### In Memoriam

**THOMPSON** — In loving memory of Elizabeth Mariene Thompson, accidentally killed on June 21, 1947.

In our home she is fondly remembered. Sweet memories cling to her name.

We who loved her in life sincerely, still love her in death the same. Always lovingly remembered by Daddy, Mommy, Guy and Georgia.

**CONSTABLE** — In loving memory of (Lillie) Mrs. Wm. Constable, Springfield, Ont., who passed away June 20th, 1952.

We little knew when awakened that thorn.

The sorrow the day would bring so quick, so quiet was the call. Your sudden death surprised us all.

We wonder why you had to die. Without a chance to say goodbye. Your final wish we would like to have heard.

And breathe in your ear our last parting word: Only those who have lost are able to tell.

The pain in the heart at not saying farewell.

Sadly missed by husband, daughter, Johann, son Elwood, daughter-in-law, Ethel and grand-daughter, Karen.

**PROSPER** — In memory of Mrs. Elsie Prosper who passed away June 21, 1947.

None from us your smiling face. Your pleasant cheerful ways. Your heart that went so many friends.

In by-gone happy days.

Always remembered by loving daughter Dorothy and family.

**Consumers Find Canadian-made Goods Better**

MONTREAL (CP) — F. R. Daniels, vice-president and managing director of Dominion Textile Company Limited, said Wednesday that Canadian women are showing increasing appreciation that cotton goods to suit their needs and tastes are to be found at home.

Addressing the shareholders' annual meeting, Mr. Daniels said an encouraging sign is the "growing awareness on the part of the Canadian consumer of the quality of Canadian-made goods."

Sales figures for last year, in the face of continuing strong import competition, were proof of the trend.

He said the small amount of improvement in the Canadian textile industry was achieved by the industry's own efforts.

He anticipated that Canadian consumption of cotton textiles "will be maintained in fair volume this year and it is our intention to get as much of that business as possible for your plants."

Substantial sums had been spent on keeping spinning operations up to date at the Sherbrooke plant and at the Merchants' ranch in Montserrat. Plans were being made for a major modernization job at the company's largest subsidiary, the Montreal Cottons Limited at Valleyfield.
