The Telephone Company

P. E. ISLAND.

PARTIES using the Telephone would find talking much more satisfactory if they would observe the following rules:— 1st. Speak with the mouth about four inches from the transmitter. 2nd. Speak in a moderate tone of voice, not too loud and distinctly. 3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds. It is possible to talk on the ear. 4th. It is possible to talk and be heard when standing about two or three feet from the transmitter, if you speak loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a needless waste of wind and lungs, besides being very annoying to all within range of your voice. ROBB ANGUS, Manager.

A Dangerous Joke.

A few months ago a person hardly dared say they had La Grippe for fear of ridicule. And now that one-half of our population have had it, the other half are in mortal terror for fear they too will have it. We cannot wonder, for no epidemic scourge has ever visited this country and left such a trail of death and sorrow behind. The best loved members of families from state circles down to the humblest state in life have gone. It has been the relapses and after dangers from La Grippe that have been so appalling. The death rate in many larger cities has exceeded 100 a week from the "grip" alone; and the end is not yet. Physicians are learning to fear (much more than the epidemic itself), the serious and fatal extension of the inflammation downward to the throat and bronchial tubes, causing croupous and catarrhal pneumonia, true sequences of the insanity; which terminate in death or produce severe laryngitis, bronchitis, asthma and other catarrhs which contribute largely to chronic disease of the ear, nose and throat, causing loss of hearing, smell and taste. Those physicians who have been most successful with the epidemic say, the surest treatment has been with tonic and anodyne remedies. The Anodyne, Salicylate of Soda, Johnson's Anodyne Liniment, etc. A prominent Boston paper announced in January last that more persons had successfully used the last named medicine than all the others combined. That seems reasonable for an effect on La Grippe cause severe inflammation, and it is a well known fact that for nearly eighty years no remedy has taken the place of Johnson's Anodyne Liniment for every form of inflammation, internal or external. Therein lies its great value as a household Anodyne, namely the fact that it is and can be used more internally than any other way. At any rate, if one has any symptoms of the after dangers of the "grip" we advise them to get a bottle of the Anodyne at once, or send to the sole manufacturer, I. S. Johnson & Co., Boston, Mass., for full particulars which they send free, and which may save you a big doctor's bill. mar15 del wll

The McLean Case.

SHARBURN, Feb 6. The case of Mr. McLean of Herring's Mills, as published last week, is still the talk of the vicinity, and many people have taken the trouble to go to Herring's Mills to see him. Mr. Balfour, the druggist here, who sold Mr. McLean the pills, vouches for the truth of the statements also does Mr. William Jolly, ex-Mayor for Dufferin County. Dodd's Kidney Pills are indeed a wonderful remedy, as they cure the most deadly as well as the most prevalent disease that affects humanity, namely, Bright's Disease, as well as all forms of kidney troubles, dropsy, diabetes, stone in bladder, and most especially rheumatism.

The Children's Enemy.

Scrofula often shows itself in early life and is characterized by swellings, abscesses, hip disease, etc. Consumption is scrofula of the lungs. In this class of disease Scott's Emulsion is unquestionably the most reliable medicine.

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

Several cases of cholera have appeared in a convict prison in Moscow.

HAWKER'S BALM OF LIME AND WILD CHERRY is the safest, surest and best known remedy for the cure of coughs, colds, bronchitis and all throat and lung troubles. The children's favorite. Sold by all druggists and dealers.

Boston's (Mass.) real estate is assessed at \$1,100,000,000, of which \$136,271,377 is exempt.

D. M. JOHNSON, Esq., M. D., Port Hawkesbury, certifies: "I have used Futner's Emulsion with great satisfaction where Croup Laver Oil is called for. I recommend it as a disinfecting the oil that patients never refuse to take it."

There is lively trouble in the Winnipeg Presbytery, and one church announces its intention of withdrawing.

HAVE YOU A COUGH?—Then use Every body's Cough Syrup, a pleasant and efficacious remedy. Price 25 cents a bottle. A full line of the popular Cod Liver Oil Emulsions, Cough Syrup, Balsams, &c., guaranteed good and as fresh, always in stock.—Johnson's Drug Store, Cor. Kent and Prince Streets.

The foot and mouth disease has broken out in the Berlin (Germany) cattle market, and removals of cattle have been prohibited.

HANDSOME FEATURES.—Sometimes unsightly blotches, pimples or shallow opaque skin, destroys the attractiveness of handsome features. In all such cases Scott's Emulsion will build up the system and impart freshness beauty.

CUT TO PIECES.—The Moncton Times says: A brakeman by the name of Moreau fell off his train at Assametsquagan last night and was instantly killed. He was all cut to pieces. The accident happened while the train was coming into the yard.

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

The silly young man had told a couple of young women that he was engaged to an acquaintance of theirs, and one of them proceeded to find out about it and next day reported to her friend. "Well," was the inquiry, "what about Frank's story?" "It's quite like his head." "How's that?" "Nothing in it," and they let it go at that.

COD LIVER OIL has long been justly celebrated as a lung healer. Alone it is difficult to take, but combined with the Hypophosphates in Futner's Emulsion, it is agreeable to the taste, and unequalled by any other medicine for weak lungs.

HEART FAILURE, FAINTNESS,

ACUTE DYSPEPSIA, with Complete Nervous Prostration, Cured by Using HAWKER'S NERVE & STOMACH TONIC, A LADY'S EXPERIENCE. Mr. Wm. Thompson of Macquah, N. B., says: "For 2 years past my wife has suffered from Acute Dyspepsia accompanied with complete nervous prostration and a smothering sensation about the heart which frequently produced an attack of faintness. She became so weak and nervous that she could not get on her feet, and she suffered with intense pain in the stomach after eating, which was usually followed by the most distressing sensation about the heart and fainting spells. She tried a great many remedies and was treated by the doctors for some time, but obtained no relief. She became so discouraged that she gave up all hope of ever getting better, when one day she happened to see in the paper an advertisement of HAWKER'S NERVE & STOMACH TONIC and LIVER PILLS, which had produced remarkable cures in several cases he knew of. We did so and she obtained immediate relief from the distress after taking the second dose, and has continued to improve ever since until today she is as well as ever, and can enjoy her food without fear of suffering. I cannot speak too highly of this valuable medicine which has restored my wife to health and strength and saved much suffering and expense." Rev. Henry M. Spilke, Rector of Macquah, N. B., says: "I am personally acquainted with Mr. Thompson's case, and I can testify that the medicine which I recommended to him produced such remarkable results." Sold by all druggists and general dealers. TONIC 50 cts.; PILLS 25 cts. Manufactured by the HAWKER MEDICINE CO., Ltd., St. John, N. B.
