## IN MEMORIAM

**COLLIER** — In loving memory of Peggy Mae Collier, died June 10, 1944, and James N. Collier, died June 5, 1950.  
Inserted by family.

**MACDONALD** — In loving memory of our dear daughter Joan MacDonald who passed away June 10, 1956.  
Once again we pay our tribute to the one we love so dear. Though we know you can't be with us  
We still wish that you were here. We often think of by-gone days when we were all together. The family chain is broken now. But memories live forever. It's loneliness here without you. Never will your memory fade. Loving thoughts will always wander  
To the grave where you are laid. Our hearts still ache with sadness. Our eyes shed many a tear. God alone knows how we miss you.  
As this ends another year,  
Lovingly remembered by Mother, Father, and family.

## Krushev Calls For Baltic Zone Of Neutrality

**HELSINKI (AP)** — Nikita Khrushchev called Saturday for establishment of a Baltic "zone of neutrality."  
The Soviet Communist party secretary told a rally of the Finnish-Soviet Society that Finland should be the nucleus of this neutral zone and an example for the rest of Northern Europe and the world as a whole.  
He warned, too, against "provocateurs" and "reactionaries" in Finland who, he said, are trying to foster distrust between Finland and the Soviet Union.  
The usually outspoken Soviet party leader skirted clear of inflammable international topics. The speech was delivered by a Finnish interpreter while Khrushchev stood beside him.  
"Finland's neutral foreign policy should be an example to the rest of Northern Europe and the world," he said. "The whole Baltic area should become a zone of neutrality and a zone of peace forever."

**BOMB SCARES SCHOOL**  
TORONTO (CP) — Six hundred students were evacuated from Branksome Hall school for girls when police got a call that a bomb would go off inside during Thursday. Officers searched the building but found nothing.
