price to clear a lot of goods, giving our customers the benefit of this noteworthy purchase.

THE JUBILEE SINGERS. A fair-sized audience assembled at the Opera House last night to hear the Jubilee Singers. It was a little after 9 o'clock, however, owing to the late arrival of the Pictou boat, before the singers appeared upon the stage.

Mr. Caldwell, the second bass, made himself immensely popular, and received the lion's share of applause. His fine voice has a great range, and he rambles among the low notes with amusing ease. Moreover, his manner is very droll, and he has an air of thoroughly enjoying himself when he sings. In the laughing song, given in response to an encore, he made his hearers laugh as heartily, and almost as loudly, as he laughed himself.

Mr. Payne, second tenor, sang "Mona," and the lovely song lost nothing by the manner in which it was rendered. The notes were true and clear, and Mr. Payne knows how to modulate his voice.

As to Mrs. Porter-Cole, we can only say her singing has not been overpraised in any of the published accounts that preceded her arrival. The skilful management of her sweet voice in the Polka Song last evening was admirable. She was called back twice, and sang "Comin' Thro' the Rye" and "The Old Folks at Home." The last mentioned song was very touchingly sung.

The male quartette deserves mention not only for its harmony, but for the fire and life that should always be a feature of male voices. Tonight the Jubilee Singers appear at Summerville. Tomorrow night they will again sing at the Opera House. We advise those who did not hear them last night to go to-morrow evening, for these singers truly interpret the old slave songs and choruses that are the prominent features of their concert.

NEWS NOTES. Last Saturday's steamer carried from New York \$2,000,000 in gold for Europe. Queen Victoria has nominated the Emperor William colonel of the first regiment of Dragon Guards.

Rate cutting in the transatlantic steamer business has carried the price of passage from London to New York to \$12.20. There is a scarcity of soft coal in New York, due to the strike, and large orders are being sent to Wales and smaller orders to Nova Scotia.

Reports received at the United States Department of Agriculture indicate that the average of cotton this year will be 1.9 per cent. less than last year.

United States Senator Gallinger would have a commercial boycott enforced by the States against Canada until Canada sees for grace and reciprocity. Such a move would come just in time to make the imperial conference in Ottawa in June a brilliant practical success if Canada can make it so.

The London papers fear that Jabez Balfour will be allowed to escape from Argentina into the non-extradition country of Bolivia, which is only one hundred miles from Salta, where he now is. Once in Bolivia Jabez would have so difficulty in making his way to the west coast, and could remain in such cities as Lima or Callao for there is also no extradition treaty with Peru.

The Week remarks that Mr. George Brunenich's central picture of his last exhibition, "Midnight on the Tys Floid," Norway, which deservedly attracted so much attention, has, we are glad to say, found a home and purchaser in Toronto. We are glad that such a noble water-color, by a Toronto artist, has not lacked proper appreciation at the hands of our art-loving citizens.

DIED. At Summerville, on the 7th inst, Mrs. Harry Weston, leaving a husband and two daughters to mourn their loss.

At Bayfield, on May 9th, of inflammation of the lungs, Neil J. McPhee, in the 22nd year of his age. The deceased, the third son of the late Neil McPhee, was of a kind and pleasing disposition, which endeared him to all who had the pleasure of his acquaintance. His remains were interred in the cemetery at St. Columba's Church, where a Requiem Mass was celebrated by Rev. A. J. McIntyre. May his soul rest in peace.

Ready to Learn.—Justice (ever)ly—"How could you, sir, be so mean as to send me people that put confidence in you?" Prisoner—"Well, n'ud, I'll make it worth something to you if you'll tell me how to work them as don't."

A Paying Investment. A well-known gentleman in town paid \$50 for a horse which, at the time of purchase, was in poor condition. He fed the animal a bag of Peck's Compound Condition Food, costing \$1. In a short time he sold that same horse for \$100, and claims it was Peck's Food that made the money for him. Each bag guaranteed 12 lbs. for \$1.00. Write or call for circular giving full particulars.

DON'T BE CRITICAL. A little seed lay on the ground, And soon began to sprout; "Now which of all the flowers around," It mused, "shall I come out?"

"The lily's face is fair and proud, But just a trifle cold; The rose, I think, is rather loud, And then, its fashion's old."

"The violet is very well, But not a flower I'd choose; Nor yet the cantabery bell—I never cared for blues."

"Petunias are by far too bright, And vulgar flowers beside; The primrose only blooms at night, And peonies spread too wide."

And so it criticised each flower, This supercilious seed; Until it woke one summer hour, And found itself a weed.

—Mildred Howells, in May St. Nicholas

MONSIEUR SATOLI MAKES PUBLIC AN OFFICIAL STATEMENT. Monsignor Satoli has just made public an official statement on the reinstatement to the priesthood of Dr. McGlynn. The conditions on which I absolved Dr. McGlynn, by authority received from the holy father, said he, were:

First—That he should make a thorough statement of his views and doctrines in regard to the social economy, and present them to me, and I would revise them and then submit them to four doctors of divinity for revision. This condition he fulfilled, and it was acknowledged that nothing had been said or done to the Catholic Church, especially what the Holy Father teaches in his encyclical Rehum Novarum.

Second—Dr. McGlynn should make a written apology for whatever he might have said disrespectful of or derogatory to the ecclesiastical authorities and state that he admitted all the doctrines of the Catholic Church, especially what the Holy Father teaches in his encyclical Rehum Novarum.

And he fulfilled this condition also and his declaration was immediately sent to Pope Leo at Rome, and was published in this country sometime afterward.

Third—That Dr. McGlynn would promise that he would go to Rome after a certain definite time. This last condition was complied with also.

In reply to a question as to why Dr. McGlynn had not been appointed to a pastorate, Mr. Satoli replied that he never interfered in such matters and would not in this case. He added that it was wholly untrue that there had been any falling out between Dr. McGlynn and himself.
