

# Russians Defeat Canadians To Win Hockey Ch'ship

STOCKHOLM, (CP) — The smooth-skating Moscow Dynamos crushed Canada 7-2 Sunday to win the world hockey championship for the Soviet Union in her first bid for the international title.

An off-color Toronto East York team spotted the Russians two early first-period goals, opened up in an effort to catch the Dynamos and never was able to get back in the game.

The Dynamos, given little chance of victory when they scraped through to a 1-1 tie against Sweden last Tuesday, floundered against last-place Switzerland before pulling out a 4-2 victory two days earlier, played almost flawlessly hockey.

**Flawless Hockey**

Their passes clicked while Canada's went astray. Their defence took competent charge of most East York attacks while the Canadians frequently left goalie Don Lockhart unprotected in their head long charges up the ice. The former Maritime Major League net mender played brilliantly but the instant Russian pressure took a steady toll.

Lockhart later received a crystal vase from the Swedish Ice Hockey Association as the best goaltender in the tournament.

A capacity crowd of 16,725 fans cheered the Canadians as the game began but gradually transferred its affections to the Dynamos.

The Russians led 4-0 at the end of the first period, built their margin to a 7-1 in the second and relaxed the pressure somewhat in the final frame as they conceded the Canadians their second goal.

The victory, which also brought them the European championship, gave them a record of six victories and a tie in the eight-team round-robin series. It was Canada's first defeat after six straight wins.

**Penalties Costly**

Despite obvious efforts to avoid costly penalties through body-checking, the Canadians were penalized six times to the Dynamos' two. The Russians scored twice while their opponents were short-handed.

The game's only fight broke out in the second period with Russia leading 6-1. Dynamo forward, E. Babich fell behind the East York goal and pulled Canadian defenceman Russ Robertson down with him. Players milled around the pair and began swinging their sticks until both Babich and Robertson were sent off by the Swiss referees.

Before they returned, East York defenceman Tom Jamieson received a boarding penalty and the Dynamos scored their seventh goal while he was off.

Moe Galand and Bill Shill scored the Canadian goals. Galand's coming from a scramble in front of the nets in the second period to put the Russian margin to 4-1 and Shill sinking a 12-foot shot in the third period.

Shill scored in the last minute of the second period when the puck trickled loose from the pads of Dynamo goalie Nikolai Puchkov, but the goal was disallowed as the referee's whistle had halted play.

**"Did Our Best"**

After the game, manager Don Preston of the Canadians said "we went down fighting."

Asked if the first Russian goal upset his team, Preston replied: "Perhaps it did, but I am not looking for excuses. We did our best."

Dynamo manager Boris Myakinov called the game "the most difficult we have ever had."

"They played a hard game but we countered with speed and short passes," he said.

W. D. Matthews, Canadian minister to Sweden, visited the downcast Canadians in their dressing room after the game.

"I am proud of you," he told them. "You have played well and behaved like gentlemen."

**Tense At Start**

The Canadians appeared tense at the start but drew a cheer when their defence halted the first Russian attack. Canada's return rush was halted when winger John Scott was called offside.

Russia drew first blood at 5:25 as a short drive by Andrei Gurichev eluded Lockhart. The Dynamos, virtually unhampered by Canadian checking, continued a sustained offensive for three minutes before the puck was brought out of the East York zone.

A charging penalty to Canadian right-winger Vic Sluce paved the way for Russia's second goal by centre Vladimir Shvaylov, one of three Red Army officers on the team. The remainder are members of the Dynamo and Zenith amateur clubs.

Six minutes later, Vavolod Bobrov, captain and outstanding player of the Soviet team, drew a tre-

mendous cheer as he scored Russia's third goal on a rink-length rush after goalie Puchkov had stopped an easy Canadian shot. Before the period ended, a shot went between Lockhart's legs to make the score 4-0.

