A four team Maritime Major Hockey League that is expected to develop into a six or seven team league in a short time was formed here Saturday afternoon at a meeting of representatives from five of the leading hockey centres in the Maritimes and officials of the M.A.H.A.

Sydney, Halifax, Moncton and Charlottetown are the clubs in the league. Saint John and North Sydney were stated to have given assurance they will join first week and New Glasgow representatives stated they will very likely be in the league by August 4. Glace Bay has given no indication about plans for next season's hockey.

## Hudson Is President

Judge Elliot Hudson of Halifax, former President of the Big Four League, was elected President of the new league. C. Roy MacDonald of Sydney was elected first vice president, alderman Vaughan Harvey of Moncton second vice president, and Major T.B. Rogers of Charlottetown third vice president. C.S. McAllden is the secretary treasurer.

The league was formed by the clubs that had forwarded certified cheques or bonds to the M.A.H.A. for participation in hockey next year. At last month's meeting of Maritime hockey representatives in Amherst it was agreed that these cheques or bonds would be forwarded by June 30.

North Sydney, Glace Bay and Saint John were given until Saturday July 14 to post their bonds and enter the league. New Glasgow, a newcomer to major league hockey was granted until August 4.

Gene Connolly, secretary of the M.A.H.A. told the meeting that Ed Squires, President of the North Sydney club stated that the Vice would definitely be in the new league.

He also stated that George Magee, who has taken over the Saint John Club planned to have his cheque in the hands of the proper authorities before today's meeting.

Home Runs: National, Westlake, Cardinals, 61; American, Williams, Red Sox, 76.

Home Runs: National, Hodges, Dodgers, 21; American, Zernial, Athletics, 21.

would not be interested in anything less than a five team league. He later stated there was a faint possibility they would join a four team circuit.

Bill Gammin, President of the New Glasgow Hockey Club, stated that New Glasgow would be prepared to play in major league if they were given a little time to join the league.

New Glasgow was granted the right to use twelve imports if they enter the league. Other clubs will be allowed eight.

Charlie Campbell of Sydney, past president of the M.A.H.A. was temporary chairman of the meeting until Judge Hudson was elected president. Representatives from Sydney, Halifax, Charlottetown, Moncton and New Glasgow were in attendance.

Another meeting will be held in Truro on Saturday, August 7 to discuss further plans on the new league.

The meeting discussed a \$15,000 budget for referee. Expenses for each referee were stated to be \$135 salary, \$45 living expenses and \$50 travelling expenses. The league will run 18 weeks.

Applications for the work of referee had been received from Elliot Good and Myrt Frohnt, North Sydney Vice goalie last year, announced President Hudson.

## Ferrier Scores Second Win In Canadian Open

TORONTO, July 8 (CP) — Jim figures with the seriousness of a Ferrier, who studied his golfing chartered accountant, won the Canadian Open Golf Championship Saturday with a medal score of 273.

He was 15 strokes under par for the 72-hole distance and two better than his nearest rivals.

It was the second successive victory in the \$15,000 Canadian Open for the big Australian, who plays on the pro circuit out of his home city of San Francisco.

Ferrier's steadiness won him top prize money of \$2,250, the Seagram Gold Cup and the roaring acclaim of 10,000 galleryites who galloped about the Mississauga Club course.

The bitter-home stretch battle behind Ferrier, first of the possible winners to finish, was a golfing show all its own.

Ed (Porky) Oliver, rotund golfer from Seattle who crowned his way through a sensational last-round bid, had to settle for a second-place tie with 275.

With him was Fred Hawkins of El Paso, Texas, a photogenic youngster who sank a 35-foot putt at the last hole to catch up with Oliver. Hawkins and Oliver each collected \$1,300.

In fourth place came Jimmie Demaret, the fashion-plaite Texan playing out of Ojai, Calif., with 278.

Jack Burke, Jr., of Houston Texas, who started the last round with a two-stroke lead and blew it, finished fifth with 280.

Stan Leonard of Vancouver's Marine Drive Club was again low Canadian scorer with 282. He finished in a three-way tie for sixth place with Ed Furgol of Royal Oak, Mich., and Doug Ford of Harrison, N. Y.

Leonard, who got up to a fourth-place tie last year at Royal Montreal, won the Rivermead Cup as low Canadian pro and an extra \$200, giving him a total of \$950.

Henry Martell of Edmonton Highlands Club was second low Canadian, finishing further down the list with 287.

A seven of Mount Clemens, Mich., was the Gole Medal winner as low amateur with 283. Five strokes better than Nick Wesslock of Windsor, Ont., Essex, who took the honor last year.

Mac Irwin piloted his Zenith to a close win in the Class 3 event over the Mic, owned by Cy Paoll and manned by Louis Paoll, crossing the finish line just 10 seconds ahead of the runner-up craft.

Topping out a six-boat field in the Snipe Class, Mr. and Mrs. Ron Smith brought the Scout home a winner followed closely by the Monty, skippered by the Johnson Brothers of Montague.

Favored with a brisk wind, the meet provided plenty of keen racing that gave the crews of the various craft plenty of chance to exercise their sailing skill.

Officials for the meet were as follows: Starter, Hal C. Burke; Judges, Percy MacNevin and Pat Reddall.
