# BENTLEY'S LINIMENT

takes hold of and quickly CURES Sprains, Strains, Kiaks, Cramps, Bites, Bruises, Burns, Coughs, Colds, Croups, Rheumatism, Sore Throat, Neuralgia, Chapped Hands, Scalds and all pains and aches that afflict mankind. It is the recognized Family Remedy in thousands of Canadian homes, all of whom can testify to its remarkable powers, and we print herewith a few of their opinions.

Mrs. COLIN McKEE, Kenilworth, N. S., writes, January 23, 1901: "I have used BENTLEY'S LINIMENT for both myself and children, and as a cure for sore throat, soreness of the chest, etc. I have never found anything to equal it."  
 Mrs. MAGGIE L. CHRISTIE, East Mountain, Ont. Co., N. S., writes November 21, 1899: "I recently used BENTLEY'S LINIMENT for a severe case of enlarged tonsils in my daughter. She had whooping cough, which greatly aggravated the trouble, and I became alarmed at the symptoms. I bathed her throat freely with BENTLEY'S LINIMENT for a few days and the cure was marvelous."  
 CHAS. LEONARD, Pasophae, P. Q., writes, November 19, 1901: "I had BENTLEY'S the best liniment and my customers prefer it to any other."  
 J. E. ARMSTRONG, Quebec, P. Q., writes, February 20, 1901: "I have used BENTLEY'S LINIMENT for a sprain and can highly recommend it."

Alderman REAN, Halifax, N. S., writes, April 12, 1900: "I have used BENTLEY'S LINIMENT and found it the best I ever tried, and can heartily recommend it."  
 E. X. KIRKUP, Warwick, P. Q., writes, July 11, 1901: "A few days ago, getting out of a wagon at St. Henedine, my foot slipped and I struck my leg against the wheel and hurt it severely. It was extremely painful and I was afraid that I would have to lay up. However, I was induced to try BENTLEY'S LINIMENT, and two applications made a complete cure. I can recommend it with pleasure."  
 P. X. KIRKUP, representing the Warwick Clothing Manufacturing Co., of Warwick, P. Q.  
 G. W. ATKIN, Lower Montague, writes, Atkins Ferry, July 8, 1901: "I have used BENTLEY'S LINIMENT and can highly recommend it. I had a sore on my knuckle and tried several remedies without avail, as the shutting of my hand prevented it from healing. Two applications of BENTLEY'S LINIMENT made a complete cure."

## Mr. G. O. ARCHIBALD'S CASE.

Didn't Walk for 5 Months.  
 Doctors said Locomotor Ataxia.

Milburn's Heart and Nerve Pills  
 Cure a Disease hitherto regarded as Incurable.

The case of Mr. G. O. Archibald, of Hopewell Cape, N. B., (a cut of whom appears below), is one of the severest and most intractable that has ever been

reported from the eastern provinces, and his cure by Milburn's Heart and Nerve Pills the more remarkable from the fact that he was given up as incurable by worthy and respected physicians.

The disease, Locomotor Ataxia, with which Mr. Archibald was afflicted is considered the most obstinate and incurable disease of the nervous system known. When once it starts it gradually but surely progresses, paralyzing the lower extremities and rendering its victim helpless and hopeless, enduring the indescribable agony of seeing himself die by inches.

That Milburn's Heart and Nerve Pills can cure thoroughly and completely a disease of such severity ought to encourage those whose disorders are not so serious to try this remedy.

The following is Mr. Archibald's letter:

Messrs. T. MILBURN & Co.—"I can assure you that my case was a very severe one, and had it not been for the use of Milburn's Heart and Nerve Pills I do not believe I would be alive to-day. I do not know, exactly, what was the cause of the disease, but it gradually affected my legs, until I was unable to walk hardly any for five months."

"I was under the care of Dr. Morse, of Melgose, who said I had Locomotor Ataxia, and gave me up as incurable."

"Dr. Solomon, a well-known physician of Boston, told me that nothing could be done for me. Every one who came to visit me thought I never could get better."

"I saw Milburn's Heart and Nerve Pills advertised and thought I would try them anyway, as they gave more promise of helping me than anything I knew of."

"If you had seen me when I started taking those wonderful pills—not able to get out of my room, and saw me now, working hard every day, you wouldn't know me."

"I am agent for P. O. Vickey, of Augusta, Maine, and have sold 300 subscribers in 30 days and won a fifty dollar prize."

"Nothing else in the world saved me but those pills, and I do not think they have an equal anywhere."

"The seven boxes I took have restored me the full use of my legs and given me strength and energy and better health than I have enjoyed in a long time."

G. O. ARCHIBALD,  
 Hopewell Cape, N. B.

In addition to the statement by Mr. Archibald, we have the endorsement of two well-known merchants of Hopewell Cape, N. B., viz.: Messrs. J. E. Dickson and P. J. Brewster, who certify to the genuineness and accuracy of the facts as given above.

Milburn's Heart and Nerve Pills are 50c. a box, or 3 for \$1.25, all at drug-gists, or sent by mail: T. Milburn & Co., Toronto, Ont.

**ONE  
 GIVES  
 RELIEF**

Mrs. James Taylor, who resides at No. 82 Bailey Avenue, Kingsbridge, New York, on the 14th of December, 1894, said: "My age is 65 years. For the past two years I have had liver trouble and indigestion. I always employ a physician, which I did in this case, but obtained no beneficial results. I never had any faith in patent medicines, but having seen Ripans Tablets recommended very highly in the New York Herald I concluded to give them a trial. After using them for a short time, I found they were just what my case demanded. I have never employed a physician since, which means \$2 a call and \$1 for medicine. One dollar's worth of Ripans Tablets lasts me a month, and I would not be without them if it were my last dollar. They are the only thing that ever gave me any permanent relief. I take great pleasure in recommending them to any one similarly affected. (Signed) MRS. J. TAYLOR."

Ripans Tablets are sold by druggists, 6c. by mail. If the price is 10 cents a box, it is sent in New York Sample vial, 10 cents.