**Start Counter-Attack**

The Russians opened the second period at the same high speed, but a Canadian counter-offensive began to take shape. It was rewarded when Galand, the leading scorer of the tournament, scored his 16th goal after out-manoeuvring the entire Dynamo team and poking the puck in from a goal-mouth scramble.

East York continued to control the play until Kennedy received a penalty for violent body-checking. Lockhart held the Dynamos off until Kennedy returned but the Russian offensive continued, finally producing two quick goals by Shvaylov and V. Kuzin.

Bad luck dogged the Canadians in the third period as they carried the play with the Russians content for the most part to protect their big lead.

Kennedy fired two shots in quick succession but the first hit the Russian goalkeeper and the second was deflected by defenceman's stick.

**Victors Jubilant**

Shill finally scored the second Canadian goal at 7:23 but an interference penalty to Kennedy two minutes later took the steam out of the Canadian drive.

The jubilant Russians were hugged and kissed by team officials at the end of the game while the disconsolate Canadians trooped to their dressing room.

Earlier, Germany won fifth place in the final standings by trouncing last-place Norway 7-1.

The Canadians have been defeated for the world title only three times in 19 previous times. Czechoslovakia last defeated a Canadian entry in 1949 and teams from Britain and the United States have edged out Canada on previous occasions. No Canadian team ever has finished lower than second.

# Red Wings Defeat Leafs Saturday; Canadiens And Bruins Play 3-all Draw

TORONTO, (CP) — Centreman Alex Delvecchio scored two goals Saturday to lead Detroit Red Wings to a 3-1 victory over Toronto Maple Leafs in their last scheduled appearance of the National Hockey League season here.

The win, before 13,502 fans, put Detroit 10 points ahead of the Leafs who were forced to share second place with Montreal Canadiens by virtue of Canadiens' 3-3 tie with Boston Bruins.

It was also Detroit's first victory over the Leafs in Toronto. In six previous appearances this season the teams tied two games.

All the scoring was done in a wild first period that saw Leafs' George Armstrong and Wings' Ted Lindsay trade blows. Both were given major penalties and Lindsay also received a minor.

Jim Morrison scored Toronto's goal at 12:16 after snaring a pass from Harry Watson and beating a diving Terry Sawchuk. Rudy Migay was also given an assist.

Glen Skov scored Detroit's third goal at 18:30 when he received a passout from Marty Pavelich and slammed the puck past Harry Lumley.

**Summary**

First period  
1—Detroit, Delvecchio 3:35  
2—Toronto, Morrison (Watson, Migay) 12:16

**MONTREAL, (CP) —** Maurice (Rocket) Richard's 35th goal of the season, the only marker in a bristling third period, gave Montreal Canadiens a 3-3 tie with Boston Bruins Saturday night.

Dave Creighton, Fleming Mackell and Eddie Sandford scored for the Bruins and Butch Bouchard and Bert Olmstead for Canadiens before Richard supplied the tying counter on a perfectly timed pass by Doug Harvey. Bouchard's goal was the first of the season for the veteran Montreal defenceman. Creighton's was his 17th.

Canadiens had to overcome a two-goal deficit to earn the tie and each time the Bruins were short-handed. Through the split-points saw-off the National Hockey League standing underwent at least a temporary change. The Bruins took over fourth place from the New York Rangers by a single point and Canadiens moved into a second-place tie with Toronto Maple Leafs.

The game ended the regular-schedule play between the teams. Canadiens having six wins, four ties and four losses. They lost no games at home but on Boston ice the Bruins won four and tied two.

*"Frankly, I joined the RCAF for a change and adventure—but that soon became secondary to the value of the training and experience. Actually, I started in Ground Crew—in the meteorological branch. But I wanted to fly, and at the first opportunity I re-mustered to Air Crew, and was selected for pilot training. During my pilots course, I got plenty of good, solid flying instruction—literally from the ground up—and then I won my "Wings."*
